AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up, and I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me."

HORACE FAIRBROTHER, Rockingham, Vt., July 15, 1882.

Group.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GEDNEY, 150 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried."

Lake Crystal, Minn., March 13, 1882. A. J. CHASE.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRADDOCK, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

"We have visited the bottling stores of Greenlees Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fragrant, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."

DR. BENNET, Halifax.

DEAR DOCTOR,—Just a few lines as promised by me. I am more than pleased with the "Liver Pad" I got from you when in Charlottetown, and can conscientiously say that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me, and removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dulness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public. Believe me, Yours sincerely, FRANK ELLIOTT.
