New! A Butter Conditioner
in a Standard Model

CO-OP REFRIGERATOR

10 cu. ft.—Model D10B1
Just like the deluxe models, the CO-OP Standard Refrigerator now boasts a butter conditioner to keep your butter at the right consistency for easy spreading at all times.
And you enjoy many other deluxe features at a lower price... 1 ACROSS-TOP FREEZER—Stores 52.5 pounds of meat and frozen foods at proper freezer temperatures. IN-A-DOOR SHELVES—Utilize door space for storage of small items. Outstanding capacity provided by 19.34 sq. ft. of shelf area. Two moist-cold crispers keep vegetables garden fresh. A half-shelf makes possible storing of large items. Roll-a-grip latch shuts door gently; four aluminum ice trays with pan release. Eight-position thermostat control.

AT YOUR CO-OP.
