THE MODERN BELLE.

The daughter sits in the parlor,
And sits in her easy chair;
She's clad in her silks and satins,
And jewels are in her hair—
She winks and giggles and simpers,
And simpers and giggles and winks,
And though she talks but little,
'Tis vastly more than she thinks.

Her father goes clothed in russet,
And ragged and seedy in that—
His coats are out of the elbow;
He wears a most shocking bad hat.
He's earning and saving his shillings
So carefully day by day,
While she on her beaux and her poodles,
Is throwing them all away.

Her mother works in the kitchen,
All scant and coarsely drest;
And plies at the tub or the broom,
Her skirts pinned up to her waist.
Her hands are cracked and crooked,
With working in wood and water,—
She takes the place of a servant,
All for her precious daughter.

She lies abed in the morning,
Till near the hour of noon,
Then comes down snapping and snarling,
Because she was called too soon;
Her hair is still in the papers,
Her cheeks still daubed with paint,
Remains of last night's blushes,
Before she intended to faint.

She doats upon men unshaven,
And men with "the flowing hair,"
She's eloquent over moustaches;
They give such a foreign air.
She talks of Italian music,
And falls in love with the moon,
And tho' but a mouse should meet her,
She sinks away in a swoon.

Her feet are so very little,
Her hands are so very white,
Her jewels are so very heavy,
And her head so very light;
Her color is made of cosmetics,
Though this she never will own,
Her body's made mostly of cotton,
Her heart is made wholly of stone.

She falls in love with a fellow,
Who swells with a foreign air,
He marries her for money,
She marries him for his hair;
One of the very best matches—
Both well mated in life,
She's got a fool for a husband,
He's got a fool for a wife.

'OUR LAST ENEMY SHALL BE DESTROYED—DEATH."

Thou art gone to the grave! but we will not deplore thee,
Though sorrows and darkness encompass the tomb:
Thy Saviour has passed through its portals before thee,
And the lamp of his love is thy guide through the gloom!

Thou art gone to the grave; we no longer behold thee,
Nor tread the rough paths of the world by thy side;
But the wide arms of mercy are spread to enfold thee,
And sinners may die, for the sinless has died!

Thou art gone to the grave! and its mansion forsaking,
Perhaps thy weak spirit in fear lingered long;
But the wild rays of Paradise beamed on thee waking,
And the sound which thou heard'st was the seraphim's song!

Thou art gone to the grave! but we will not deplore thee,
Whose God wasstill with thee, thy guardian and guide;
He gave thee, he took thee, and he will restore thee,
And death has no sting, for the Saviour has died!

A Female Captain.—A late number of the Glasgow *Post* give the following account of a feminine ship Captain who has for many years commanded one of her father's ships sailing from the Clyde :—

"A fleet of ships was lately wind-bound in Lambrash Bay, and among them," says the Post "was the good *Cloetus*, of Saltcoats, which for more than 20 years has been commanded by a heroic and clever young lady, Miss Betsy Miller, daughter of the late William Miller, Esq., shipowner and merchant, of that town. He was concerned with several vessels in both the American and coasting trade. Miss Betsy, before she went to sea, acted as "ship husband" to her father, and seeing how the captains in many cases behaved, her romantic and adventurous spirit impelled her go to sea herself Her father gratified her caprice, and gave her the command of the *Cloetus*, which she holds to the precent day, and she has weathered the storms of the deep, when many commanders of the other sex have been driven to pieces on the rocks. Her position and attitudes on the quarter deck in a gale are often spoken of, and would do credit to an Admiral. We must not omit to state that during the long period of this singular young lady's deversified voyaging, no seaman of her crew, or officer under her command, could speak otherwise of her than with the greatest respect. The *Cloetus* is well known in the ports of Belfast, Dublin, Cork, &c. She has often been driven into this loch, and is familiarly known by the rude Highland boatmen as the ship with the "she captain."

The Reward of Diligence.—"Seest thou a man diligent in his business?" says Solomon, "he shall stand before kings.' We have a striking illustration of his aphorism in the life of Dr. Franklin, who, quoting the sentence himself, adds, "This is true; I have stood in the presence of five kings, and once had the honour of dining with one." All in consequence of his having been "diligent in business" from his earliest years. What a lesson is this for our youth, and for us all !

"I hold it to be a fact,"says Paschal, "that if all persons knew what they said of each other, there would not be four friends in the world.—This is evident from the disputes to which indirect remarks, passing from one to another, give rise."

A devotee to mammon once received a lesson from an humble follower, who did not seem to pay to him, the possessor of the purse, sufficient homage, and said, "Do you know, Sir, that I am worth a hundred thousand pounds?" "Yes." said the irritated, but not broken-spirited respondent, "I do; and I know that *it is all that you are worth.*

The Young Woman's Influence.—The character of the young men of a community depends much on that of the young women. If the later are cultivated, intelligent, accomplished, the young men will feel the requirement that they themselves should be upright, and gentlemanly, and refined; but if their female friends are frivolous and silly, the young men will be found dissipated and worthless. But remember, always, that a sister is but the guardian of a brother's integrity. She is the surest inculcator of faith in female purity and worth. As a daughter, she is the true light of home. The pride of the father oftenest centres in his sons, but his affection is expended on his daughters. She should, therefore, be the sun and centre of all.

Lorenzo Dow once said of a grasping, avaricious farmer, that if he had the whole world enclosed in a single field, he would not be content without a patch of ground on the outside for potatoes.

Churches have been proved, in Calfornia to be the effect of an increase of female population. There were none,till women began to arrive.

A confirmed old bachelor, gives as his opinion, that it is all very well to get married—but while in the first year there is much joy;" in the second there is *jawy*.

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

DO NOT NEGLECT IT:

Consumption can be and has been cured,

in thousands of cases, by this only certain remedy,

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly

Cure Consumption.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying, have been cured by this wounderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the *Consumptive sufferer*.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be *infallible* cures, but which have proved only palliatives, but this medicine is not only a palliative but *a cure for ulcerated lungs*. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as *Spitting of blood, Coughs, pain in the side and chest, night-sweats*, &c. &c.

About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, [we will show them to any person, calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.

Caution—This medicine is put up in a large bottle and you must find the name of Judson & Co., Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9 John St. New York.

To Owners of and Dealers in Horses.

CARLTON'S FOUNDER OINTMENT,

For the cure of Founder, Split Hoof, Hoof-bound Horses, and contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c.. on horses.

CARLTON'S RING-BONE CURE.

For the cure of Ring-bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore has the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them.

Remember and ask for CARLTON'S CONDITION POWDERS, and take *no others*.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles*, strengthens *weak limbs*, and is also used for *sprains, bruises, saddle galls, swelled legs*, sores of all kinds on horses.

Carlton's articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-nine cases out of one hundred of any of the above complaints. They have been used by Farmers, livery-men, stage proprietors and others with the most marked and decided success.

Caution.—None can be genuine *unless* you find the name of J. Carlton Comstock, on the Wrapper of each article.

COMSTOCK'S VERMIFUGE.

This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both Adults and Children. It cannot harm the most delicate infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 25 cents per bottle, puts it within reach of all, and all parents who are without it, are wantonly exposing the lives of their children to those fell destroyers of youth, "Worms." Look for the name of Comstock & Brother, proprietors, on the Wrapper of each bottle.

To the Old and Young!! Ho! ye Red Heads and Grey!!!

PHENOMENON IN CHEMISTRY!!!!

EAST INDIA HAIR DYE.

COLORS THE HAIR, AND WILL NOT THE SKIN.

This dye may be applied to the hair over night, the first night turning the lightest Red or Grey Hairto a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble *keep* his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin *will not* colour it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no colouring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. Comstock, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

Deafness.

Use Dr. Larzette's Acoustic Oil, for the cure of Deafness. Also, all those disagreable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen or twenty years, and were subject to use ear trumpets, have after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

HAY'S LINIMENT FOR THE PILES.

The worst attacks of the Piles are effectually and permanently cured in a short time by the use of the genuine Hay's Liniment. Hundreds of our first citizens throughout the country have used this liniment with complete success.

Caution—Never buy it unless you find the name of Comstock & Co., upon the wrapper, proprietors of the genuine article.

Caution—All of the abovenamed articles are sold only in New York, by Comstock & Brother, No. 9 John Street, five doors from Broadway.

THE ROAD TO HEALTH!

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION

Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7 Prescot Street, Liverpool, dated 6th June, 1851.

To Professor Holloway;

Sir,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, I think, speaks much in favor of your astonishing Pills.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND.

Copy of a Letter inserted in the Hobart Town Courier, of the of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nineteen years of age, residing at New Town, has been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period, she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredibly short space of time they effecteda perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2, 1851.

To Professor Holloway.

Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before.

North Street, Lynn, Norfolk.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT.

Copy of a Letter addressed to J. K. Heydon, Esq., Sidney, New South Wales, dated February 25, 1851.

Sir,—A Mr. Thomas Clark, a settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, together with the Gravel. His medical attendants, after trying all their skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so, the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required.

(Signed) Wm. JONES, Proprietor of Goulburn Herald, New South Wales.
