A MAN named William McCallum, hauling logs in the woods, at Hastings, Cumberland, N. S., a few days ago, was killed by a tree felled by another man. His brother and a horse had a narrow escape at the time, the tree falling within two feet of them. An inquest was held and a verdict of accidental death returned.

THE body of a man, aged 24, named Jacob Henofohy, was found frozen stiff, lying on the road about eight miles from Morrisburg, Ont., on the morning of the 28th ult. From the appearance of the clothing foul play is suspected. He left home in company with another young man, and when found his hat and overcoat were missing.

SIX new members were introduced at the meeting of Parliament. All were Liberal-Conservatives,—two of them coming from constituencies formerly represented by Grits. It was no wonder that Mr. Blake was ill-natured, petty, personal, and abusive. Brother Edward sees 1887 approaching, and no gleam of daylight for him. Men in his position usually are ill-natured.—*Hx. Herald.*

IT is beyond all doubt that "Myrtle Navy" is the favorite tobacco with the smokers of Canada. They obtain more enjoyment from it than from any other tobacco made, and those of them who have used it long enough to tests its merits never abandon it for any other brand. The reason of this preference is that the "Myrtle Navy" is made of the very finest leaf which is grown and that in every process of its manufacture the most vigilant care is exercised to preserve the genuine aroma of the leaf.

ST. GEORGE'S Literary and Dramatic Club met last evening in the Room over the offices of Messrs. Warburton & Smallwood, Cameron Block. Mr. R. R. Messervey, Secy.-Treas.

DOMINION PARLIAMENT

HOUSE OF COMMONS.

NEW BILLS.

Hon. Mr. Thompson Makes a Good Impression.

Sir Richard Surprised.

Grit Sympathy with Rielites.

OTTAWA, March 3.

The House met at 3 15; and, after petitions, several bills were introduced, among them two Government measures—An Act in reference to the revised statutes and an Act to regulate the transfer of land in the Northwest. These were both introduced by Hon. Mr. Thompson with explanatory speeches, which by their clearness, conciseness and comprehensiveness recommended both the bills and the Minister to the House.

Mr. Coursol moved that the three members whose names were not included in the Government list of members for the several committees should be put on the committees.

Sir Hector Langevin said the Government had no objection, but proposed to amend the motion by adding to the Committees several other names. The Opposition were warm in their sympathy with the men who deserted the Government because it allowed Riel to be hanged.

In answer to Cartwright, Sir A. P. Caron said the amount which had been paid from 1st July, 1885, to 1st March, 1886, on account of the recent rebellion in the Northwest was $2,000,286.

Sir Richard Cartwright, who has been prophesying an expenditure of at least ten millions, was surprised at the smallness of the amount.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. [feb 4 eod wkly
