CHAPTER XVII.

THE PURSUIT BEGINS.

In the afternoon the king Cutlahua, whose
sickness had greatly increased, caused himself
to be taken to Chapultepec, where he
judged he would be safer from the enemy...

portunity. If I come not with the rising of
the sun to-morrow, Nenetzin can tell you my
story. Farewell!

With his face to his benefactor, he moved
away.
"Have a care for yourself," said the 'tzin,
regarding him earnestly; "and remember
there must be no sign of attack until the
strangers have advanced to the first cause-
way. I will look for you to-morrow,
Farewell!"

Tobacco Chewers Among Women.

A well known physician, while walking
down the street with a friend, remarked, a
patient of mine lives in that house who is
dying—an idolized wife—beyond all help,
and tobacco chewing has killed her. Why,
Doctor! what do you mean? I mean this:
her husband is literally steeped in tobacco
juice, and the insensible perspiration from his
body has become so saturated with nicotine
as to be a deadly poison. His wife, before I
was called, had absorbed enough of the poison
so that no human power can save her; and
even now, I believe, and his days in torture
are of some kind of skin disease. The skin is
really the most wonderful and important organ
of the human body. Night and day, every
hour of our lives, it is filtering out from the
blood useless or poisonous debris. If it
stopped work even for twenty-four hours in
this or any case, death would ensue. You
can imagine, then, what it means for a deli-
cate, sensitive-skinned woman to sleep in a
warm bed night after night with an inveterate
tobacco chewer. The skin and mucous mem-
branes of some persons is much more
sensitive than others. A person who in sum-
mer is subject to hay fever, tanned or burned
skin, in winter to colds, bronchitis, chapped
hands, or chilblains, ought always (whether at
home or travelling) to keep a bottle of John-
son's Anodyne Liniment near at hand. Dilute
the liniment with water and gently bathe, or
moisten a cloth with it and lay upon the irri-
tated skin if very sensitive; then wash it clean
in the morning with Castile soap and water.
If a person who takes cold quickly, or is pre-
disposed to bronchitis or catarrh, or exposed
to any poison, irritating to the skin or mucous
surfaces, which might tend to cause consump-
tion will every night, before retiring, bathe
the chest and throat with Johnson's Anodyne
Liniment and, before dressing in the morning,
rub the whole body smartly with a coarse
towel, slightly dampened, and then wiped
dry, we believe they never would have pul-
monary troubles, or disease from defective
working of the skin. I. S. JOHNSON & CO.,
Boston, Mass., will send a pamphlet, free,
describing other uses for this old household
remedy, now eighty years old.

The treatment of many thousands of cases of
these chronic weaknesses and distressing
ailments peculiar to females, at the Invalids
Hotel and Surgical Institute, Buffalo, N. Y.,
has afforded a vast experience in nicely adapt-
ing and thoroughly testing remedies for the
cure of woman's peculiar maladies.
Dr. Pierce's Favorite Prescription
is the outstanding success of this great and
valuable experience. Thousands of testimo-
nials, received from patients and from physi-
cians who have tested it in the most aggravated
and obstinate cases which have baffled
their skill, prove it to be the most wonderful
remedy ever devised for the relief and cure of
suffering women. It is purely vegetable, and
a "cure-all," but as a most perfect Specific for
woman's peculiar ailments.
As a powerful, invigorating tonic,
it imparts strength to the whole system,
and to the womb and its appendages in
particular. For overworked, worn-out,
"run-down," debilitated teachers, milliners,
dressmakers, seamstresses, "shop-girl," house-
keepers, nursing mothers, and feeble women
generally, Dr. Pierce's Favorite Prescription
is the greatest cardiac boon, being unequalled
as an appetizing, food and restorative tonic.
As a soothing and strengthening
nervine, it is invaluable in allaying and sub-
duing nervous excitability, irritability, ex-
haustion, prostration, hysterical spasms, and
other distressing, nervous symptoms com-
monly attendant upon functional and organic
diseases of the womb, and induces refreshing
sleep. It relieves mental anxiety and
despondency.
Dr. Pierce's Favorite Prescription
is a legitimate medicine, carefully
compounded by an experienced and skillful
physician, and adapted to woman's delicate
organization. It is purely vegetable in its
composition and perfectly harmless in its
effects in any condition of the system. For
morning sickness, or nausea, from whatever
cause arising, weak stomach, indigestion, dys-
pepsia and kindred symptoms, its use, in small
doses, will prove very beneficial.
"Favorite Prescription" is a positive
cure for the most complicated and ob-
stinate cases of leucorrhoea, excessive flowing,
painful menstruation, uterinal prostration,
prolapse, or falling of the womb, weak back,
"female weakness," anteversion, retroversion,
bearing-down sensations, chronic congestion,
inflammation and ulceration of the womb, in-
flammation, pain and tenderness in ovaries,
accompanied with "internal heat."
As a regulator and restorer of func-
tional action, at that critical period of change
from girlhood to womanhood, "Favorite Pres-
cription" is a perfectly safe, remedial agent,
and can produce only good results. It is
equally efficacious and valuable in its effects
when taken for those disorders and derange-
ments incident to that later and most critical
period, known as "The Change of Life."
"Favorite Prescription," when taken
in connection with the use of Dr. Pierce's
Golden Medical Discovery, and small laxative
doses of Dr. Pierce's Purgative Pellets (Little
Liver Pills), cures Liver, Kidney and Bladder
diseases. Their combined use also removes
blood taints, and abolishes cancerous and
scrophulous humors from the system.
"Favorite Prescription" is the only
medicine for women, sold by druggists, under
a positive guarantee, from the manu-
facturers, that it will give satisfaction in every
case, or money will be refunded. This guaran-
tee has been printed on the bottle-wrapper,
and faithfully carried out for many years.

bottles for \$5.00.
