PROFESSOR A. G. BARRY'S TRICOPHEROUS or MEDICATED SYRUP—Truth loves an incredulous audience, for if they listen, they are sure to become converts. If there is any man or woman who challenges the statement that Barry's Tricopherous is a specific for cutaneous diseases and injuries, and the best preparation for the hair extant, all that is asked is that he or she will try one twenty-five cent bottle of the fluid, and read the pamphlet in which it is enclosed. Read and make the trial. Truth will then force conviction upon the mind, that all, and more than all, that has been claimed for the preparation by the inventor, is as palpable a fact as the existence of the sun, or changes of day and night. Referring the reader to the thing itself, and the accompanying treatises for a solution of all his doubts, if he entertains any, we will here briefly state what the Tricopherous will do. It wil remove scurf and dandruff; it will restore, preserve and beautify the hair; it will prevent it from becoming harsh or gray; it will dispose the hair to curl and render it glossy: it will relieve inflammation, itching and all irritation of the skin; it will cure bites and stings of insects; it will take away the pain of cuts, burns, bruises and sprains; it will allay the pain of rheumatism and cure headache. For these reasons, it ought never to be absent from the dwelling of any family, and no one should travel without it. Sold in large bottles, price 25 cents, at the principal office, 137 Broadway, New York. For sale by the principal merchants and druggists throughout the United States and Canada. Beware of the counterfeit, sold at one dollar per bottle. For sale by
