New Classroom Is Opened For Grade Nine And Ten

Souris High settles down to another year of studies and activities. Now that school has begun for another term "we," the students of Souris High, with the cooperation of teachers and trustees wish to make this a special year for all both in studies and activities. All the teachers have returned to their classes in Grades IX, X, XI and XII. A new classroom has been opened for the girls of Grades IX and X from St. Mary's Convent with Rev. Sr. St. Catherine Eleanor as teacher.

Teams were organized: Lions Firemen and Legionnaires. The games should prove interesting this year and special attention will be given to the firemen who have won the championship in the last two years. If they win in three consecutive years they are entitled to the Monseigneur Murray Trophy. Constable L. W. of the R.C.M.P. accepted an invitation to teach gymnastics in the school auditorium and decided to begin when the necessary equipment arrives.
