Grain

WINNIPEG, Aug. 15— (CP) — Prices were firm today in trading on the Winnipeg Grain Exchange, with local buying in oats and barley stimulated by threats of frost in northern grain-growing regions.

Fair shipper demand appeared in oats and barley futures. While offerings were fair in oats, they struck a liberal tone in barley.

Rye futures followed the trend set by the other grains.

The United Kingdom was allocated 730,000 bushels of wheat while Chile bought 100,000 bushels.

Class two wheat, for export to countries other than the United Kingdom, was unchanged.

Closing Prices:

Oats: Oct 3-4 higher 85 1-2B; Dec. unchanged 79A; May 1-8 lower 79 1-2B.

Barley: Oct 1 7-8 higher 1.25 3-8; Dec. 1 5-8 higher 1.18 3-8; May 1 3-8 higher 1.18 5-8B.

Rye: Oct. 1.7-8 higher 1.46 7-8; Dec 1 7-8 higher 1.45 7-8; May 1 3-8 higher 1.48 1-2B.

Flax: Oct unchanged $3.49B; Dec. unchanged $3.44 Nnt.

CUSTODIAN OF SECURITIES
Administration and Trust Company,
Montreal, Canada.

REGISTRAR AND TRANSFER AGENT
The Royal Trust Company,
Charlottetown and Montreal, Canada.

THE COMPANY

RESOURCES OF CANADA INVESTMENT FUND LTD. is organized as a management investment company, with redeemable shares, which in effect operates a fund for the mutual benefit of its shareholders and has been formed with a view to providing a convenient medium for diversified investment by large and small investors in securities of companies which are engaged in the exploitation and development of the natural resources of Canada, with particular reference to those engaged in the development of the mineral, natural gas and oil resources. In determining its investment policy, the Fund will follow the proven formulae of selection and diversification of investments under the supervision of men who are outstanding in those industries in which the Fund will primarily invest.

Canada abounds in natural resources and as this wealth is developed on an ever-expanding scale, there are afforded opportunities for capital appreciation in the securities of companies benefiting therefrom.

It is considered that the shares of the Fund constitute a desirable medium for investment for those who may seek appreciation in capital and stability of income through a well diversified participation in the development of Canada's natural resources.

INVESTMENT RESTRICTIONS

Investment restrictions of the Fund in brief are as follows:—

Securities will not be purchased on margin or sold short.

Securities will not be purchased unless approved for investment by the Board of Directors and in order to be so approved they must be traded in on recognized markets. Not more than 5% of its assets shall be invested in the securities of any one corporate issuer except that it may so invest up to 10% of its assets in securities of corporate issuers which have paid dividends without interruption during the preceding three (3) years. It is also the present policy of the Directors that not less than 60% of its assets will be invested in dividend paying securities.

The Fund is prohibited by its Charter from borrowing for the purpose of making investments.

BOARD OF DIRECTORS

The Board of Directors is composed of the following outstanding Canadian businessmen:
