Remember in Purchasing That the Action of A piano is Its Very Life and Soul

More attention is paid to the inside of a Heintzman Piano, than to the outward appearance. A heavy carved fancy case is all right in ornamental furniturs, but a piano with

The Best Action In The World

which is the Wesel Nickel & Guss of New York, the only kind used in a Heintzman Piano, insures you that the inside contains only the choicest material and the Highest Skill in workmanship that the world can produce.

The outside appearance of a Heintzman Piano is always neat, durable and Attractive. Our prices for a Heintzman Piano, are no higher than those of other makers.
