S'side Mayor Declares April 21st As Town Clean-Up Day

His Worship Mayor W. A. Currie has declared Saturday April 21st to be clean up day in the Town of Summerside. Mayor Currie said while it is always advisable to make special efforts to clear up the town after the winter months, it is all the more necessary this year because of the accumulation of tree limbs and branches resulting from the January sleet storm. The emphasis will therefore be placed on removing all debris of this nature and in that regard it is planned to give property owners some assistance.

Mayor Currie said that a generous offer has been recaived from Mr. J.F. Arnett of Rogers and Arnett Ltd. to provide two trucks and four men for this pupose all day Saturday. The Mayor s now appealing to other business people to make trucks and workmen available on a voluntary basis to assist in this town-wide clean up. Those wishing to cooperate in this way may call the police station and make their offers of help known.

Property owners are asked to have their debris, particularly tree branches, piled near the street so that it can be easily loaded into trucks. The work will be carried on under the supervision of the Streets Department.

SPORT ECHOES

Freetown Royals And Ace's Continue Series Tonight

Tonight a hockey match will be played in Summerside after the first major league baseball games have been played! Is that some kind of a record, old-timers?

Freetown drubbed the Aces 7-3 last Friday evening. They were better than the Summerside boys but not as much better as the score would seem to indicate. We look for a much closer contest this evening.... ... .

Eustace Reeves and Des Roberts were the big guns for Freetown. Roberts got three goals and Reeves two. Reeves is a 60-minute man, and we thought that particular species was extinct. The young fellow's only chance of getting a rest is to draw a penalty, and how he hates to sit in that sin bin!

One important difference in the two teams is the way they behave in front of a goaler when he is being besieged by enemy guns. The Royals seem to stop a lot of hard drives aimed at the net. The Ace defence structure seems to be more porous. Rarely will you see such a high percentage of screened shots as beat Gamble Friday night. Maybe the Freetown shots have more zip, or maybe they get them away faster. You figure that out. We're just telling you the facts.... ....

Walter "The Rock" Campbell has been playing hockey since fido was a pup, but he's not ready for the rocking chair in the chimney corner for a while yet. There will be a certain durable quality missing from those Royals when "The Rock" retires.

We thought the teen-line of Red-MacLean, Ulric Gallant and Alfred Groom showed up well Friday night though they didn't blink the red light. Once in the second period the three kids set up a picture play with MacLean getting the disk in front of a yawning space of empty net. Somehow or other the redhead goofed it, a thing he doesn't do too often. The boys play well together and their passing shows crowd - pleasing patterns. Bob Bowness, the other youngster on the forward line, is also coming along rapidly. He's a bit of a giant-killer and is forever tangling with the heavyweights.

Edgar Taylor was a marked man Friday night with two notable results. He wasn't as effective as in the previous game, and he became embroiled in a few mix-ups with his hecklers. Usually a star-player watched closely contributed towards his team's success in another way. Some of his mates are allowed to run loose and often do a lot of damage.

Anyway you look at it, tonight's game is bound to be a thriller. The only people at home tonight in this hockey-fevered area will be the baby-sitters.

British Fashion Show In Moscow

MOSCOW (Reuters)—The opening of a week-long British fashion show was judged a success Monday despite difficulties of getting Russian models into dresses made for slim figures.

Displayed but "not for sale" were some 60 mass - produced dresses, coats, suits, evening gowns and hats bought by a Russian delegation in London last year.

Television cameras filmed the model parade and Russian women taking notes and making drawings of the styles.

Viewers were told the show was the first of a series of foreign fashions displays and was "another sign of strengthening of friendship and cultural co-operation between the British and Soviet peoples."

There are plans for a bigger English fashion show in June with English models.

G.L. Monkley, president of the branch, presided at the meeting, and a quarterly financial statement was submitted by secretary-treasurer James Hogan.

Favoable support for a contribution by the branch to the Walter Callow fund was voiced by Glendon DesRoche, Roland Phillipson and Charlie Hogan, and on motion of Mr. DesRoche the matter was referred to the executive for a recommendation to the membership at the next meeting.

Earl Cannon was appointed by the branch as an accredited delegate to the Dominion convention to be held in Vancouver.

James Hogan, chairman of the bingo committee, reported that the downstairs lounge along with the upstairs hall will be used to accommodate the crowd expected for the jack pot bingo, and extra seats will be available.

Earle Cannon reported the progress being made towards unveiling a memorial in Memorial Square on May 6th to the memory of those from the Summerside area who gave their lives in World War II and in Korea.

He said that arrangements had been made for church parades, and that details of the program would be given to Legion members in a bulletin that will be mailed to them about May 1st.
