BAND on the Square to-night.  
THE WEATHER.—Light variable winds, fair and warmer.  
I. O. O. F.—Alpha Rebekah Lodge No. 10 meets tonight. A good attendance requested.  
Y. M. C. A.—The graphophone entertainment in the Y. M. C. A. last evening was very enjoyable, but the audience was small. The entertainment will be repeated in the First Methodist Church this evening.

ODDFELLOWSHIP.—The following are the representatives elected by St. Lawrence Lodge to attend Grand Lodge, to be held at Picton on Aug. 11 & 12:—W. Small, Jas. Waddell, A. J. Houle, A. D. McLeod, J. J. McKinnon and J. F. Whear.

POLICE COURT.—This forenoon Joseph Nicholas, an Indian, was arraigned for vagrancy. Joe was sentenced to two months imprisonment with hard labor, but upon his promising to leave the city within an hour the sentence was suspended. Two drunks, Charles McLean and James McDonald, (Archat Jim) were each fined \$2 or 10 days.

ALBERTON TEA.—The successful and unsuccessful candidates in the west will thank their respective supporters at the Alberton tea on Thursday. Good speeches may be expected, as there's "a born orator on every farm" up west, according to Judge Carran when he visited up there two years ago.

THE BOAT RACE.—There are six entries for the boat race on Thursday, viz: Abogweit, Alma, Report, Pathfinder and Ranglight. The first prize will be \$30, the second \$15, and the third \$5. The course will be from Connolly's wharf, out and around the bell buoy off Governor's Island. A tug boat will follow the competing boats over the course on which a limited number of passengers will be taken.

O'CONNELL'S DAY.—Thursday next promises to be a great day at Emerald. People are expected there from every section of the province, and arrangements are being made accordingly. Mr. John L. Carleton, of St. John, will be the orator on the occasion, and his remarks will be reminiscent of the great Irish agitator. The gathering will also be addressed by other good speakers. All who attend may depend upon having a most enjoyable outing.

CITY SCHOOL BOARD.—At the regular meeting of the City School Board held last evening it was decided that in view of the prevalence of smallpox in Montreal all parents should be notified that the rule as to vaccination will be strictly enforced and permits refused to all children who have not been duly vaccinated. It was also ordered that permits for transfer from the principal's department of Queen Square School to West Kent should be refused.

KING'S COUNTY RIFLE ASSOCIATION.—A meeting of this association, was held at Montague, Friday July 30th. The following were elected officers for the ensuing year: President, John A. Stewart, Montague; members of Council: Wm. Murphy, Montague; Dr. D. A. Stewart, Georgetown; H. McLean, Souris; W. L. Poole, Montague; and Daniel Robertson, Brudenell; Secretary and Treasurer, W. A. Johnstone, Montague. It was decided to hold the annual "Prize Meeting" on "Georgetown Range" on Saturday August 7th, commencing at 8 o'clock a. m. sharp.

**ESTEEMED EXCHANGES.**

Montreal Gazette: There would be more chance of something coming of the proposal for the interchange of duty by imperial and colonial troops, if the colonies had more troops to interchange. Outside of the mounted police, who should not be counted, Canada has barely a thousand soldiers in regular service, and in no case are there more than a hundred or two at one place. The basis for moving round is a small one.

Montreal Star: "We can whip Spain. We can whip Japan and we can whip England too," is the boasting remark of the St. Louis Republican. The job should be let out by contract, until at least Uncle Sam gets his navy mended at the Halifax dockyard.
