

Up in a Toy Balloon.

A CHILD SUSPENDED IN MID-AIR AND RESCUED BY A RIFLE SHOT.

At the still hour of midnight had the trump of Gabriel summoned us all to a final worldly reckoning, more excitement, consternation and weeping could not have come over the many good people who were present and witnessed the most wonderful and miraculous escape that ever happened in this or any other country.

By an act of Divine Providence Mr. Charles J. Voorhees, of the Southern Express Company, with a party of gentlemen, was taking a sail. Mr. Voorhees is one of the most expert riflemen in the country, he had on board his Smith & Wesson rifle.

With the prize, all returned to the boats. There sat Mr. Voorhees with a death-like pallor on his countenance, and when told that he had saved the babe unhurt, his tender heart gave way and he wept like a child.

Thus ended a day of the most intense excitement that the oldest inhabitant at this old North Carolina resort ever dreamed or thought of, and may the writer never again witness its like.

DR. BENNETT'S PADS

DEAR DOCTOR,—Just a few lines as promised by me. I am more than pleased with the "Liver Pad" I got from you when in Charlottetown, and can conscientiously say that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me. It removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dullness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public. Believe me, Yours sincerely, FRANK ELLIOTT. DR. BENNETT'S PADS can be had at FRASER & REDDIN'S DRUG STORE, [june 12.]
