

QAHA Proposal For Settling Disputes Fails To Get Enough Support

By W. R. WHEATLEY
Canadian Press Staff Writer
NIAGARA FALLS, Ont. (CP)—The Quebec Amateur Hockey Association, back in the good graces of the parent Canadian Amateur Hockey Association, received a polite setback Tuesday when it tried to have inter-branch disputes settled by an arbitrator.

The Quebec proposal came soon after its five delegates had been seated at the CAHA's opening general meeting. The Quebec branch was suspended last February for defying the CAHA over a ruling on the playing status of a junior player.

The branch was reinstated at the morning session Tuesday after apologizing for defying the parent body.

Needed Two-Thirds Vote

Quebec's latest move, obviously an outgrowth of its mid-winter dispute, received an 11-9 favorable vote but it was last February's two-thirds majority was needed to send the resolution to the CAHA's resolution committee.

Tuesday's session was devoted to resolutions dealt with Monday by the committee and to suggested changes in rules of play, which will go before the National Hockey League rules committee.

Approval was given for rewriting a rule to provide that if a team is short-handed it shall not be allowed to ice the puck. There was much debate but the motion finally carried by a wide majority.

Another long discussion followed a proposal by the Maritime branch that there be no appeal from appointment of referees for play-offs in national competitions. The rule was left as it stands, the general opinion being that there should be less squawking by club heads or even branch officials and that the parent body should have the privilege of changing officials if incompetence is clearly indicated.

Saskatchewan, through branch secretary Scotty Melville, suggested something be done about "lapshots," to put them in the category of the banned kickshots, kicking the blade of the stick while it is held against the puck. The danger of injuries was behind the proposal. It was lost on a vote.

The meeting approved a British Columbia suggestion that a misconduct penalty be given a player if, in the opinion of the referee, he deliberately shoots at the goal keeper after play has been stopped.

A proposal by James T. Sutherland of Kingston, Ont., life member and one of the founders of the Hockey Hall of Fame, that the word "amateur" be dropped from the association's name, was not endorsed by the resolution committee and didn't get up before the general meeting.

May Enter Team
Secretary-Manager George Dudley of Midland, Ont., reported that consideration is being given to sending a team to the world amateur championship hockey tournament next year. A Canadian team may also go to Japan for an exhibition series.

The right of United States teams which are members of the CAHA to compete in the Canadian amateur championships was approved. This will affect only a few neighboring points, such as Spokane, Wash., and Sault Ste. Marie, Mich.

Several resolutions that came before the general meeting were referred back to the resolutions committee after discussion.

Secretary-Manager Dudley, apparently harassed by annual squawks over decisions regarding player replacements and other matters, had it put in black and white in the by-laws that the CAHA executive can take no decision between annual meetings "in any individual cases which shall constitute a breach of any by-law, regulation or playing rule." Dudley insisted that the executive must "follow the book."

One of the Quebec-sponsored resolutions accepted by the general meeting called for appointment by the CAHA president of a committee

tee to meet with major league representatives "to discuss future relations between them and this association, on which shall be the presidents of the branches involved."

This is in direct reference to Monday night's decision by the Quebec Senior Hockey League to turn professional, leaving jurisdiction of both the QAHA and CAHA. The QSHL and the Maritime Hockey League are the only ones concerned in the resolution.

The Maritime circuit now is left out in the cold so far as major status is concerned and its position undoubtedly will be settled before the current meetings end. The Quebec resolution was the first official action taking notice of the decision by the QSHL.

Softball Meeting

A meeting of the City Softball League executive will be held tonight in the Holy Name Hall at 7:30. All executive members are urged to attend as the matter of schedules and umpires must be considered.

Halifax Atlantics Showed Profit

HALIFAX (CP)—Halifax Atlantics, Maritime Major Hockey League and Canadian major hockey champions, showed a profit for the first time, club officials report.

The Atlantics, playing under a new coach Dugger McNeil, romped through the regular league schedule and defeated Charlottetown Islanders in the finals.

The club gave each player a \$100 bonus and returned all fines imposed by them during the season.

McNeil, who came to Halifax through Frank Selk hockey championships, has been offered a contract for next season.

Baseball Schedule; Probable Pitchers

NEW YORK (AP)—Probable pitchers for Wednesday's major league games.

National League
Brooklyn at Chicago, Podres (0-2) vs. Hacker (1-4).
Pittsburgh at Cincinnati, Lindell (2-2) or Pollett (1-1) vs. Johnson (0-0).
New York at Milwaukee, Kosio (0-2) vs. Spain (2-1) or Antonelli (2-1).
Philadelphia at St. Louis (night), Roberts (3-2) vs. Haddix (3-2).

American League
Cleveland at New York, Garcia (2-1) vs. Lopat (2-0).
St. Louis at Philadelphia (night), Piatek (1-1) vs. Keller (4-2).
Detroit at Washington (night), Gray (0-3) vs. Shea (1-0).
Chicago at Boston, Parnieles (2-0) vs. Grissom (1-2).

Halifax Team Takes Lead In Bowling Tourney

Halifax (CP)—Halifax Conn-Martell held a three point lead Tuesday night at the half-way mark of the four day Nova Scotia-Prince Edward Island Bowling Tournament. Conn-Martell with 23 wins and six losses were closely followed by Dartmouth Beazley's and Halifax Independents each with 23-9 records. 16 teams are competing.

New Waterford were third with a 20-12 record. Halifax Rookies fourth and fifth position was divided among three teams Halifax Independents, Bedford and New Glasgow.

Truro placed sixth and seventh spot was shared by Charlottetown All Stars, Sydney Post Record and Yarmouth followed closely by Camp Hill, Veterans, Halifax Postal Services, Sydney Commercial and Y.M.H.A.

Ace Garrison was high man with a single string score of 151 for the Independents and New Glasgow had high pin-fall for the day-1801-19 off the record held by Dartmouth and the Halifax Imperials.

SNAP SHOT FINISHING

Rolls of film developed and printed. 24 hour service. Double size prints. Any roll of 35 exposure only 10 cents. Reprints 4 cents each. Mail Film Service, P. O. Box 11, Charlottetown.

LITTLE SPORT

Prospects of the Harry Poulton-Yvon Durelle championship fight being held in Charlottetown looked rather dim yesterday. Dode Dealy, Durelle's manager told local officials that he had given his word to New Glasgow promoters and that as far as he was concerned the fight would be held there. Island officials wired Durelle last night concerning the matter and expect a reply from him today confirming the site of the fight.

Tonight at Summerside the second meeting of the Island Baseball League will be held. The matters of a schedule and umpires will come in for consideration and there may be some debate over last week's ruling regarding Charlottetown's ball players. Maritime Central Airways officials are displeased with the present regulations which prevent them from using any city players unless these players are not required by the Abergweit Club.

As a result of the Quebec Senior Hockey League's decision to turn professional, the famed Jean Beliveau of the Quebec Aces will be in the driver's seat when it comes to talking terms for a hockey contract next year. Beliveau will no longer be subject to the N.H.L. draft clause now that the Q.S.H.L. has gone pro and is free to choose between playing for the Aces and the Montreal Canadiens or any other N.H.L. Club. It is likely that the Quebec teams took this into consideration when they pondered the matter of going professional. Beliveau's presence with the Aces could insure full houses for Quebec League teams for the next decade.

Beliveau's position is now an enviable one. The Aces are reported ready to offer him a \$100,000 contract for the next five years. Le Gros Bill wants a long term contract for his hockey services and it would seem that if the Canadiens are to get him they will have to offer him a monumental contract. The only thing that will bring Beliveau into the big time is the glamour of playing in the N.H.L. and on a team and possibly a line with "Rocket" Richard. Beliveau is selected to join the Canadiens. It seems likely that he will be centering the Rocket. That way the Rocket should have another four or five very productive years left in his system.

The Maritime Major Hockey League representative at the annual meeting of the C. A. H. A. now underway at Niagara Falls is Chris McAlden of Halifax. McAlden, who is secretary-treasurer of the league, was selected instead of President J. Elliott Hudson by a vote of the clubs. The selection, a deliberate snub of Judge Hudson, was a rather selfish one by the clubs who annually vote the Judge in as their president and expect him to shoulder the league burdens with absolutely no reward in the way of a salary or otherwise.

McAlden was sent to the meeting by a three to one vote. Grace Bay, Sydney and Halifax voted for him while Charlottetown voted that Judge Hudson represent the League. Yet each time when it comes to an annual meeting these same clubs vote Judge Hudson in as president and McAlden as secretary-treasurer. They vote McAlden a salary of \$500 a year and Judge Hudson nothing. Last year at a special meeting the matter of a salary for the League President cropped up and was flatly dismissed by the delegates.

We have nothing but the highest respect for Mr. McAlden's ability as secretary of the League and well know that he can capably represent the League at the C.A.H.A. meeting. Yet we know that Judge Hudson could just as capably represent the League and feel that it was nothing but a very small and selfish attitude on the part of the other three clubs to so rebuke him. We might also say that Judge Hudson has made a better job of running the league than some of the clubs have of managing their own affairs.

Last of Three DiMaggios To Quit Baseball

BOSTON (AP)—Dom DiMaggio, veteran Boston Red Sox centerfielder and the last of the three DiMaggio brothers in major league baseball, announced his retirement Tuesday night.

Shortly before the Red Sox-Chicago White Sox game, DiMaggio said in a statement:

"As of this date, May 12, 1953, I have voluntarily retired from baseball.

"I want it perfectly understood

Ambitious Track And Field Program Planned; Expected To Boost Sport

(By Jack Sullivan)

(Canadian Press Staff Writer)
TORONTO (CP)—An ambitious track and field plan to encourage and promote the sport in all provinces from Newfoundland to British Columbia was created Tuesday. It could herald a return to the lush days of the 20's and 30's when the country's athletes competed even terms with the world's best.

The scheme, called the "Canadian Olympic training plan," was launched at a press luncheon by Canadian National Exhibition, provincial, civic and national amateur sports leaders. It received the blessing of the Canadian Olympic Association, British Empire Games committee and the Amateur Athletic Union.

The plan, proposed a year ago by CNE president J. A. Northey, details annual provincial championships and a Dominion meet. The first Canada-wide meet will be held Sept. 5 on the regulation quarter-mile CNE track here with athletes from every province represented.

Provincial Dominion meets will be held on the same track. Officials announced an initial contribution of \$20,000 has been received from anonymous "angels" to start operations at once. This money will be used to bring competitors and coaches from all provinces here and to receive coaching from a leading British

Charlottetown Curling Club Annual Meeting

W. R. (Bill) MacNeill was elected president of the Charlottetown Curling Club last night to succeed the retiring president, James Burden. The election took place at the annual meeting of the Curling Club which was held in the Club banquet room and attended by a good representation of members.

The new vice-president is J. J. Morris. Dr. J. C. Gallant was re-elected as secretary and R. A. Parker was elected treasurer.

Following are the chairmen of the various committees: Games, Louis Turner; ice, Andrew Bagnall; property (ways and means), Elmer MacDonald; membership, J. J. Morris; entertainment, H. R. Bevan.

Four new directors were appointed at last night's meeting and two were re-appointed. Newcomers to the directorate include J. J. Morris, R. A. Parker, Andrew Bagnall and L. W. Turner. Elmer MacDonald and Dr. J. C. Gallant were re-nominated.

The president, Mr. Burden, presided over the meeting and presented an excellent report of the year's activities. Mr. Burden complimented the various committee chairmen and their members for the manner in which they carried out their work throughout the season. He also paid tribute to the ice maker, Leo Victor for doing a good job.

The secretary's report was read by Dr. J. C. Gallant.

Plan Invitation Bospital

A Maritime Invitation Bospital will probably be held here next March during the week of the British Consols playdowns. The suggestion was made by Dr. Wendell MacDonald. Teams eligible to compete in the playdowns will be those who participated in the Provincial play-offs for the right to represent the Maritime Provinces in the Invitation Bospital.

Dr. MacDonald stated that there was too much emphasis being placed on the Macdonald Bries playdowns for the good of curling. According to his plan about 25 teams will have a chance to compete in a Maritime competition.

Dr. MacDonald was appointed chairman of a committee to make arrangements for such a meet and Finlay MacLeod was appointed a committee man to assist him.

The financial statement read by the treasurer, Danny O'Rourke, showed a net profit for the year of \$2,456.47 and it marked the first time in nearly a decade that the club was able to come up with a

profit.

Mr. O'Rourke, as did other Club members, paid warm tribute to the work of Elmer MacDonald, Dr. J. C. Gallant and Clifford Macdonald in making it possible for the Club to accumulate \$10,000.

The three men are members of the club and Mr. O'Rourke is chairman of which Elmer MacDonald is chairman.

Their work was considered all the more outstanding in view of the fact that the Club usually completes the season's operations with a deficit of \$400 or more. In 1952 for example the Club lost well over \$400.

As a reward for their tireless and successful efforts the three men were unanimously re-elected by the members for another term of office and a number of recommendations they suggested for the renovation of the building were accepted.

They asked for a new furnace and the re-modelling of the club rooms and they were empowered to improve the Club building to an expense not greater than \$2,500. Mr. Elmer MacDonald stated that expenditures would not exceed \$2,000.

According to plans a new hardwood floor will be laid in the banquet room. A large arch-way will be put in the south wall of the banquet room and a card room for the men will be established upstairs.

The present stairway to the banquet room will be removed and a new one built. New improved downstair stairs.

Lockers will also be provided for the members at a cost of \$200 per year. A circular letter will be sent to each member to determine if they wish to hire a locker for the season.

Committee reports were given by following: Ice committee, Mr. W. R. Jenkins; games, W. J. Neill; property, Roy Bevan (read by Danny O'Rourke); membership, Ralph Jones; treasurer, Danny O'Rourke; ways and means, Elmer MacDonald; entertainment, Dr. J. C. Gallant.

During the meeting William Beer presented the Rendezvous Trophy to the team members winning the first year curling championship. Team members were Dawson Peters, Walter Goss, Alfred Cordell and Jimmy Cameron.

St. Joseph's Win Basketball Series

(By Jack Sullivan)

The Saint Joseph's Convent basketball team defeated Notre Dame 32-27 last night to win a best of three hoop series between the convents in two straight games. The games were played in the Holy Name Hall.

St. Joseph's won last night's game in the second half by outscoring their opponents 13-8. The teams were tied 19-19 at the end of the first half.

M. Cummiskey was high scorer for the winners with 13 points followed by D. Quinn with eight. P. Gillis scored 13 points for Notre Dame and J. Bevan six.

The referee was Wendell Gillis. Lineups:

St. Joseph's—J. Gallant 4, P. Stanley, S. Burke 3, D. Quinn 8, M. Mullin 4, M. Cummiskey 13, Total 32.

Notre Dame—P. Gillis 13, J. Bevan 6, Murphy 4, E. Brown, K. Jay 4, D. Connelly, Total 27.

Baseball Practice This Afternoon

A baseball practice for a number of junior ball players will be held by the Abbies on the Old Diamond at 3:30 this afternoon. Because of the large number who turned out Monday evening the players are being divided into groups as there are too many players to handle at one practice.

Another group of players will be asked to attend a practice tomorrow or Friday evening. Any players who can't attend this evening group following are the players who will practice this evening.

Donnie LeClair, Rollie Lee, Mark Ladner, George Ward, Plus MacInnis, Jim Gill, Leo Duffy, Roger MacLeod, Ronnie Stanley, MacQuarrie, Billy Hughes, Merrill Pineson, David MacLeod, Brian MacCallum, Jack Turner, Jack Russell, Bobby Lund.

Improvement In Juvenile Delinquency

OTTAWA (CP)—The number of juvenile delinquents in Canada was almost cut to half between 1942 and 1951, a Bureau of Statistics report showed last week.

In 1942, the number of delinquent boys per 100,000 population was 1,091, while the number of girls was 110 per 100,000. Figures for 1951 showed the rate was 553 for boys and 58 for girls.

Some 7,521 children appeared before courts in the 10 provinces on charges of delinquency in 1951 compared with 7,304 in nine provinces in 1950. The inclusion of Newfoundland in 1951 accounted for 194 of the 217 additional cases.

Although slightly higher than in either 1950 or 1949, the 1951 total was substantially lower than in any other year of the last quarter-century, the report said.

Of the children appearing in court in 1951, a total of 6,844 or 88.3 per cent were found delinquent compared with 6,418 or 87.9 per cent a year earlier.

Marciano And Walcott Finish Heavy Training For Friday's Title Bout

(By Jack Hand)

CHICAGO (AP)—Heavyweight king Rocky Marciano and ex-champ Jersey Walcott finished the heavy work Tuesday for Friday's 15-round title rematch at Chicago Stadium.

Because of the one-month postponement due to Marciano's nose injury, it has been a long training grind for both principals. All hands concerned were anxious to get down to business.

Nobody has been breaking down any doors trying to buy \$50 tickets but interest in the match seems to be picking up. The customers' early indifference was attributed to the high ring-side tab and the severe lull when the Chuck Davey balloon burst against Kid Gavilan.

Tommy King of the International Boxing Club's publicity department reported \$356,000 in cash already in. The IBC probably will settle for a \$500,000 gate, plus the \$300,000 extra for radio-TV with the Chicago area blacked out on TV.

Yankees' Whitey Ford Close To No-Hitter

(By The Canadian Press)

A rival pitcher and an official scorer combined to rob New York Yankees' Whitey Ford of a no-hitter Tuesday night.

Cleveland's Ernie Wynn hit a dribbler down the third-base line in the sixth inning that eluded the charging Ford. Third-baseman Gil McDougald grabbed at the ball but it slipped from his grasp.

The scorer ruled that Wynn would have reached first base even if the ball had been fielded cleanly and scored the only Cleveland hit as the Indians fell before the Yanks 7-0.

Ford walked five batters but fanned five in his finest showing since his return from the United States Army this spring. He boosted his earned-run average to 0.95, best in the American League, for 38 innings' work in which he has won three games against no defeats.

For Wynn the defeat snapped a 10-game winning streak starting last August and gave him a 3-1 record for the current campaign. The loss also dropped the Tribe two full games behind the league-leading Yankees.

Bobo Holloman, who pitched a no-hitter against Philadelphia in his last start, walked the first three men to face him and then retired with a blister on his pitching hand, but St. Louis Browns went on to whip the Athletics 7-3 with reliever Don Larsen gaining credit for the victory. Bobby Shantz suffered the defeat, yielded 12 hits in six innings.

Chicago yielded 10 runs in less than six innings as Washington Senators pounded Detroit Tigers for a 10-1 setback behind Connie Marrero's six-hitter.

A bases-loaded double by Ferris Fain in the 10th inning gave Chicago White Sox a 9-7 victory over Boston Red Sox. It marked the first time in the long career of Ellis Kinder that he had lost a decision to Chicago after 17 victories.

Philadelphia Phils took over leadership of the National League by a half-game by edging St. Louis Cardinals 6-5 while Brooklyn Dodgers won 10-7 over the Cubs. Chicago Cubs in 11 innings in Tuesday's only daylight game in the major leagues.

Philadelphia Phils took over leadership of the National League by a half-game by edging St. Louis Cardinals 6-5 while Brooklyn Dodgers won 10-7 over the Cubs. Chicago Cubs in 11 innings in Tuesday's only daylight game in the major leagues.

Consider Subsidies For Shipping

OTTAWA (CP)—Transport Minister Chevrier said Tuesday in the Commons that consideration is being given to the question of whether or not there should be subsidies for shipping.

But the minister did not hold out much hope of resuming the federal subsidy system discontinued a few years ago, saying it would cost a "very substantial amount of money."

He said that some time ago the government decided against a subsidy of \$25,000,000 or \$30,000,000 for Canadian deep-sea shipping largely on the grounds that United Kingdom ships should be given the chance to carry to the U. K. goods Canada is selling to that country.

Mr. Chevrier was replying in a debate on his departmental estimates, to suggestions by Howard Green (PC—Vancouver—Quadra) that the government take steps to modernize Canada's deep-sea fleet into fast cargo freighters.

The fleet now consists mostly of about 50 vessels built during the Second World War. Mr. Green said other countries are speeding up and modernizing their merchant navies.

The rich soil of Manchuria produces soy beans, millet, corn, wheat and rice.

Odds Favor Marciano

Despite the 3-to-1 odds favoring Marciano, there was solid optimism in the camp of the 28-year-old Walcott who is trying to become the first man ever to win back the heavyweight title.

Felix Bocchicchio, Walcott's manager, called Jersey Joe "a cinch." He predicted Marciano would come tearing in and be sorry he came in so fast.

At Holland, Mich., Marciano's camp expects the champ to flatten Jersey Joe faster than last time. It took him 13 rounds to get the trick at Philadelphia last September.

In view of the sensational nature of their first match, it was difficult to explain the lopsided odds. Apparently many folks saw judgment that "he'll do it quick." He predicted Marciano would come tearing in and be sorry he came in so fast.

Unless somebody runs into a door in the dark, the fight now looks sure to be held. It can set a record for an indoor fight, breaking the old high of \$422,000 set for the Rocky Graziano-Tony Zale match at the same stadium, July 16, 1947.

Asks Questions Re Insurance On Winnie Anne

OTTAWA (CP)—W. Chester S. McLure (PC-Queens) brought up in the Commons Tuesday night the case of the fishing boat Winnie Anne and the financial tangle that resulted from her sinking.

Mr. McLure questioned Fisheries Minister Sinclair as to why an insurance cheque paid the vessel's skipper after the sinking had been taken by the government. He could understand that the government might want to collect the subsidy that went into the Winnie Anne's building, but he didn't think it should take the whole skipper's department.

Mr. Sinclair said the Winnie Anne had been subsidized and under the subsidy terms must operate five years before the subsidy became an outright grant. She sank three months before the five years were completed.

Mr. Sinclair said the skipper had persuaded the skipper to turn over the insurance cheque to the government. The minister then made representations to the treasury board, the main authority in financial matters.

Mr. Sinclair said he had explained how the Winnie Anne and her crew had expeditiously pursued fishing during the four years and nine months of the ship's life. The treasury board had seen the light and decided there would be no deduction of the subsidy from the skipper's cheque.

Soldiers Guard Storm-Mauled City In Texas

WACO, Tex. (AP)—Thunder boomed a mournful dirge as gunned toward overflying after two days of storm-mauled Waco Tuesday night in the face of a warning that there may be more of the tornadoes which have killed 73 in Texas.

The Brazos river here added its weight to the desperate situation as the usually placid stream surged toward overflowing after two days of wrenching rains. It was feared the river would reach flood stage before morning.

Wary rescue workers in the downtown section tore at two grotesque heaps of rubble as darkness fell for the second time after Monday's deadly storm. This central Texas city's toll reached 65 dead and was still rising.

San Angelo, a west Texas city struck by a twister shortly before Waco was hit, counted its dead at eight.
