Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, April 21—There is no additional adverse news from Europe thus far today. Foreign exrhanges continue the same as they have been for the last week. The London market is quiet.

Automobile production was sharply higher last year, reaching the best levels since the week ended July 27, 1929. Department Store business in the metropolitan area of New York in period from April 1 to 15th increased 12.8 per cent over the corresponding period of last year.

Dividend meetings scheduled for today are Campbell Wyant, Dow Chemical, and National Biscuit.

Although the French elections are scheduled to take place this coming Sunday and the President's scheduled to speak Saturday in New York we are of the opinion that chances favor a rally today even though it might be of minor proportions. For these willing to try for a short turn we would suggest such stocks as General Motors, Std. Oil of New Jersey, Loew's Incorp. and others.

TORONTO, April 21—Greene Stabelle—J. E. Hammell, President of Greene Stabelle Mines Ltd. returning yesterday after extended holiday lost no time in laying rumors of a proposed reorganization of Greene Stabelle. No reorganization is contemplated he declared. I figure on getting my money back with interest of 6 per cent from the earnings of the company. If the new discoveries turn out to be as good there will be plenty of funds available to pay off not only the debts of the company but to meet $250,000 option price of the ground to Stabelle Lake Gold Mines as well.

MINING

(Canadian Press)

TORONTO, April 21—Senior golds had their strongest day in many weeks on the Toronto mining market, gains ranging up to 1 1-8. Buying was touched off by the bonus voted by Dome. The cheaper golds displayed more heaviness than strength and losses out-numbered gains in other groups also. Miscellaneous mines showed a loss of a point in the index and the gold share indicator recorded mild improvement. Volume was off a half million shares from Monday to 764,000.

Dome touched 48 1-2, its best price in two months. The close at 48 was up an even point. McIntyre added 1 1-8, Lake Shore 1-4, Wright Hargreaves 15 cents and Teck Hughes 5 cents. Pickle Crow closed at 6.70, up 5 and Little Long Lac 10 cents higher at 6.80. Hollinger failed to respond to Dome's leadership, dropping 3-8 and Pioneer was off 5 cents.

Base metal stocks attracted less attention and the group posted more losses than gains. Noranda weakened 1-8 and Hudson Bay 1-2.

NEW YORK, April 21—The pound sterling lost 1-4 cent at $4.93 7-8 on the foreign exchange market today while the Canadian dollar at 99 1-2 cents and the French gold franc at 6.59 1-8 held unchanged.

PYGMY FEEDS GIANT . . . It's part of Imperial Oil's job to fuel mighty liners calling at Canadian ports. Here is one of the smaller Imperial Oil tankers on the job transferring its precious load of liquid power.

SHE'LL BE COMIN' THRU THE MOUNTAIN . . . It takes more than a mountain to stop a Canadian railroad train. Sometimes it goes around or up—sometimes it goes right through. Good lubricants are needed to keep those wheels humming—Imperial lubricants.

FLOATING SERVICE STATION . . . (left) A familiar sight in Vancouver's world famous harbour is this marine supply depot which makes Imperial Oil products conveniently available to power boats, large and small. You'll see it if you are one of the fortunate thousands who will visit Vancouver this year to help celebrate the Fiftieth Anniversary of B.C.'s metropolis.

"YES SIR, I'LL DO THE WHOLE JOB" . . . It's the smiling chap in the Imperial uniform speaking. He's talking about that Spring change-over job every motorist has to have done sometime, somewhere. New, clean, summer oil and grease for old, thin, dirty, winter stuff. Have you had YOUR car put in tune with Spring, yet? Your nearest Imperial Oil Station or dealer will give you quick service, finest products.
