UNPARALLELED!

WHAT?

McLeod & McKenzie, Star Merchant Tailors.

MODESTY forbids us (to use a slang phrase) to blow our own horn, and as it is contrary to our opinion (according to the old proverb) when in Rome to do as Rome does, we shall endeavor, as heretofore, to present facts as undeniable as to be beyond the reach of dispute. True, people have gained for themselves a name (not an enviable one) which, to all appearances, served the purpose they had in view. But wisdom dictates, before posing as leaders in the great race for supremacy, that we should look well to the foundation upon which those assertions are based. To throw the mantle of charity over such people is our motto; and instead of revealing to the public gaze, through your columns, the errors into which they have fallen, we will endeavor to lead them gently into the light. That you will acquiesce in what we say, is a foregone conclusion, namely, as Fathers of the trade in this Province we treat the several branches of the trade in this city with the same consideration as a loving parent would his innocent offspring; and to this end we invite such traders to aim high and co-operate in elevating this, the first profession, to the high status to which it is entitled. In the meantime, call and see our handsome goods, in NAPS, MELTONS, SCOTCH TWEEDS, WORSTEDS, etc., made up in the latest styles and cheap.

The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crerar, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molmuc, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killbuck, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

Horse Notes.

NELSON'S VICTORY TO BE INVESTIGATED.

The Boston Herald says: "A prominent horseman, just returned from Kentucky by New York, announced that the president of the National Trotting Association says the Association will investigate the rumors regarding the crookedness of the Balch \$10,000 national stallion race, won by Nelson at Beacon Park last month." Rumors are gaining force that Alcyon did not try in the race. His driver has since been fined for pulling Roy Wilkes.

AXTELL AND SUNOL TO RACE.

When Axtell reaches California a match between him and Sunol would be the sensational turf event of the year. Both fit and well, the race would be worth going to San Francisco to see. Sunol can trot away from Palo Alto at any part of the mile, is what they say at Senator Stanford's ranch.

NELSON AND SUNOL.

No match between Stamboul, 2 14 1/2, and Nelson, 2 14 1/2, has been made. And none will be until Stamboul's leg, hurt while rolling in his stall, is all right. If Budd Doble goes to California with Nelson, as is his present intention, negotiations for a match will be resumed.

A GOOD SEASON'S WORK.

Seven 3-year-olds have beaten 2 20 this season. They are: Axtell, 2 12; Sunol, 2 13 1/2; Lillian Wilkes, 2 17 1/2; Allerton, 2 18 1/2; Faust, 2 18 1/2; Margaret S., 2 19 1/2; and Don Pizarro (pacer), 2 14 1/2.

The Parnell Commission.

MICHAEL DAVITT DELIVERS A LENGTHY SPEECH ON THE DOINGS OF THE LAND LEAGUE.

The Parnell Commission resumed its sittings on the 24th. Joseph Biggar, M. P. for West Cavan, who appeared in his own behalf, addressed the commission. Michael Davitt followed. He read his speech. He declared that, although he was no longer a Fenian, if the condition of Ireland was the same as it was twenty-five years ago, he would be a Fenian again. Some of the aims of the Fenians, he said, had been fulfilled already. The land league, based on the same patriotic spirit, was fast removing the barriers which prevented Great Britain from giving justice to Ireland. The day was fast approaching when Dublin Castle would quietly submit to the fate of the Irish Church. At the very time the Fenian outrages were being committed the Manchester trade commission was in session, and evidence was given before it showing the worst kind of outrages there, for which outrages no one was ever brought to justice. He denied the statement of Patrick Delaney, the convicted dynamiter, who was brought from Ireland to London to testify for the Times, that the amnesty movement was under Fenian control, and accused Delaney of wilful and deliberate perjury. No agent, he declared, had done more to keep alive national antipathy of Irish in America than brutal language made use of by the Times with regard to the extermination of the people of Ireland, resulting from the great famines. Davitt said he had not endorsed Ford's dynamite views, and believed he had converted Ford to constitutional methods. He denied the Times' allegation that he had started crime and outrage, and quoted from the Irish World to show that he had obtained large sums by constitutionally advocating the policy of the league. The funds received from all parts of the world were not from members of the revolutionary societies. He read letters from Germans, Frenchmen, Americans and Englishmen, enclosing funds and urging him to continue to fight on the land question. The commission adjourned.

News Notes.

Charles F. Orris killed his mother and then cut his own throat in Buffalo on Monday night. They formerly lived in Toronto.

The Toronto Globe admits that the Conservatives were able to "hold their own" in Richelieu. It looks that way. The Conservative majority increased from 58 to 334, and is the largest in the history of the county.

It appears that not only a second Pacific railway is on the tapis, namely one via Crow's Nest Pass, but that the Northwest Central have secured financial backing to push their line to the ocean via Battleford and Yellow Head Pass.

The recent customs order relative to coasting has created a stir in British Columbia, but as Canadian vessels were rigidly excluded from like privileges south of the border, the Department issued an order that goods transhipped in bond over United States railways in transit through a Canadian port to a port in British Columbia carrying shall only be done from a port of shipment on British vessels or foreign vessels, which have acquired a right to the coasting trade of Canada.

The first successful blood purifier ever offered to the public was Ayer's Sarsaparilla. Imitators have had their day, but some abandoned the field, while the demand for this incomparable medicine increases year by year, and was never so great as at present.

The annual cost per man in some of the armies of Europe is: £64 in Great Britain, £52 in Austro-Hungary, £46 in Germany, £22 1/2 in Russia. Switzerland comes at the bottom of the list, with an annual cost of only £7 per man.

As a family medicine, Ayer's Pills excel all others. They are suited to every age and being sugar-coated, are easy to take. Though searching and thorough in effect, they are mild and pleasant in action, and their use is attended with no injurious results.

Telegraphic Odds and Ends.

A BUDGET OF GENERAL NEWS FROM ALL PARTS OF THE WORLD.

WINNEPEG, Oct. 20.—Delightful weather has enabled the farmers to do more ploughing and breaking up than has ever been done before. The year's work has been profitable and twenty-five per cent. more land will be put under crop next spring than last.

LONDON, Oct. 25.—Lord Salisbury, replying to a memorial from the Baptist union, says the British consul at Crete, in making enquiries regarding the outrages perpetrated by Turks, found the press reports greatly exaggerated, especially the charge of violating women, which he declared to be without foundation. The consul says the Governor-General of Crete is exerting himself to punish all found guilty of outrages. The Daily News, referring to these statements, says a document more utterly unworthy of an English statesman has seldom been printed. It will delight the Sultan, and might have been written by the Grand Vizier himself. The plea that the report is exaggerated is an admission of most hideous and abominable guilt.

LONDON, Oct. 25.—In the parliamentary election held at Brighton to-day to fill the seat made vacant by the death of Sir Wm. T. Robertson (Conservative), Loder, the Unionist candidate, received 7,132 votes, and Peel, Gladstonian, 4,625. Sir William Tyndal Robertson was elected November, 1886 without opposition. In the previous election the Conservative candidate received 5,963 votes and the Home Rule candidate 2,633.

ATHENS, Oct. 25.—Ex-Empress Frederick and Princess Sophie arrived here at three this afternoon. Their arrival was announced by the firing of a royal salute. They were met at Kalamaki by the King and Crown Prince. The streets were crowded since daybreak. Princess Sophie appeared on the balcony of the palace surrounded by members of the royal family, and received an enthusiastic welcome.

LONDON, Oct. 25.—Michael Davitt resumed his address before the Parnell Commission to-day. He said the landlord system in Ireland should be abolished and land be vested in the state. Eight-tenths of the money which came from America for the support of the Irish cause, he declared, came from Irish working men and working women. He denied any alliance between the League and revolutionary organizations in Ireland. No money collected in America was intended to assist armed rebellion in Ireland.

CHICAGO, Oct. 25.—Aid is sought here for the drought sufferers in South Dakota, where the crops have failed and the people are in a destitute condition, with a long, cold winter before them. Many farmers are without means to procure fall provisions, clothing or any of the absolute necessities of life, and unless help from outside is procured, there must be great suffering between now and spring.

BIRMINGHAM, Oct. 25.—Despatches from Glasgow, announcing an advance at that place of two shillings in Middlesborough and Scotch pig iron, created great excitement on the Birmingham exchange yesterday. Consumers were unable to obtain supplies and were almost in a panic. New furnaces cannot be started in midlands owing to the lack of fuel. Large speculative purchases have been made.

CHICAGO, Ill., Oct. 25.—The taking of evidence in the Cronin case was reached this morning. The prosecution continued the presentation of witnesses whose only testimony was to identify the body.

WINNEPEG, Man., Oct. 25.—There is a possibility that further light may yet be thrown on the Cronin murder case from Winnipeg. Burke, while here, was incarcerated in an iron cage in the provincial jail where prisoners are kept while awaiting trial. With him were three prisoners, R. Heffer, T. Mills and "Slick American" Gillette who were awaiting trial for forgery. It is said he confided particulars of the crime to them and that they have now made the facts known to others.

HALIFAX, Oct. 25.—The people of Current Island and vicinity, in the Straits of Belle Isle are starving owing to the failure of local fisheries. Halifax merchants are appealed to for immediate relief. Capt. Farquhar, of the str. Harlow, running to the West Coast of Newfoundland, personally testifies to the dire distress of the people. He says food is a most urgent necessity. He calls for the contribution of 100 barrels of meat which he proposes to carry on his next trip.
