DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market lower; trading moderate.

New York: Market mixed; trading slow.

Montreal: Market remained lower; trading light.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 7 23-32 per cent in terms of Canadian funds, down 1-32 from Friday's close. Pound sterling closed at $3.01¾, down 3-16.

NEW YORK

NEW YORK (AP)—The stock market was dull and irregular Monday as Wall Street looked ahead to the Labor Day weekend, a traditional turning point for business and the market.

Movements of most key stocks were narrow. A few issues attracted speculative demand, and moved ahead smartly. But the market statistics showed a slight downward drift.

Caution was the watchword and there was nothing much in the news to dispel it. Steel production in the latest week was off slightly even though there was a bit of a rise in steel mill orders from the prior week.

The steel shares reflected this mixed news, Bethlehem and U.S. Steel closing unchanged while Republic Steel dipped ¼ and Jones and Laughlin lost a fraction.

About the same kind of action marked the automotive group. General Motors closed unchanged. Ford, Chrysler, American Motors, and Studebaker all dropped small fractions.

RALLY FADES

For the time being, the "summer rally" appeared to have faded and traders showed little disposition to commit themselves.

The popular indicators recorded slight changes. The Dow Jones industrial average was off 2.28 at 613.74. Standard and Poor's 500-stock index was off .03 at 59.55. The Associated Press average of 60 stocks made a minimal advance of .1 at 226.5.

Volume was a moderate 3,140,000 shares compared with the low Friday total of 2,890,000.

International Nickel closed ahead ½ and Granby Mining was up ⅝ on the Canadian list. Losers included Dome Mines, off ⅞, Hudson Bay Mining, ½, and Distillers Seagrams, ½. Canadian Pacific and Walker Goederham eased ⅛ each.

American Exchange prices were irregularly higher. Jupiter Corp., was down ¼ and Shawinigan ⅛ while Canadian Marconi added ⅛.

TORONTO

TORONTO (CP) — The stock market meandered through an unimpressive session Monday with few significant changes in any section.

A long string of fractional losses in the Industrial list dropped that index almost two points, but other index movements were within fractional ranges.

Banks slipped again, setting the tone for the rest of the section. Canadian Imperial Bank of Commerce showed one of the sharpest setbacks on the board, falling 1⅜ to 56¼. Montreal dropped 1½, Toronto-Dominion ⅝ and Royal ¼.

Dominion Foundries and Steel was another key loser, dropping 1¼ to 52½. Distillers Seagrams and Salada Foods both fell ½, CPR ⅜ and Interprovincial Pipe Line ¼.

Gainers included Consolidated Paper, ahead ¼, Power Corporation, up ⅜ and Aluminium, ahead ⅛.

On the exchange index, industrials fell 1.81 to 556.40 and base metals .50 at 188.15. Closing volume was 3,272,000 shares compared with 4,696,000 Friday.

Among base metals, International dropped Nickel ⅝ and Denison ⅛, while Noranda gained ¼ and Consolidated Mining and Smelting ½.
