### DAILY CRYPTOQUOTE—Here's how to work it:

AXYDLBAAXE  
LONGBELLOW

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

#### THE CHEERFUL ONE

Naught more contagious will you find  
Than happy cheerfulness of mind.  
—Old Mother Nature

"Whom do you think I saw over in the Green Forest?" Peter Rabbit asked Mrs. Peter as they sat together over in the dear Old Briar-patch.

"I don't know, and what is more I don't care," said little Mrs. Peter. "You had no business over there. Peter had heard that so often that it went in one ear and out the other. 'I saw Welcome Robin,' declared Peter.

"Are you crazy, or is he?" asked Mrs. Peter.

Peter chuckled. "Neither of us is crazy," said he. "It is all because of the berries."

"What in the world have berries to do with it?" exclaimed Mrs. Peter.

"He eats them," said Peter.

"Not this time of year," said Mrs. Peter. "There may be some berries, but not enough for him to live on."

"You wouldn't say that if you went over to the cedar swamp where Welcome Robin is living," retorted Peter. "Those trees are covered with berries, and cousin Jumper says that there have been plenty of berries on the ash trees."
