Enterprise automatic oil range

save **40.00**

plus reasonable trade-in

for your old range

● Canada's first and only clock controlled automatic oil range exclusive with Enterprise and Holman's on P.E.I.

● No lighting no guesswork, simply set the thermostatic control at the desired cooking temperature and set clock at time required and the range does the rest. No risk of over-heating or over-cooking.

● Constant pilot. The thermojet burner remains on pilot at all times. No lighting is ever required.

● Larger than average oven fully porcelain lined with double glass window in door.

● Large under oven storage drawer may be used as warming oven or for storage of cooking utensils.

● Beautiful styling complete with deluxe backguard containing full length lamp and electric clock.
