We have been mercifully exempted from the fearful disease which has committed such ravages in neighbouring Countries; and the labours of the husbandman have been blessed with an abundant harvest. You will, I am sure, unite with me in gratefully acknowledging the goodness of Divine Providence in these respects, as well as in the many natural advantages that have been bestowed upon this Island.

I sincerely trust that your proceedings will be marked by wisdom and harmony; and I assure you I will be at all times ready to communicate with you, and to unite my best exertions with yours for the general welfare.

VENTRILOQUISM.—If we had not seen a great deal of that sort of thing in our youth, we should have had the same pleasure in witnessing the exhibition of Mr. Flannery in ledgerdemain and ventriloquism, as those whose repeated shouts of laughter and applause testified that they did. He promises a greater treat to-night and to-morrow night.

Holloway's Pills a most Effectual Cure for Dropsy.—Extract of a letter from Edward Rowley, Esq., of the Indian Walk, Tobago, dated April 8th, 1853. "To Professor Holloway.—Sir,—I deem it a duty I owe to you and the public at large, to inform you of a most miraculous recovery from that dreadful disease, dropsy, and which, under God, was effected by the use of your Pills. I was tapped five times in the course of eight months, and skilfully treated by two medical practitioners unsuccessfully, notwithstanding which, in six months your Pills perfectly cured me."

The Great British Quarterlies, and Blackwood's Magazine!

LEONARD SCOTT & CO. New York, continue to Re-publish the following British Periodicals, viz.:

1. The London Quarterly Review (Conservative.)
2. The Edinburgh Review (Whig.)
3. The North British Review (Free Church.)
4. The Westminster Review (Liberal.)
5. Blackwood's Edinburgh Magazine (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the year 1854. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumours of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are in progress for the receipt of early sheets from the British Publishers, by which we shall be able to place *all* our Re-prints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—

	Per an.
For any one of the four Reviews	$3 00
For any two of the four Reviews,	5 00
For any three of the four Reviews,	7 00
For all four of the Reviews,	8 00
For Blackwood's Magazine,	3 00
For Blackwood and three Reviews,	9 00
For Blackwood and the four Reviews,	10 00

Payments to be made in all cases in advance.

They can be received by Mail at a very small additional postage.

The Renowned Remedy!

HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS—A CASE CERTIFIED BY THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor HOLLOWAY,

Dear Sir,—Mrs. Sarah Dixon, of Liquorpond street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules, as to diet, &c, she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly,
(Signed) J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG, AFTER MEDICAL AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated January 12th, 1853.

To Professor HOLLOWAY,

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Oinrment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighborhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Servant,
(Signed) ELIZABETH YEATES.

A DREADFULLY DISEASED ANCLE CURED AFTER BEING GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King-st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines:—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ancle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ancle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which, by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,
(Signed) JOHN SMITH.
Albert Hotel, Great Yarmouth.

SURPRISING CURE OF A BAD BREAST, NERVOUS DEBILITY, AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower Moss-lane, Manchester, dated February 12th, 1853.

To Professor HOLLOWAY,

Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mr. Martha Bell, of Pitt-street, in this town, had been for a considerable time laboring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result; in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, and the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.

I remain dear Sir, yours faithfully,
(Signed) T. FORSTER KER.
