ATTENTION: POTATO GROWERS

The attention of all farmers is directed to an amendment of the Prince Edward Island Potato Production Act passed by the Legislature in 1962 whereby all persons planting one-quarter acre or more of potatoes must plant those of the "Certified" class or better.

Potato growers are advised to procure their requirements while stocks of seed potatoes are available.

As many producers of good seed potatoes are now disposing of their crops on the tablestock market, it should not be difficult for all farmers who grow potatoes to arrange for their seed requirements for this year.

The failure to comply with this regulation will render the grower liable to a minimum fine of \$50.00.

GUESTS WALK OUT

CORNWALL, Ont. (CP)—About 30 of 200 guests walked out of a brotherhood dinner here when a Soviet press attache criticized American policies in Viet Nam. Guest speaker N. I. Popov said the U.S. has made "an unprovoked attack on the Democratic Republic of North Viet Nam." The annual dinner Monday was sponsored by the United Services Clubs, an organization of service and social groups.

SEEKS HUSBAND'S POST

MONTGOMERY, Ala. (AP)—Lurleen Wallace, 39, wife of the Alabama governor, announced to a throng of cheering followers Thursday that she will be a candidate for Democratic nomination as governor. If elected, she said the present governor would be her "no. 1 assistant."

Wallace cannot succeed herself, barred by the state constitution from seeking re-election to a second four-year term. "His term expires next January."
