Strange, but True

The child that cannot digest milk can digest Cod-liver Oil as it is prepared in Scott's Emulsion. Careful scientific tests have proven it to be more easily digested than milk, butter, or any other fat. That is the reason why puny, sickly children, and thin, emaciated and anemic persons grow fresh so rapidly on Scott's Emulsion of Cod-liver Oil and Hypophosphites when their ordinary food does not nourish them.

Don't be persuaded to accept a substitute. Scott & Bowne, Baltimore. 50c. and \$1.

WOMAN'S EXALTED MISSION.

Let us create a new home that is to be a refuge for the poor and the unfortunate. Certainly there is no more for two young people who have sworn to love each other, no matter whether there is poverty or death, to matter whether the days are bright or dark, to have a home of their own.

THE FIRST INVENTION OF THE ORGAN.

The first invention of the organ has been ascribed to Ctesibius of Alexandria, who lived B.C. 270. But the period when this instrument was introduced into the churches of Western Europe is rather uncertain. Pope Vitalian is supposed to have been the first to adopt it about the year 670.

IT IS POINTED OUT AS A "CURIOUS FACT."

It is pointed out as a "curious fact" that there is not a female member of the Russian Imperial family who is a marriageable age. There are, indeed, only two spinsters altogether—the Grand Duchess Olga, sister of the Czar, aged 13, and the Grand Duchess Catherine, daughter of the Grand Duke Vladimir, who is also in her thirteenth year.

PRINCE ERNEST ROHAN.

Prince Ernest Rohan, youngest brother of Prince Alban Rohan, of Bohemia, who was accidentally killed by the discharge of a gun when visiting a dog in one of his stables the other day, some say he took his own life—left an immense fortune. MY SIX-YEAR-OLD DAUGHTER.

My six-year-old daughter, Bella, was afflicted with eczema for 24 months. The price of relief of eruption being behind her, I tried almost every remedy which was suggested by my friends. Finally, a week ago, I purchased a box of Dr. Chase's Ointment, and the first application showed the curative effect of the remedy. We have used only one-sixth of the box, but the eruption has all disappeared, and I can confidently say my child is cured. (Signed) MAXWELL, JOHNSTON, 112 Ave Street, Toronto.

A FACE THAT WAS A SCAB FROM FOREHEAD TO CHIN CURED IN 10 DAYS.

On behalf of the Fred Victor Mission Bible Class, I wish to express our gratitude to you for the box of Chase's Ointment which you supplied in aid of our charitable work to the infant child of Mrs. Brown, 127 York Street. Ten days ago the child was awfully afflicted with scab, but she has been cured in ten days from forehead to chin and in that brief time a complete cure has been effected. Surely you give us words more than we can recall in glory. EDWARD YEIGH, 84 Sherbourne Street, Toronto.

PAINE'S CELESTIAL COMPOUND

"MAKES PEOPLE WELL." Other Preparations Mislead and Deceive.

THE GENUINE FROM THE IMITATIONS AT A GLANCE.

There is truly a wonderful difference when the pure, solid, heavy and light gold coin is compared with the imitation imitation.

THE GENUINE GOLD COIN.

The genuine gold coin is passed with confidence from one person to another; all people believe in it. How is it with the imitation? That spurious coin made and issued by dark and criminal hands? It is a mass of dark places, it is issued stealthily to deceive and defraud; and all who are connected with the work of deception are ever fearful of the hands of justice.

THE GENUINE GOLD COIN.

The genuine gold coin has music and cadence in its ringing, the base coin sounds dull and harsh to the ear.

THE GENUINE GOLD COIN.

As the genuine gold coin and the imitation differ so vastly, so also is there a world of difference between Paine's Celestial Compound and the imitations of Celestial Compound that are so frequently deceived by.

THE GENUINE GOLD COIN.

Paine's Celestial Compound is universally popular owing to its great efficacy; it is hailed everywhere as the great healer of disease; it is recommended by professional men all over the continent; it is genuine, reliable and honest, and "makes people well."

THE GENUINE GOLD COIN.

The imitations, and all the crude preparations, are made to sell without regard to results. Deceitful buyers are naturally judgmental at loss of money and the aggravation of their troubles. When such imitations are used, life is positively endangered.

THE GENUINE GOLD COIN.

The genu is Paine's Celestial Compound—the kind that carries its name distinguished by the words "Paine's Celestial Compound," and the "stalk" of celery, found on the bottle and outer carton. Look for these special features, and you are always get just what will meet your case.

NO MONEY NO OBJECT.

The amount of money sufferers from catarrh will spend in attempting to cure that foul and disagreeable disease is almost incredible. J. W. Jennings, of Gilford, Ont., says: "I spent between \$200 and \$300 consulting doctors; I tried all the 'treatments' without benefit. One box of Chase's Catarrh Cure done me more good than all the remedies. A 25c. box cured me." Don't waste money. Chase's Cure, with improved bowler, 25c. It cures.

Bad Blood Between Them.

The ever-slaving farmer's wife, her delicate labor in the city suffer more than they care to tell. The dark rings round the eyes, headaches, dizziness, palpitation or rheumatic twinges, broken a run-down system. The blood is poor, and is a bar to enjoyment. Chase's Sarsaparilla purifies the blood, strengthens and vitalizes the system, and speedily restores the bloom of health to the cheeks. It cures when all others fail.

A Good Deal in a Few Words.

"I paid a Toronto specialist on catarrh a large sum of money, but I got no benefit. I tried them all, but finally, almost in despair, I bought Chase's Catarrh Cure. It is all that is recommended, which is saying a good deal in a few words." Joel Rogers, clerk, Division Court, Berton. Improved bowler in each 25c. box.

THE PALE FACE.

For Nervous Prostration and Anemia there is no medicine that will so promptly and infallibly restore vigor and strength as Chase's Emulsion.

THE ONLY HELP.

A Victim of Bright's Disease for Many Years—used by Dodd's Kidney Pills. NEEPAVA (Special) Nov. 11.—Mrs. T. H. McKee (formerly of Listowel), came here as a last resort. Had suffered ten years with Bright's disease. Reported to be past help and dying her reappearance on the street in apparent good health, was a pleasant surprise. The explanation given was that her little boy had insisted that she should use Dodd's Kidney Pills and she complied. They would cure her. She says:—"From the first few doses I began to feel better, and after taking four and a half boxes, I say it with heart-felt gratitude I am perfectly cured." Dodd's Kidney Pills is the only medicine in the world that has ever cured a case of Bright's Disease at such a stage.

The Modiste has her domain; but Priestley's black dress fabrics have made the modiste's work a pleasure. They drape so gracefully, they fit so easily, they wear so well. And their new "Endora" beats every Priestley's record. This is the newest black dress fabric about which the ladies are full of praise. It comes in black only, and it is finer, and has a more exquisite glow, a greater width and weight, than the Henrietta's. The "Endora" is now the prime favourite. It is stamped on "The Varied Board" and the name, Priestley, stamped on every five yards.

The great success of the chocolate preparations of the house of Walter Baker & Co.
