Miners Come From Behind To Tie Atlantics 3 - 3 In Overtime Encounter

GLACE BAY, N. S. Nov 20 — (CP) — Glace Bay Miners came from behind with two-third period goals tonight and battled Halifax Atlantics to a 3-3 overtime tie in a nip-and-tuck Maritime Major Hockey encounter.

Muckle Hollett speedy little Atlantics forward, led the scoring pace with two goals—one just past the mid-way mark of the third period after Miners had gone into a 3-2 lead.

There were no goals and no penalties in the overtime play.

Smart goaltending featured the close-checking game. Roy McMeekin in the Halifax nets kicked out 50 shots from all angles, 19 in the scoreless middle frame when Glace Bay converged on the cage in an effort to tie it up.

Don Lockhart turned aside 38 tries.

The outcome made no difference in the standings of league-leading Atlantics and last place Miners.

Glace Bay opened the scoring at 3:27 of the first period, Gordie Miller beating McMeekin on a combination with Johnny Rayak and Don Keller.

Hollett scored his first on a passing play from Doug McPhee and Bill Goold. McPhee teamed up with Billy Watson for the second.

Miners evened it up with the third period only one minute old, Johnny Myketyn scoring unassisted. Three minutes later Raynak whipped in a pass from Keller which put Glace Bay out in front until Hollett's clincher.

Penalties none affecting the scoring, went to Bill Burega, Bob Hayes and Joe Lepine.

Hawks Defeat Capitals 6-5

FREDERICTON, Nov. 20 —(CP) Moncton Hawks widened their lead over second place Fredericton Capitals to five points, edging Caps 6-5 tonight in a New Brunswick Senior Hockey League fixture.

Hawks built up a 6-2 lead and held on while Fredericton potted three third-period markers. The losers yanked their netminder with 35 seconds left to play and peppered George Allard in the Moncton cage but he held the fort.

Allard starred making 33 saves against 28 by Frank Roper.

Muddy Field Likely For Toronto Game Saturday

TORONTO, Nov. 20 — (CP) — When the 1950 Grey Cup game was played Varsity Stadium was a mud bath.

Similar conditions may prevail Saturday when Hamilton Tiger-Cats meet Toronto Argonauts in the third-game sudden-death Big Four football final. And there isn't a thing anybody can do about it.

The Canadian Rugby Union's $12,000 tarpaulin is at Varsity Stadium — but nestling on the sidelines — and the field, a sea of mud and water in Wednesday's thriller after a heavy downpour, is wide open to the elements. It started to rain late this afternoon and there isn't much hope of a let-up, or even dry winds, tonight or Friday, according to the Weather Bureau.

Stadium officials had a crew of men available to put the tarp down after Wednesday's game but the field was too soggy. "If we put it down then, without giving the field any chance to dry off, it would be a slippery mess," Stadium manager Harry Griffiths explained tonight.

Has Sights On Championship For Senators

WASHINGTON, Nov. 20 —(AP) Clark Griffith turned 83 today and kept his sights set on the future. His goal: another baseball championship for his Washington Senators.

The prospects aren't what you would call bright, but they're a lot better than they fere a year ago, Senators then were generally consigned to a cellar finish in the American League, but they wound up fifth, only two games out of third.

"We could have done a lot better," Griffith observed today. "A couple more players and. . .well, who knows?"

The small talks was sandwiched in between a cascade of birthday wishes and orders from photographers to pose with this or that grandchild. There were 12 in all, and they were all good subject for the photographers.

The well-wishers included people like Chief Justice Fred Vinson and Baseball Commissioner Ford Frick.

All told, there were 180 persons on hand for the celebration, which has become an annual affair at Griffith Stadium. The old gentleman took it all in stride.

LONDON—(CP)—An airliner bound for Nairobi took off twice from London Airport, returning each time after dumping fuel in the channel. A chicken dinner was served to the 42 passengers while a relief plane was called.

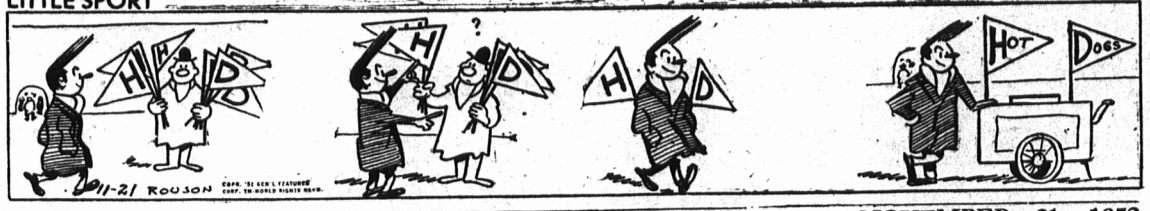
MINERS vs. ISLANDERS

SATURDAY—
Afternoon Skating ..... 3 to 5
Night Skating ..... 8 to 10

LITTLE SPORT — By Rouson



The Islanders are continuing negotiations for high calibre hockey players and it is expected that something definite will be known on at least two players by Monday, it was learned yesterday from coach Murph Chamberlain. One player the Islanders will not be obtaining is Orville Laval from Providence. This marks the second year in a row that Laval came close to playing with the Islanders. Last year Laval along with Andy MacCallum and Roger Bedard were offered to the local club by Terry Reardon for an excessive price. The cheque which Murph Chamberlain sent to Providence for Laval this year will be returned.

• • •

The Islanders checked into Charlottetown about three o'clock yesterday morning following their unsuccessful attempt to reach Sydney for their scheduled game with the Millionaires. The players got as far as New Glasgow by 5:45 p.m. Wednesday and following telephone conversations with Art Lipton, President of the Sydney Millionaires and Chris MacAlden, Secretary-treasurer of the M.M.H.L. decided to turn around and head back for the Island.

• • •

Chamberlain phoned Lipton early in the evening and advised him of the Islanders plight. He estimated that the Islanders could make Sydney by about 10 o'clock if they did not stop to eat. Lipton replied that this was unsatisfactory, for although he knew the Islanders were a good drawing card, he doubted if they could retain any more than 400 or 500 fans in the rink until the Islanders arrived.

• • •

Lipton then suggested that Chamberlain phone McAlden and ask the M.M.H.L. to loan the Sydney Club $900 until the game could be played. Chamberlain got in touch with McAlden who in turn had to confer with some of the executive members on the matter. In a later call McAlden stated the M.M.H.L. could not loan the money but suggested that the best thing to do was cancel the game and for the Islanders to return home.

• • •

Yesterday the Islanders held a workout at three o'clock in preparation for tonight's game against Glace Bay. Buck Whitlock was skating during practise and Don Bellringer took his regular turn on the wing so the Islanders will be at full strength for the contest tonight. With the Miners will be three strangers to local fans in the persons of Johnny Raynak, Pete Backor and Bob Verrier.

Ivan Docherty of Charlottetown had a recent letter from Wes Bucko Trainor in Grand Falls, Newfoundland and in the letter Bucko outlines his hockey work in Canada's newest province. Bucko is concentrating mainly on school and junior hockey although he has the task of rounding up a senior team to compete for the Newfoundland hockey championship. A short time ago he was in contact with Brigadier Bill Reid regarding the possibility of taking a junior team from Charlottetown down to Newfoundland for a series of games.

• • •

In his letter to Docherty, Bucko wrote that "Everything is pretty well organized here and the School League is operating very smoothly. I am in the process of picking a senior team and have only one problem and that is one position which must be filled. The hockey is along intermediate calibre. So far the place has proved very friendly and I hope that I can win a hockey championship for the fans. I have heard some fantastic fish stories which want to make me stay here. The catches have all been by the dozen and the fish from one to five pounds."

• • •

The league leading Halifax Atlantics continue to strengthen their forward lines. The latest addition is a forward by the name of Bob Leek who comes to Halifax from New Westminister Royals. It is expected that he will play his first game in Halifax on Saturday night. The Atlantics are also carrying out negogiations for two more hockey players. Fans will have to rally behind the Boosters Club if the Islanders are to keep step with their Halifax rivals.

• • •

Johnny Morrow may be through playing hockey in Sydney and if he is he will likely be through in the Maritimes. Sydney coach Cliff Roach stated after the Morrow suspension that Johnny did not wish to play any more hockey in Sydney. Morrow was suspended when he refused to pay a fine to League President Judge J. Elliot Hudson. Judging by his performances with Sydney here this year the Millionaires will not suffer for the lack of Morrow's services. Although he spent a long time in hockey circles Johnny never realized that he too could make mistakes.

Decide On Three-Team P.E.I. Basketball League

A three team Prince Edward Island Basketball League will operate this season, it was decided last night at a meeting of basketball people in Prince of Wales College. The three teams in the League will be Saint Dunstan's R.C.A.F. and the Abbies.

Lt. Col. W. J. MacDonald was re-elected President of the newly formed league. Flying Officer Smerdon of Summerside was elected vice president and Earl Nicholson was re-elected secretary treasurer. A representative from each team will act in an executive capacity.

The League will not get underway until after the Christmas holidays. The door is also open for any other team to join the circut and make it a four team loop.

Last year a four team league was in operation. The teams were St. Dunstan's, R.C.A.F., Y.M.C.A., and P.W.C.

An Island Girls League will also be formed. Two teams, the Charlottetown Y.M.C.A. and the Summerside R.C.A.F. had representatives at the meeting and expressed their intentions of playing in a Provincial League.

Attempts will be made to secure one and maybe two more teams from Charlottetown. The Physical Fitness Department will donate a trophy for the team winning the championship.

The question of developing capable referees to handle the Island League games came in for considerable discussion. It was decided that the officials could be developed and it was proposed that a clinic and meetings be held for purposes of training and instruction.

A meeting of coaches, officials and those interested in learning the duties of a referee will be held at the Y.M.C.A. next Tuesday night at 8:30. At this meeting there will be a thorough discussion of the rules and all who are in any way interested should attend.

At a later date these people will meet with Summerside officials for a mutual discussion and interpretation of rules. There are three registered referees at the Summerside Air Station.

Chicago Black Hawks Defeat Boston Bruins 3-1

CHICAGO, Nov. 20 — (AP) — With all the scoring packed into a hysterical third period, Chicago Black Hawks tonight increased their National Hockey League lead with a 3-1 victory over Boston Bruins before 6,870.

The victory was the fourth straight for the surprising Black Hawks who increased their hold on first place to 1 1-2 games.

Boston's league-leading goalie, Jim (Sugar) Henry, worked excellently behind a fine defence until 12:28 of the third period as the two teams tugged through a scoreless battle.

Then, veteran Bill Mosienko from behind the Boston nets passed out to Cal Gardner who feinted and beat Henry for the first goal of the game. Twenty-one seconds later, Gus Bodnar converted George Gee's rebound into a second Chicago goal.

At 14:37, 35-year-old Woody Dumart turned Bill Quackenbush's pass into the initial Boston goal to bring it to 2-1.

But at 18:20, Gus Mortson of the Hawks drew a tripping penalty and Henry was pulled out of the Boston nets as the Bruins held a 6-4 manpower advantage.

The Hawks staged a frenzied defensive display that repeatedly broke up Bruin sorties. The puck was cleared one time after another until, with seven seconds to go at 19:53, McFadden drove one deep from Chicago ice into the open net.

Henry had 24 stops to 23 for Rollins.

See Snarl-Up In Eastern Finals Helping Edmonton

TORONTO, Nov. 20 —CP)—Was that a loud Edmonton chuckle heard in the East today?

It could be when football observers ponder the clobbering and general wear and tear the East's Grey Cup contenders face between now and Nov. 29, date of the autumn classic as a result of the Big Four snarl-up resulting from the Hamilton-Toronto tie.

Tiger-Cats and Argonauts will start their third game in eight days when they cash in the sudden-death, third-game final here Saturday afternoon. Four days later the winner meets Sarnia Imperials, Ontario Rugby Football Union champions, in the second-death eastern final and—if they get past the Imps—they have a date with Eskimos in the cup final three days later. That's five tough games in 14 days.

There's always the possibility in these weird football days that the Imps will knock over the Big Four titleholders. There aren't many folks who will bet on Sarnia, but Imperials, somewhat browned off at losing a scheduled Saturday date probably won't treat the Big Four champs with kid gloves.

Coach Hugh (Red) Douglas of Hamilton-Toronto game won by the Imps who saw Wednesday's Tiger-Cats 27-11 to gain a 33-33 tie on the total-points round and necessitate an unprecedented third game, was miffed at the "deal" given Sarnia.

"We've hundreds of fans who were coming down for the eastern final on Saturday with all arrangements made. Now we play Wednesday and there won't be much of a crowd because people can't always be getting off work in midweek. We're bound to lose money on such a deal and I think it's highly unfair. . ."

Coach Frank Filchock and assistant coach Joe Aguire of Eskimos also saw Wednesday's game and summed up the Grey Cup situation this way: They don't care how often the East teams play before the Grey Cup. And they weren't giving opinions or telling what they had seen at the Wednesday game.

Boosters Club To Step Up Campaign To Procure Funds

The Boosters Club will step up their campaign to procure funds in order to purchase hockey players for the Islanders by establishing an extra wicket at the Forum tonight it has been announced by Club spokesman Bill Boyles.

All those who wish to contribute to the Club may do so by calling at the wicket It has been designed especially to accomodate out-of-town people and those in the City who have not been contacted.

The Club members have been kept very busy during the past several days in their efforts to contact people If there are any sportsminded citizens who would like to help the club members in their work it would be appreciated if they would forward their names to Mr. Boyles.

The sole aim of the Boosters Club is to raise enough money for the purchase of at least two top notch hockey players. These players are needed if the Islanders are to get in the running for the Maritime championship and the only way the money can be obtained at present is through a public drive.

If this drive is successful it will be the only one sponsored by the executive of the Hockey Club this season. The executive is 100 per cent behind the Boosters Club in their campaign and are doing everything possible to make it go over the top.

Comments On Prospects For Coast Baseball

WASHINGTON, Nov. 20 —(AP) Baseball Commissioner Ford Frick said today he's convinced the Pacific Coast will have major league ball some day, but he let it be known he doesn't want any changes executed in a "hit-and run" manner.

"Sure, I'm all for major league ball on the coast," Frick told newsmen. "But I don't want to run the risk of having a club fail."

Here's how the commissioner sized up the situation.

Suppose some big league club, like the St. Louis Browns, wants to move its franchise to Los Angeles. What would happen?

"The club would go broke. It just couldn't meet its expenses."

Frick suggested these possibilities:

1. The major leagues could increase from 8 to 12 members, including West Coast, Texas and perhaps even Rocky Mountain cities.

2. A new major league or two might come into being.

"You'd have to reorganize the whole setup then, but I believe it could be done," Frick said. "You just can't try it on a hit-and-run basis."

Full-Dress Review Of Fleet Planned

LONDON, Nov. 20 —(Reuters)— Scores of ships of the Royal Navy will line up next June to be reviewed by the Queen in a once-in-a-lifetime pageant of the sea.

It was announced in the House of Lords Wednesday that a full-dress review of the fleet will be held off the Portsmouth naval base, probably a few days after the coronation June 2.

The Queen and the Duke of Edinburgh will tour the stately grey lines of battlecraft in a royal yacht. The ceremony will be carried out with all the trappings of naval tradition handed down since the days when Sir Francis Drake whipped the Spanish Armada during the reign of the First Queen Elizabeth.

It is not known what vessel the Queen will use for the review. The royal yacht Victoria and Albert, 43 years old, has been declared unseaworthy.

A new one being built is not expected to be ready in time.

HASTINGS, England—(CP)—Because of rising costs of upkeep Coghurst Hall, built in 1836 by Musgrave Brisco, high sheriff of Sussex, is to be abolished. In Victorian days the semi-tudor mansion was a centre of social life.

Lively Game Expected Here Tonight As Glace Bay Miners Invade Forum

Hub Macey's Red Raiders from Glace Bay will meet the Islanders at the Forum tonight in a Maritime Major Hockey League game and for the Islanders it will be a chance to revenge that 4-0 pasting they suffered at the hands of the Miners last week-end.

The Baymen will show three new faces to local fans this evening and they are Pop Backor, Bob Verrier and Johnny Raynak. All three have joined the Miners since Glace Bay last visited here.

Backor and Raynak have accounted for most of the Bay's scoring in recent weeks. Both played with Shawinigan Falls in the Q. S.-H. L. during the early part of the season.

Bob Verrier is no stranger to followers of Maritime hockey. He earned the name "Bullet Bob" with his bullet like shot when he played in Cape Breton two years ago. Although he did not play the whole schedule that season he was near the top of the league in point scoring totals.

Back with the Islanders tonight will be Buck Whitlock and Don Bellringer. Whitlock suffered a leg injury in Halifax Tuesday night but was out skating during the Islanders practise yesterday afternoon and expected to be able to play by today.

Bellringer, who was late in getting into condition, has been suffering from torn ligaments in his left leg. He played at Halifax Tuesday and will go again tonight.

The Miners last night fought to a 3-3 draw with the Halifax Atlantics in Glace Bay.

Hank Sauer Voted Most Valuable Player In N.L.

By Jack Hand

NEW YORK, Nov. 20 —(AP) — Slugger Hank Sauer of Chicago Cubs was voted most valuable player in the National League today in a photo finish with Robin Roberts of Philadelphia Phillies and Joe Black of Brooklyn Dodgers.

The long ball won for Hemmerin' Hank whose total of 37 home runs and 121 runs batted in offset his .270 batting average. Despite a disastrous September slump, Sauer's slugging feats were judged more valuable to Cubs than Roberts' job of winning 28 games for Phils and Black's brilliant relief work for the pennant-winning Dodgers.

It was the first time since 1938 that the most valuable players in both leagues came from teams that did not win the pennant. Bobby Shantz of Philadelphia A's was named the American League MVP winner last week.

It was a tight fit among the three leaders in the National in both first place votes from the 24-man committee of the Baseball Writers Association and the point total.

Sauer eked out a 15-point margin with 226 points, to Roberts' 211 and Black's 208.

Roberts was the first 28-game winner in the National since Dizzy Dean in 1935.

Black, brilliant Negro rookie, finished with a 15-4 record for Dodgers, working in 56 games for a low earned-run mark of 2.15.

New York's relief ace, Hoyt Wilhelm (15-3) got 133 points for fourth.

Stan Musial of St. Louis, three-time winner in 1943-46-48, drew 127 points for his feat of winning his sixth batting title with a .336 average.

Enos Slaughter, last of the old gas house gang at St. Louis, placed sixth with 92 points on his fine "comeback" season.

Jackie Robinson, Dodger second baseman who won in 1949, had 31 points for seventh place, a notch ahead of two teammates, Snider and Pee Wee Reese, tied for eighth with 29 points.

Roy Campanella, Brooklyn catcher who won the MVP award last year, finished in a 10th place tie with Red Schoendiest, St. Louis second baseman.
