SUPER CITIES WALK FOR MS SEPTEMBER 26

Charlottetown will hold its first Super Cities Walk for MS, Sunday, September 26. This year walks will be held in Fredericton, Sydney, St. John's, and in Charlottetown. Since the first Super Cities walk in 1991, more than \$85,000 has been raised for multiple sclerosis.

The Super Cities Walk offers individuals and teams the chance to raise money through pledges, and to compete for some fantastic prizes.

In Charlottetown the Super Cities Walk will be 10 kilometres through downtown Charlottetown, beginning at the Royal Bank on Queen Street and finishing at Peakes Wharf on Water Street. After the walk there will be live entertainment and prize presentations along with plenty of snacks for all participants.

Registration forms are now available by calling the Super Cities Walk Info Line at 566-3622. Register as either a team or individual, either way it'll be a great time for a great cause, Multiple Sclerosis.

THE UPEI THEATRE SOCIETY

If you are interested in the theatre, come to our first meeting on September 20, at 3:30 in Main 020. We need people for all aspects of production, behind the scenes as well as on the stage. You don't need experience, just a little time and enthusiasm.

Every year we mount two performances, a student-run evening of one-act plays in November, and a full-length drama in the Spring. This year's spring production is Mr Pickwick, a Canadian play based on Dickens' novel and directed by Professor Terry Pratt. Auditions for that play will take place in late November, so watch for

notices.

The fall production is up to you. At that first meeting we'll begin taking suggestions for the short plays, and at the end of that week, on Friday the 24th (3:30 in Main 020) we'll decide on the choices, so if you have ideas on what your fellow students would like to see, bring them to one of the meetings; if you can't make the meetings, but would still like to join us, talk to Dr. Shannon Murray, (Main 133, 566-0428), the Theatre Society's Chair.
