The residents of Stamford, Ont., are excited over an attempted murder and suicide. A young man named Claud Lister went to the residence of a friend named Clarence Smith, aged about 16, called him out, and deliberately shot him. The murderer then attempted his own life. HEBRON, Yarmouth, Oct. 15th, 1882.

To DRS. BENNET & LEWIS,
119 Hollis St., Halifax.

DEAR SIR,—I desire to express my feelings of profound gratitude to you who have helped me so much by the use and application of your wonderful medicine known as your Absorptive Pads and Plasters, &c. I was sick about two years and spent a large sum of money with physicians but received very little benefit until I tried your absorptive treatment. When I commenced using it this summer I could scarcely walk across the floor, I had such a weakness across me, and now I can walk a mile at a time and attend to household duties much better than I could before, and feel only too glad to recommend this truly great treatment to any person or persons who may be afflicted as I was. You are at liberty to make any disposition of this note you may deem proper.
