SEMINARY FOR YOUNG LADIES.

HALIFAX, N. S.

DE LESPESSE, announces that he will start
for Panama early in December.

The London "Telegraph" says: "The
mission at Vienna of Baring and Delin-
nieres, recently appointed comptrollers of
the Egyptian finances, has failed. The
failure may seriously compromise the action
of France and England in Egypt. Thus
the first result of the recent Austro-Ger-
man alliance is opposition to the settle-
ment of Egyptian affairs. The resistance
of the great question is attributable to the
same cause."

A Grand Haven, Michigan, despatch says
that the wind is blowing hard from the
Northwest, rendering it impossible to re-
move the cargo of the wrecked steamer
"Amazon," which will probably go to
pieces. Six thousand barrels of flour are
aboard.

Mr. Bonner sold by action at New York,
yesterday, a large number of trotting horses.
Over 3000 persons attended, including
many breeders and sportsmen. Most of the
horses sold for low figures.

The tug "Daniel Brown" exploded in
East River, New York, on Wednesday;
loss \$15,000. The engineer George Coons,
and Cook, John Stewart, the former scalded,
were picked up from the river. The
fireman Wm Vandeker and a deck hand
named Daniel Harvilland have not been
found and are probably killed.

An Alexandria correspondent reports that
Cleopatra's needle, while being removed for
shipment to the United States was seized
by the creditors of the Egyptian govern-
ment.

Charles L. Peterson, a real estate agent
was shot dead at San Francisco by garrot-

ters early yesterday morning near the
United States Mint. The murderers es-
caped.

W. H. Henderson, commercial editor of
the San Francisco Chronicle, shot himself
twice in the head on Wednesday afternoon
in the Arion saloon on Kearney street.
His wounds are probably fatal.

A barge grounded in the river above
Sacramento, Cal., Wednesday morning.
On attempting to get her off the capstan
broke, badly wounding Pilot Stanley and
killing two deck hands.

The manager of the team of the London
kycycling Club, who is now in Boston, has
issued a challenge for a bicycle contest be-
tween the team of Englishmen and French-
men, either collectively or individually,
against any team or single persons that

NEWS BY TELEGRAPH.

THE QUEBEC GOVERNMENT DE-
FEATED.

QUEBEC, Oct. 29.

This afternoon, so far, only two speakers
have had the floor.

Hon. D. A. Ross resumed the debate,
on motion of Lynch, blaming the Legisla-
tive Council for the dead-lock, and show-
ing that a coalition was impossible with the
present opposition, until they should have
disavowed such measures as the railway
and tax bill and Levisse's Kennebec swin-
dle.

Mr. Mercier followed, strongly condemn-
ing those who had deserted their party and
whom he styled cowards and traitors, and
concluded by moving at 3.46, a sub-amend-
ment to Lynch's motion for an address to
the Queen for the necessary amendments
to the British North America Act to pro-
vide for the abolition of the Legislative
Council.

At 4.40 p. m. a vote was taken on
Lynch's amendment, and the Government
defeated by a vote of 28 to 35.

Messrs. Chauveau, Paquet, Flynn, For-
tin, and Raicot voted against the Govern-
ment.

HISSING THE LORD MAYOR.

LONDON, Oct. 29.

In the Lord Mayor's Court at the Mansion
House to-day, at the conclusion of the case
wherein a bookseller was summoned for ex-
posing photographs of semi-nude Zulus, the
summons having been dismissed Alderman
Nottage, who is a director of the London
Stereotypical and Photographing Company,
which printed the photographs, arose and
said:

"On last Thursday, when I was not
here—"

The Lord Mayor interrupted him and
said: "I cannot allow you to address the
Court."

Cries of "Shame," accompanied by
hisses and uproar.

Alderman Nottage—"I insist upon my
right as a magistrate to be heard here,
(loud applause.)"

Lord Mayor—"Officer, do your duty."
(Hisses.)

Alderman Nottage—"I repeat I insist
upon my right to be heard in reply to the
observations you made behind my back last
Thursday." (Applause and a voice—"Speak
to the reporters.")

At this point the Lord Mayor left court
amidst loud groans, hisses and cries of
shame.

Alderman Nottage—"The Lord Mayor
has been pleased to say that he would scorn
to take the profit out of such indecent
stuff."

The Lord Mayor, returning, ordered the
court to be cleared.

A scene of wild confusion and tumult
ensued.

Alderman Nottage—"Should you decline
to hear me, and you are supposed to be dis-
pensing justice from that chair, I impeach
you in the name of the citizens of London
with having brought discredit on your
office, and with having violated the duty
which belongs to that ancient chair."

The Court was then cleared amidst
groans, cheers, hisses and cries of shame
and great uproar and excitement.

CONDENSED DESPATCHES.

The capture of the Peruvian ironclad
"Huascar" by the Chilians is confirmed.

A Paris despatch says indications fore-
shadow the fall of the Waddington Min-
istry.

The Hungarian budget has produced a
favorable impression—so says a Vienna des-
patch.

The Peace Congress at Naples abruptly
broke up on Saturday in confusion, as the
members could not agree.

THE BUTTER MARKET.

The Montreal Gazette says that up to the
present this has been an almost unprece-
dented fall for the brisk movement of dairy
produce. In New York fine dairy has been
sold for export at 25c., and a sharp advance
has taken place in Chicago. Fresh orders
from England were received by cable in
Montreal on Monday, and values are rising.
Since the first of January up to Monday
the receipts of butter in Montreal foot up
to 187,716 packages as compared with 130-
160 packages for the corresponding time
last year. The shipments during the same
period were 179,050 packages against 127-
729 in 1878. Good to fine qualities of dairy
butter, which are now worth at Montreal
from 20c. to 24c., with an active enquiry,
were only in moderate request last Octo-
ber at 14c. to 16c.

A CORNER IN PORK.

A successful corner in October pork has
been manipulated by some of the large
Chicago packers, who have put up the price
to \$13 per barrel, being an advance of \$3.15
from the first of October. This has, of
course, sent up futures, which packers are
anxious sellers of, expecting to buy in later
on a considerable reduction. The new
packing season commences on November
1st, from which date the hog supply in
Chicago is expected to increase rapidly.

POTATOES IN ENGLAND.

A cargo of Quebec potatoes recently
brought 90 cents a bushel in England.

THE HORSE MARKET.

MONTEAL, Oct. 27.—A very fair busi-
ness has been done in horseflesh during the

791,000 as compared with the previous
week of 154 horses costing \$11,133,30.

000; 16 do, \$810. October 21, one horse,
