NEW YORK

NEW YORK (AP)—Despite some sharp profit-taking, the stock market pushed stubbornly ahead Tuesday to record levels.

Steels rose as a group on published reports the United Steelworkers Union might consider extension of the present strike deadline beyond May 1.

Selected industrials carried the ball for the rest of the advance. Rails and utilities did very little as groups.

The Dow Jones industrial average rose 1.65 to a record 908.01.

It was the fifth straight daily market advance and the wobbly action of a variety of key stocks seemed to indicate either the rise was tiring or that the market was going through another of its familiar phases of "self correction."

Volume rose to 6,700,000 shares from 6,060,000 Monday.

The Associated Press average of 60 stocks rose .4 to a high of 339.2.

RCA rose ¾ to 35¾.

General Motors, up 1 at 107⅝ chalked up high as the directors meeting approached. Some investors hope for a stock split.

General Dynamics rose 2 to 39⅞ on news that it had received its first production contract for F-111 fighter-bombers.

International Nickel gained ½. Up ⅛ were Canadian Pacific, Distillers Seagrams, Dome Mines and Walker-Gooderham.

Prices were irregularly lower on the American Stock Exchange. Scurry Rainbow Oil gained ½. Brazilian Traction lost ¼.
