Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, May 28—British Steel companies have advanced the price of heavy steels for the first time since 1929. On June 15 the U. S. Treasury will offer $2,-000,000,000 in securities, a record peace issue. Terms of the new offering will not be made public until next week. Sterling is higher this morning at $4.98 9-16. Administration's tax plan is not receiving a favorable response in the Senate Finance Committee. It is believed, a vote by the committee will be taken today on a substitute plan proposed by the president. There are a number of important dividend meetings scheduled for today including American Home Products, Babcock and Wilson, Bower Roller Bearing, Electric Autolite, General American Transportation, General Railway Signal, Gillette Safety Razor and U. S. Industrial Alcohol. Market action is still favorable and although yesterday was the fifth successive day of the advance, believe the market will do better subject to minor profit taking. All of the Electric Power and Light issues look higher, also Columbia Gas Elec. Bond and Share, R. H. Macy, May Dept. Stores, Montgomery Ward, New York Central, Southern Pacific and Union Carbide.

McIntyre Porcupine—For the fiscal year ended March 31 last shows net profit $3,952,911 equal to $4.49 per share and compares with net profit of $3,691,676 or $4.63 per share in the year previous.

Paymaster—Extends ore to west may deepen number 5 shaft to 1,-700 foot level paralleling lines indicated.

Greene Stabelle Mines—Word has just been received from Greene Stabelle Mines, Quebec, that the winze from the 450 foot level is now 84 ft on the new north ore. The winze shows commercial ore to its prest depth drifting west in the new ore at the 450 foot level also has shown some interesting values, the report says.

MINING

(Canadian Press)

TORONTO, May 28—Profit-taking hit the junior gold section of the Toronto mining list today and prices crumpled here and there through the list, losses in these more than off-setting a display of strength in the big gold group. The exchange index for the golds dropped about a point and the miscellaneous mines index was off .24 to 129.65. Volume was heavy at 2,628,000 shares.

Preston, Hard Rock and O'Brien were hammered for substantial losses after all had sold at price advances in the early part of the session. From a high of 1.85 Preston broke to 1.31 and closed at 1.32, down 52 cents net. Nearly 300,000 shares of the stock changed hands. Hard Rock trailed with a loss of 25 cents to $2 with $1.85 the day's low for a board lot. O'Brien held better, declining 20 cents net to 2.55. It sold up to 2.90 in the morning. Other sharp declines were, Airways 20 cents, Siscoe 10, Tashota 12 while losses on 3 to 8 cents were boarded for Ventures, San Antonio, Read-Authier, Paymaster, Reno, Sullivan, Canadian Malartic, God's Lake, Gunnar and Kirkland Lake. Buffalo-Ankerite, Wright Hargreaves, Macassa and Castle dropped 9 to 10 cents each.
