Death Yesterday At Bunbury Of Mr. John A. MacDonald

Prince Edward Island lost one of its best known citizens in the death early yesterday at his home in Bunbury of John A. MacDonald. Born in Johnston's River in 1871, Mr. MacDonald was in his eightieth year and was enjoying usual good health until he was stricken by the flu some two weeks ago. He appeared to be recovering but later suffered a relapse and passed away early yesterday.

He was widely known in this province and beyond its boundaries through his associations in the business world and in sport activities. He owned the Imperial Fox Biscuit and the P.E. Island Fox Biscuit companies at one time. He was a large fox rancher and still owned a fairly large ranch on the Mt. Edward Road at the time of his death.

He owned and raced many fine horses in his earlier days and later he was an official at Island tracks wherever the harness racing game was followed.

Friendly and genial, he always tried to look at the brighter side of life. He kept his troubles to himself and tried to encourage his friends and neighbors in time of distress.

He was known as the Candy Man to thousands of school children as he frequently stopped at their school and distributed candy. He often took buckets of it for distribution free in this way and rarely was without several boxes in his car to hand out to the youngsters.

Mr. MacDonald was a member of the Mt. Herbert Orange Lodge, L.O.L. No. 1094. He always took a keen interest in community affairs. In politics he was a staunch Liberal and contributed generously of his time and talents to his party.

He was also widely known as a cattle dealer and usually had between 30 and 50 beef cattle on his farm during the summer season.

He was married first to Isabelle Cooke of North River. From this marriage there are one daughter and two sons. They are Adele, Mrs. Russell Farquharson of Bunbury; Walter at Covehead and Leslie, who operates a feed business in Charlottetown but lives in Bunbury.

His second wife was Eliza Stewart of Mt. Herbert. From this marriage there were three sons, Clifford of Charlottetown, Willard who resides in Summerside and Roy who died several years ago.

Also surviving are his widow, the former Margaret Munn of Wood Islands.

The funeral will be held Sunday afternoon from his late residence, service starting at two o'clock. Interment will be in the Merald cemetery.

Trinity WMS Afternoon Auxiliary

The afternoon Auxiliary of the W.M.S. of Trinity United Church, Charlottetown, held their Easter meeting on Thursday, March 1st, in the Social Hall, with the president, Mrs. G. M. Avarid presiding and fifty ladies present.

Mrs. Avarid extended a cordial welcome to Mrs. Irwin, the wife of the new Associate Minister, Rev. Mr. Irwin, and also to three new members, Mrs. Earl Clark, Mrs. Hiram Howatt and Mrs. B. C. Webster.

The "Christy" Easter Worship Service, "The Mystery of Peace," prepared for the Woman's Missionary Society by Mrs. E. J. Pratt was used for the worship period.

Mrs. Avarid took the part of Leader and was assisted by Mrs. Morrison, Mrs. D. D. MacDonald, Mrs. A. C. Cox, Mrs. Harold Moore, Mrs. Hiram Howatt and Mrs. Arthur Onley as responsive readers, each in turn reading a passage of Scripture conveying the word "peace."

The advent of the son of God was heralded by the angels singing Glory to God and on earth "Peace." On the eve of His death He left this comfort with His disciples, "Peace I leave with you."

When Simon Peter smote the high priest's servant, Jesus said to Peter: Put up thy sword into the sheath. After His resurrection He appeared to His disciples and said: "Peace be unto you." Again before He left His disciples, He said unto them: Peace be unto you; as my Father hath sent me, even so send I you.

Christ taught us that the path of love, which remains untrod is the only highway to "Peace" and abundant living. It is a highway impossible to find and keep, until the spirit of the living Christ takes possession of the mind and heart.

The business period opened with the minutes of the January meeting read by the Recording Secretary, Mrs. A. B. Bagnell, and the financial report by the treasurer, Miss Jessie Gillis. Mrs. Avarid spoke feelingly of the passing of another member of the society, Mrs. A. C. Wilkinson, and expressed deepest sympathy to the bereaved. All stood for a minute's silence in her memory, after which Mrs. Avarid read the lines, "They are not lost who find the sunset gate, the goal of all their faithful years."

The corresponding secretary read a letter from the new Presidential President, Mrs. Hazen Howard urging each member to greater service.

Mrs. Windsor, Community Friendship Secretary reported for her committee ninety-five visits made during the past month.

The president announced that the program for the April meeting would be under the direction of the Literature Secretaries, Mrs. Morrison and Mrs. Gillespie. At this meeting Mrs. Allison Tait, newly appointed Presbytery Literature Secretary will bring the work of her department before us.

An interesting synopsis of the 2nd, Chapter, "Through Social Service," of the study book, "The United Church re-enters Japan," was given by Mrs. R. E. Mutch and the meeting closed with the Mizpah Benediction.

Potato Grading Discussed At Meeting Here

Prince Edward Island is the only Province in Canada that the farmers have not been prosecuted for putting up poor packs of potatoes. Mr. William MacLeod, Dominion Seed Certification Branch, Charlottetown told the members attending the annual meeting of the Potato Growers Association Thursday.

It is also the only Province that the potatoes are graded from the farmers cellars and not the warehouses, he stated. "Ninety per cent of our farmers do their utmost to put up a good pack."

He noted that during the past year or two the potatoes were killed off by many causes before they matured. This practice hurts their eating quality although it does not affect the seed, he said. With regard to grades of potatoes, he stated that the minimum size should be two and one quarter inches and the maximum three and three quarters.

The meeting heard an interesting talk by Mr. H. S. MacLeod, a former potato inspector here and now head of the Seed Certification Branch in British Columbia. Mr. MacLeod worked here under the late Dr. Paul Murphy and Mr. S. G. Peppin.

During his first year in British Columbia he recounted that 65 per cent of the crops inspected were turned down. Conditions have improved immensely since then, he added.

He said that there were about 17,000 acres of potatoes produced in British Columbia and 3,000 of these were seed. He noted that British Columbia was the third highest province in the sale of certified seed and held the record for production per acre, 965 bushels.

It will provide music at a public dance to be held here by the newly formed R.C.A.F. Association, and the proceeds will be donated to local Air Cadet work.

OTTAWA, March 2—(CP)—Increase in the amount of individual building loans under the National Housing Act will be sought in the Commons by Joseph Noseworthy (CCF—York South).

Mr. Noseworthy placed on the order paper today a resolution calling for the reinstatement of a loan provision recently abolished by the government. That provision permitted N.H.A. loans larger than normal for home building.

Reconstruction Minister Winters recently announced it has been discontinued because the government does not wish home-builders to start construction that could not be finished for lack of materials or labor.

Advisory Board Of C.N.I.B. Meets

A regular meeting of the P. E. I. Advisory Board to the Canadian National Institute for the Blind was held this week at the Charlottetown Hotel, Charlottetown. After approval of the minutes of the December meeting, Mr. Sydney Green gave a report on the 1951-52 campaign for funds to be made during the last two weeks of September.

The committee's recommendation was unanimously accepted and the campaign for funds for 1951-52 will be made from September 17 to September 30.

The Board chairman, Mr. W. G. Foster, reported that Institute services had been continued and extended and that along with other services a radio had been purchased by the Board and had been loaned to a blind woman who was not able to acquire one for herself.

A committee of Mrs. Lorne Noonan, Mayor E. Earle MacDonald and Dr. J. A. Clark were appointed to nominate an executive for the forthcoming year. The meeting commended the owners of the Charlottetown Roll-Away Club for their donation of free bowling facilities for the blind of Charlottetown.

In his report, the local Field Secretary said that the staff conference held in Halifax in December had been very successful and that the free individual services of the Canadian National Institute for the Blind are constantly increasing and more sightless men, women and children are benefiting from the Institute's work.

It was the recommendation of the Field Secretary that the staff conference be held in Charlottetown in the near future. Board member John Myrick of Tignish was the only Prince County member who was able to attend this meeting of the Board.
