

Latest News Notes.

If true, it is a curious coincidence that Lewis Hiltz, who killed Joseph Melady at Independence, Mo., two years ago, but was cleared by a tricky lawyer on the ground of insanity, has been struck dead by sunstroke on the same day of the month, at the same hour of the day, and on the same spot where he committed the crime.

A violent wind storm passed over the southeastern portion of Chester, Pa., on Saturday afternoon. In South Chester thirty-five houses unroofed and seven partly completed dwellings were blown down. Many trees were uprooted and much damage was done to barns in the country. A man named Boulden was nearly killed by a fallen shutter, and another man, a stage-driver was severely injured by his stage being blown over.

The Sioux held their annual sun dance in Dakota recently, and the usual scenes of cruelty were enacted. One young warrior held out fifty-six hours and then fainted. He was hanging all that time by a stick run through the flesh of his back. He fainted before the flesh gave way. He was so grieved over his failure that he tried to kill himself. The woman cut the ears off the papooses, and shaved their own nails up to the joints of the fingers.

A young Frenchman named Gustave Rink, said to be a nobleman and an officer in the French army, has been in Montreal for some months back, took a gold ring belonging to a young man named Simard, and pawned it for three dollars. When arrested he acknowledged taking it, but said he did not seek to steal it, but merely to borrow it for a few days until his remittance should arrive. It is said he was more successful than a friend in securing the affections of a young lady, and that the friend is the cause of his arrest.

Jerusalem will soon be a center of winter fashion if matters go on as they are going. Not only has it now a sanitary inspector and other officials to attend to the supply of water, street cleaning, etc., with a view to make it a pleasant abode, but it is announced that Lothair, otherwise the Marquis of Bute, has bought a villa near the Mount of Olives. 'The Wizard Bendisraeli,' as Punch called him some thirty years ago, proved his prophetic soul when he concluded Tancred with the announcement that 'the Duke and Duchess of Belmont had arrived at Jerusalem.'

PHILADELPHIA, July 16.—The Record will publish to-morrow morning a further exposure of Dr. Buchanan, the Dean of the three medical colleges that sold their diplomas. An estimate is made that 11,000 of Buchanan's bogus diplomas are current throughout the world. A list of those whose diplomas were not ante-dated will be published with directions for applying twenty-one different methods of detecting the ante-dated diplomas and establishing their fraudulent character. The doings of the National Electric Medical Association, which under Buchanan's management sold its diplomas for \$5, are also laid bare.

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it for their benefit."

JOHN WEEKS, Butler, N. Y.

August Flower.

The immense sale and great popularity of Green's August Flower in all towns and villages in the civilized world has caused many imitators to adopt similar names, expecting to reap a harvest for themselves at the expense of the afflicted. This medicine was introduced in 1868, and for the cure of Dyspepsia and Liver Complaint, with their effects, such as Sour Stomach, Sickheadache, Indigestion, Palpitation of the Heart, vertigo, etc., etc., it never has failed to our knowledge. Three doses will relieve any case of Dyspepsia. Two million bottles sold last year. Price 75 cents. Samples 10 cents.
