New Air Route Opened By EPA

By DON ANGLUS GANDER, Nfld. (CP)—Eastern Provincial Airways (EPA) Limited, officially opened a new service between Nova Scotia and New foundland Saturday with an inaugural press flight from Halifax to EPA's head quarters here.

The new route was marked on the airline's large map over the national airport in a brief ceremony before a two-week-end Handley Page Dart Herald lifted off for Sydney, N.S.

The Halifax - Sydney - Gander route is designed by EPA to give better and faster passenger and freight service between Nova Scotia and New-

foundland, and a better connection between international airports at Gander and Halifax airports.

At a dinner Saturday night, EPA President A. J. Lewington, said the additional route pointed to the faith EPA had in the Atlantic region and its economic growth.

He said there was a great need for a private airline in the Atlantic provinces, especially to service developing areas, such as Labrador, with mail, freight and passenger facilities not able to be supplied by surface transportation, at least during most of the year.

Mr. Lewington said EPA was

Alberton District Plans Rally Wed.

ALBERTON — A Centennial rally day for Alberton and surrounding districts comprising Alberton Regional High School will be held this Wednesday with an expected attendance of 700 to 900 children and teachers.

Led by Burke's Pipe Band from Charlottetown the parade will form up at the elementary school at nine o'clock and proceed to the Jacques Cartier Memorial Arena with Herbert Leavitt, master of ceremonies for the day, in charge.

A program at the arena will include the reading of Dr. Coughlin's story by the principal William Cain, presentation of centennial medallions and several other awards, and special entertainment provided by each school taking part in the rally.

During the afternoon there will be a sports program. Alberton Boys' Club will have a canteen on the grounds. The rally is under the direction of Mrs. Leone Ross, Charlottetown, children's events centennial committee.

LA GRANGE IS DEAD
NEW YORK (AP)—Frank C. LaGrange, 70, a member of the New York and American stock exchanges and a leading stock broker specializing in railways, died of a heart attack Saturday in Pennsylvania station.

ACTRESS HAS VIRUS
HOLLYWOOD, Calif. (AP)—Actress Joan Crawford, 56, was admitted to hospital Saturday night, suffering an upper respiratory virus infection. A hospital spokesman described her condition as good and said she would remain under treatment for a few days.

EVERYTHING WAS IN ORDER for this outstanding religious event.

Sunday's tremendous crowd at Charlottetown Driving Park had really put the finishing touches on the work. The Binco crusade which had gone on for one week prior to the Graham rally had met with most gratifying results. However, Sunday's demonstrations of faith had closed out the great program in spectacular fashion.

Mr. Ball felt that everyone involved had benefited greatly by the crusade and he was certain Prince Edward Island churches would see increased attendances following this unique revival.

Boys Club Gets Plaque To Join National Ass'n

ALBERTON BUREAU OF THE GUARDIAN
Alberton boys' club received its membership plaque from Ernest A. Cotton of Moncton, regional representative of the Boys' Clubs of Canada Friday evening. The plaque signifies membership in the national organization.

Official opening of the Boys' Club preceded the presentation. Robert Broderick, president of the adult council, presented, and called upon Mayor Leard to cut the ribbon and declare the club open.

Inside the clubroom Rev. Gerald Steele addressed the large gathering of members and visitors. Tracing the story of a local club he told how he had met Mr. Cotton while attending

a conference on rural development held last year at the Atlantic Christian Training Centre in Tatamagouche.

After returning home he recalled the conversation about boys' clubs and was convinced that such an organization would be good for Alberton. Father Steele consulted with Rev. David MacDonald and soon the club was a reality.

THOSE RESPONSIBLE
Father Steele expressed appreciation to the Rebekah Lodge members who permitted use at their hall free of charge, to the town who paid for fuel, to Leo McDougall, Gary Black, Raju Gopal, Robert Broderick and Alva MacAuliff for leadership, to the Legion and all others who had given support.

He made special mention of Mr. Gopal who had drawn up a constitution, done much work on the program and assisted the boys in community service which has included painting

poles and hanging flower baskets in the streets.

An election of officers for the boys' council resulted in Larry McDougall being chosen president and Ivan O'Meara vice-president.

Mr. Gopal outlined some of the characteristics of a boy's nature, his wants and desires. At the conclusion he suggested putting oneself in a boy's place and trying to feel as he does.

ADULT SUPPORT
Mr. Cotton described a boys' club as "the most inclusive club in town." Anyone can join, he said. A boys' club has an open door to all boys regardless of creed, color or condition. But, he continued, the club will never be successful unless the adults get behind it with guidance and financial support.

He mentioned that there are 80 boys' clubs in Canada and that in the Maritimes they have had tremendous growth in the past six months.

He concluded, "Boys are alike all over the country. They are ready to render service — just as much in Alberton as anywhere else. Given an opportunity, youth will not let us down."

Selections of music during the program included guitar music by Keith Broderick and Claude Frederickson, and a vocal solo by John McKinnon.

Charlottetown Welcomes

THE ROTARY DISTRICT CONFERENCE

In 1964 the Province of Prince Edward Island is celebrating one of the most important dates in Canadian history—the 100th anniversary of the first Confederation Conference of Canada.

The high adventure of Confederation was embarked upon in Charlottetown on September 1st, 1864. Top statesmen from Upper and Lower Canada joined with leaders from Canada's seaside colonies, who were actually gathered to discuss Maritime Union, and steered the deliberations in the direction of a broader union. The proposal resulted in the joining, three years later, of all British North American colonies into one vast Federal entity stretching from the Atlantic to the Pacific Oceans. Thus was born the Dominion of Canada.

On a bronze mural in historic Confederation Chamber in Charlottetown the spirit of the Fathers of Confederation meeting is captured by the following phrase inscribed thereon: "PROVIDENCE BEING THEIR GUIDE THEY BUILT BETTER THAN THEY KNEW"
