Holloway's Pills—illness.—Nothing makes man more wretched than a diseased stomach or torpid liver; from them spring our gloomiest thoughts and most dismal forebodings; but, happily for mankind, such disorders may at once be rectified by a course of the digestive Pills, which act most beneficially on the secretions of the stomach and liver, whereby perfect digestion is restored, bringing with it strength and comfort to body and mind.

"The Life of the Blood is in the Blood," was said by inspiration long before Harvey's discovery of its circulation had brought to light its purpose and uses. Now we know not only that "Life is in the blood," but that disease inhabits it also. Many of the disorders that invade the human frame, have their home in it, and grow in it. The celebrated Dr. J. C. Ayer, of Lowell, has had regard to this important fact in making a Remedy to cure these disorders.

A SUPERIOR ARTICLE FOR THE TOILET.—BURNETT'S COCAINE for promoting the growth and preserving the beauty of the human hair, is a very popular article. It is unrivalled in delicacy and agreeableness cooling in its nature, possesses such a peculiar affinity for the skin that it is readily absorbed, and its effects are permanent.

Thanks to Mrs. Winslow's Soothing Syrup, we have for years been relieved from sleepless nights of painful watching with poor suffering, teething children. Unlike all the preparations of opium which are usually got up to make a healthy action in it that relieves disease. This soothing Syrup gives not only rest, but vigor and health; the little fellow will wake up bright, cheerful and refreshed. It is sure, moreover, to cure Wind Colic and regulate the bowels. As we freely received the advice which calls forth the above thanks, we freely give it to others, and say, to all mothers who purchase the Soothing Syrup for their children, and you will thank us for this advice. Sold everywhere, at 25 cents per bottle. Office, 13 Cedar-street, New York.

DR. WISTAR'S BALSAM OF WILD CHERRY. Where this article is known it is a work of supererogation to say one word in its favor, so well is it established as an unfailing remedy for Coughs, Colds, Bronchitis, Hoarseness, Whooping Cough, Asthma, Quinsy, Pleurisy, diseases of the Throat, Chest, and Lungs, as well as that most dreaded of all diseases, Consumption, which high medical authority has pronounced to be a curable disease. This remedy is so well known to its value, that those who have not had it to make a single trial to be satisfied that all others it is the best.

Read the following Order From a respectable and well known Druggist. CHARLOTTETOWN, Prince Edward Island, June 21, 1860. Messrs. S. W. FOWLE & Co., Boston. Gentlemen—You will please send me another supply of Dr. Wistar's Balsam of Wild Cherry, also some more of the Oxygentated Bitters, the sale of which I am happy to state, is steadily increasing. There is no one here who has not been well testified to their efficacy as remedial agents in the diseases to which they are respectively applicable.

Highly Respectable Authority. On CHARLOTTETOWN, Prince Edward Island. I do hereby certify that my mother, the late Ann Magowan, during the last few years of her life, was in the continual habit of using Dr. Wistar's Balsam of Wild Cherry, and that she frequently expressed her high opinion of its beneficial effects derived from the promotion of her general health. She died in the 82d year of her age. Dated at the City Hall, this 21st day of June, 1860. PETER MAGOWAN, J. P. and City Clerk.

Caution to Purchasers. The only genuine Wistar's Balsam has the writer's signature of "L. WISTAR" and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless. Prepared by S. W. FOWLE & Co., Boston.

AYER'S SARSAPARILLA. It is a concentrated extract of Para-Sarsaparilla, so combined with other substances of still greater power as to afford an effective antidote for the disease Scurvy is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. Keep this compound well in mind it has been proved by experiment on many of the worst cases to be found in the following complaints: SCURVY AND Scurvy Complaints, Eruptions and Eruptions, ULCERS, PUPULES, BOILS, TUMORS, SALT RHEUM, SCALD HEAD, SPITTING AND PHTHISICAL AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR THE DOLICHOCEPHALIC, DYSPEPSIA AND INDIGESTION, EXHAUSTION, Head-ache, and intended to supply such a remedy as shall restore the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.
