The Continental  
LIFE INSURANCE CO.  
OF NEW YORK.

Has decided on establishing branches in this place, thus completing its line of branches from California to P. E. Island.

As the reputation of the CONTINENTAL is now World-wide, to adduce any argument in support of its ability, and of its claims to public confidence, would be a work of supererogation. The simple fact that it, last year, issued

12,537 POLICIES,  
the largest number issued by any company in the world, is the best guaranty that can be offered of its ability and popularity, and of the public confidence.

The following are a few of the advantages offered by the Continental:  
PERFECT SECURITY.—The assets of the Company are  
\$5,475,850!  
securely invested.

ONE-THIRD THE PREMIUM may remain unpaid, as a loan on the Policy, (without Note), and cancelled by the dividend or otherwise.

THE COMPANY BEING PURELY MUTUAL all the profits of the business are annually divided among the Policy-holders.

THIRTY DAYS GRACE allowed on the payments of premiums, and the Policy holds good during that time.

SHOULD ANY PERSON DESIRE to discontinue his Policy, after two years, the Company will take it off his hands, and give a paid-up Policy for the entire amount paid.

ALL POLICIES NON-FORFEITING. No Charge for Policy, Medical Examination, or stamps.

ALL CLAIMS IN PRINCE EDWARD ISLAND paid in the Island without the claimant having to go to New York.

EVERY POLICY-HOLDER is entitled to vote at the Annual Election of Officers, and all are eligible to office.

As the great importance of Life Insurance TO ALL, whether rich or poor, is now universally admitted, any arguments to point out its advantages would be superfluous. The patronage of the Public of P. E. Island is therefore respectfully solicited.

JUSTUS LAWRENCE, President.  
J. P. ROGERS, Secretary.

CLOTHING EMPORIUM,  
BROADWAY,  
CHAPTER III.

To the Gentlemen of P. E. Island, Greeting:  
GENTLEMEN;

THE summer of peace and plenty, of clouds and sunshine, of pleasure and pain is drawing to a close, and Autumn's chilly winds, rainy weather, muddy roads and streets, are next coming out on nature's programme, independent of the Road Commissioner or City Corporation. Next, Winter, grim king Winter, with his frosts and snows, will blow his Arctic breath across our little Isle, freeze the Straits of Northumberland, and complete the isolation of P. E. Island.

Notwithstanding that your yards, barns, graneries cellars, green-houses and dairies are stocked, stuffed, filled, stored, crammed, crocked and firkin'd with the fat of the land, the fruits of the vine and products of your stock, you call this "the winter of your discontent." While you have plenty to eat and drink, your discontentment comes from "wherever are you to be clothed." Come into Broadway and be a contented people.

NOW, GENTLEMEN, FOR THE RAILWAY!  
I, D. H. MACKINNON, of Broadway, bear good will to you all, and malice toward none; and now demand the immediate commencement and speedy completion of the aforesaid Railroad for the benefit of the travelling public; and as passing events cast their shadows before, I am taking time by the forelock, and preparing for you all Accordingly, as last as our European goods arrive, we are busily making every kind of warm cloth into fashionable and comfortable garments, suitable for the season, good, cheap and durable, so that you may travel with comfort on the railroad or in your own private conveyance, without fearing the frowns of grim king Winter, or any mortal man who might wish to make you afraid.

Remember BROADWAY has the following  
GARMENTS!

Ayer's Cathartic Pills,  
For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by every body as cathartics, nor was ever any before so universally adopted into use, in every country, among all classes, as this mild, yet powerful, and entirely natural remedy than any other. The obvious reason is, that it is a more reliable and more efficacious remedy than any other. It does not purge, but it cures. It does not irritate, but it restores. It does not injure, but it benefits. It does not destroy, but it rebuilds. It does not weaken, but it strengthens. It does not enfeeble, but it invigorates. It does not disorganize, but it reorganizes. It does not derange, but it restores. It does not destroy, but it rebuilds. It does not weaken, but it strengthens. It does not enfeeble, but it invigorates. It does not disorganize, but it reorganizes. It does not derange, but it restores.
