

were the chief attraction. These demonstrated the capability of the soil of the Island for success in the cultivation of the material with which to make sugar of the best quality. Edwin Darby, Esq., of Egmont Bay, obtained first prize for turnips, Solomon Vessey, for carrots, while Joseph Ives, Lot 15, F. McNeill, of Summerside, and Geo. Compton, of St. Eleanors, took prizes for sugar beets.

#### GRAIN.

There was a splendid exhibit of Wheat, and a brisk competition. The prize winners were Mr. Robert P. Hooper, of Bedeque, and James Yeo, Esq., M. P., of Port Hill. The competition for prizes for oats and barley was not active. Wm. S. Raynor, of Lot 19, took first prize for barley; George M. Price, of Summerside, second. Mr. Price also took the prize for white oats; and Mr. W. C. Ashley, for Indian corn. The first prize for Timothy seed fell to Mr. Wm. McCallum, of Lot 26; second, to Albert Craswell, St. Eleanors; first prize for red clover to Wm. McCallum, Lot 26; second, Peter McRae, Lot 26.

#### BUTTER AND CHEESE.

The butter was delicious and nicely presented. Competition keen. First prize fell to Mrs. Geo. Bollum; second to Mrs. Crabbe, of Summerside. Of cheese there were but few specimens. First prize, Mrs. Isaac Schurman, second prize, Mrs. T. Lane, St. Eleanors.

#### VEGETABLES.

These were very fine. The following is the list of prize winners:

- Best 3 cabbages (Flat Dutch) Geo. M. Compton.
- Best 3 do. (Drum Head) Wm. McCallum.
- Best 3 do. (Savoy) Geo. Compton.
- Best 3 do. (Winnigstead) Geo. Compton.

- Best half dozen Mangel Wartzel, Lucian Perry.
- Best half dozen cucumbers, Lucian Perry.

Competition not active. The following are the prize winners:—

- Best basket Cooking Apples—Charles S. Wright, Bedeque.
- Best do Eating do—George Brown.
- Best do Winter-keeping do—James Tuplin.
- Best do Crab do—Allan McQuarrie.
- 2nd best do—Mrs. James Tuplin.
- Best basket Green Gages—Richard Murray.

#### FISH.

The following are the prize winners:—  
Best half barrel Mackerel (Island catch)—Michael McElroy, Miminigash.  
Best half quintal Codfish, do—Dougald Hunt, Tignish.  
2nd best do do—Walter Mathewson.  
Best half-dozen cans preserved Mackerel—H. S. McNutt, Darnley.  
Best do do Lobsters—Peter Gavin, Alberton.

#### POULTRY.

The Poultry was shown outside the Drill Shed, and did not attract much attention. There was very little competition. The following is the prize list under this heading:—

- Best Ducks (gray), Chas. G. Wright.
- 21 do, Judson Burns.
- Best Ducks (white), Robert Gordon Schurman, Summerside.
- 21 best do, Mrs. Geo. M. Price.
- Best Geese, Sylvang E. Gallant.

#### HARNESS.

Poor competition. Fair specimens. Mr. John R. Bowness, of Centreville, won the first prize; Mr. Charles B. Saunders, of Summerside, the second prize. Some well-made collars for working horses were shown.

#### LEATHER.

In this department Mr. John Robson was the chief exhibitor. Mr. Robert H. McDonald exhibited the best harness leather and Mr. John Dickieson, some beautifully tanned sheepskin linings. Several well-made collars for working horses were also on exhibition.

#### MISCELLANEOUS.

Several nice pots of honey were shown. Mr. R. Hunt, of Summerside, was awarded first prize. Our reporter could not learn the name of the winner of the second prize. Mr. Philip Mulligan won both prizes for hardwood barrels.

#### OUTSIDE THE SHED.

The square around the Drill Shed was continuously thronged with sight-seers. Prominent among the attractions was Mr. Swallow's patent potato digger,—the latest out. The farmers seemed to like the idea, and we heard many persons express a wish to see it at work. Mr. Thos. Hall, the enterprising implement maker of S'side, made, however, the best exhibit. His Thrashing Machine and Cleaner was critically examined and generally approved. A very well finished cart, made for him by Mr. D. Milligan of Lot 19, attracted much attention. His Grain Separators were very much admired, though that of Mr. John Dickieson of Bedeque, took first prize. Mr. Alex. Lockhart obtained third prize for the best iron plough; Mr. James V. Peake for the best horse hood and moulding plough; Mr. Wm. McCall for the best hay fork; Mr. Benj. Weatherbie for the best pulveriser.

#### WAGONS.

Several very well-finished carriages were exhibited. A combined express wagon and family carriage was shown by Mr. P. A. Connors, of Wilmot, Creek Bridge, which would be exceedingly useful to any farmer, and quite ornamental enough for the best tastes. It is light of draft, and might be used to take a good grist to the mill, or a good family to church. We should like to see more of such carriages in the country. Mr. Connors also exhibited a nice vis-a-vis, a highly-finished wagon, and a strong truck wagon. His exhibit did him much credit. Other wagons were shown; and there were various reaping machines, ploughs, cultivators, etc., on the grounds.

#### TIMELY PROVISION.

The ladies of the Church of England and the Methodist Church in Summerside vied with each other the Christian duty of providing food for the hungry. At the same time they replenished the funds of their respective churches. For the modest sum of twenty-five cents the most charming of waiters helped the exhausted sight-seer to a refreshing luncheon, and sent him on his way rejoicing.

#### ON THE CATTLE SHOW GROUNDS.

Green's field, due north of the town, was lively with horses, cattle, calves, sheep, and pigs; and to the lover of rural sights and domestic animals it presented a most pleasing appearance. A leading farmer of the country informed our reporter that the show was the best ever held in Summerside, and that he could, each year, see a marked improvement in the character of the stock exhibited. Prince County is in the front rank as regards horses; and there were some really splendid animals on the grounds. Mr. Robert Glover's magnificent stallion "Dexter" was ruled out of the competition because he has taken the first prize regularly for a number of years. The judges, however, did not like to treat an old friend so, and therefore recommended him for a prize. Mr. Wm. T. Willis' splendid draft stallion took first money. Mr. James McDonald's stallion was adjudged to be the best in the carriage stallion class; Mr. Harry Craswell's, second best. Both are very fine animals. A beautiful fiery charger belonging to Mr. George McFarlane was rightly judged to be best blood colt over three years old on the ground. Mr. William Cairns' entire draft colt—one of the Brown Stout breed—was judged to be the best in that class under three years old; Mr. Hubert Compton's second best. Mr. James Murray obtained the prize for the best carriage colt under three years; Mr. George Mutart second best; Mr. Geo. W. Cameron was put down for the best carriage colt under two years; Mr. John Hyde for second best; Mr. Geo. Compton for best draft colt under two years; and Mr. Dougald Currie for the second best. The mares, foals and fillies were admirable. Mr. Jas. Heffel, of Traveller's Rest, Lot 19, exhibited a splendid mare and foal in the carriage class. The foal, by "Abdallah," was greatly admired for its beauty. Mr. Jas. Stafford, of Bedeque, exhibited a splendid draft mare, with a splendid colt by "Challenger." Mr. Daniel Cobb, also of Bedeque, had an almost equally fine mare, and in our opinion a better colt by the same horse. The best draft filly under three years was adjudged to belong to Mr. John W. Stafford, of Bedeque; second best, to Wm. Walker, of Birch Grove—both splendid animals. The best draft filly under two years was adjudged to belong to Mr. Donald Ross; second best, Mr. Murdoch Ross. The best carriage filly under two years was that of Mr. Peter McRae. Messrs. Thomas Murphy and James Tuplin exhibited very fine carriage fillies under two years. The two would make a splendid span. Mr. Murphy obtained first money, Mr. Tuplin second best. A very beautiful filly was shown by Mr. Angus McMillan, M. P., but we do not see Mr. McMillan's name on the prize list.

#### CATTLE.

Some fine bulls were shown. Decidedly the best was an English short-horn belonging to Mr. Archd. Wright of Bedeque—3 yrs. old and weighing 1800 lbs. Mr. Wright had also on exhibition some splendid milk cows, and very pretty well-bred calves. Mr. Edmund Compton, of St. Eleanors, exhibited a splendid two year old short-horned bull, weighing 1,528 lbs. Hon. A. Laird had some very fine calves; and a calf belonging to Mr. McFadyen attracted much notice. We regret that we cannot publish the names of the prize winners.

#### SHEEP AND PIGS.

Mr. W. T. Mills of Indian River, exhibited some very fine pure bred sheep, but others were considered finer by the judges. The show of pigs was small but good.

#### SALE OF GOVERNMENT FARM STOCK.

At four o'clock, Mr. R. Hunt sold Government Farm Stock by auction, as follows:—  
Durham Bull Calf—Robert Bell, Alberton, \$16.50.  
Durham Bull Calf—James Stafford, \$12.50.  
Ayrshire Bull Calf—Alfred McWilliams, West Cape, \$35.50.

Cotswold Ram Lamb—Stewart Burns, \$5.50.  
Leicester and Cotswold Ram Lamb—Murdoch Ross, \$3.  
Leicester and Cotswold Ram Lamb—John Townsend, Lot 19, \$2.  
Ewe Lamb—William Haywood, \$4.  
Leicester Ewe Lamb—Stewart Burns, \$2.50.  
Ewe Lamb—George Compton, \$3.  
Ewe Lamb—William Haywood, \$4.00.

#### THE PRIZE LIST.

There was no means of obtaining a complete prize list evening, and, therefore, we hold it over.

#### ACKNOWLEDGMENT.

Our thanks are due to the urbane Secretary, F. McNeill, Esq., and Messrs. Clay and Mills, for courtesies extended.

#### RAILWAY MANAGEMENT.

The railway arrangements were in pleasing contrast to those of last year. Full trains left for East and West at six o'clock, p. m.

#### IMPRESSIONS OF A VISITOR.

Mr. Editor: Yesterday was quite a gala day at Summerside. Early in the morning men, women and children poured into the town from all directions. Besides the crowded carloads driven along from East and West by the Iron Horse, under the able and careful management of Superintendent McNab and his efficient staff, could be seen hundreds of teams jogging into the town from villages and settlements close by,

in the good old way,—some in their splendid carriages, others with their large double carriages, laden with sheep, calves, pigs, and I was going to add, poultry, although I saw none of the latter class at the Exhibition. The weather was all that could be desired. The display of stock was very good. Foals from the celebrated horse "All Right" were greatly admired as was also some "King Bird" and "Royal Harry" stock. A short horn bull calf exhibited by Mr. McFadyen of Augustine Cove, was much admired. The pretty creature is only three months old and bids fair to be a very valuable animal to stock raisers.

In the vegetable department was to be seen some excellent samples of sugar beet, the growth of which merits special attention in those days of encouragement to home industry. The potato samples were equal, if not superior, to any the writer ever saw at any local exhibition. All the vegetables were very fair; the butter and cheese excellent. In fact, the exhibits in all the departments evidenced a growing taste for improvement, and furnished ample proof of the necessity that exists for larger appropriations to foster our local industries.

The cloths, fancy tweeds, ulster cloth, blankets, flannels, druggits, yarn, etc., exhibited by the enterprising firms of Tryon and Mill Valley Cloth Mill were greatly admired. Samples from the above factories will be exhibited at the Queen's County Exhibition next Wednesday, when we shall have more to say about their merits. Mr. P. A. Connors, of Wilmot Valley exhibited some fine carriages.

About 12 o'clock, His Honor the Lieutenant Governor and suite arrived by special train from Charlottetown, and on entering the Drill Shed was warmly greeted by many of the leading agriculturists of the County. The Secretary Mr. F. McNeill, introduced to the densely crowded audience His Honor the Lieutenant Governor and Judge Hensley, Chairman of the Queen's County Exhibition.

The band of the 82nd Battalion, from Charlottetown, enlivened the proceedings with some excellent selections of music, very well rendered. The Exhibition closed about 5 o'clock in the afternoon, when could be seen a crowd of busy men and women engaged in removing their property from the Drill Shed, and preparing to return to their homes. The large assemblage gathered on the occasion, behaved exceedingly well, and the whole proceedings passed off in a very orderly manner.

#### VISITOR.

QUEEN'S COUNTY EXHIBITION NOTES.  
The cattle show field is being prepared for the proper arrangement and classification of live stock; and suitable stands are being erected in the Drill Shed for the reception of articles for exhibition.

Already a large number of entries appear on the Secretary's book, especially of live stock. This, doubtless, is owing to the fact that no entries of stock will be received after to-morrow (Friday). Hence the necessity for competitors to enter their animals without delay, in order to share in the prizes which will be awarded to successful competitors on Tuesday next.

#### KING'S COUNTY EXHIBITION.

Large numbers attended the King's County Exhibition to-day. At ten o'clock the Lieutenant Governor left the city for Georgetown by special train.

JUDGE POPE is very ill of congestion of the brain. We hear that he is rather easier to-day.

TO-MORROW, Friday, is the last day for entering Live Stock for the Exhibition on Wednesday next.

THE Inspector of Fisheries is today trying those charged with breaking the regulation respecting lobsters. Mr. E. J. Hodgson appears for the prosecution and Mr. A. A. McLean for the defence.

W. W. WELLNER returned from Boston, last evening, where he purchased a large lot of Waltham Watches, Electro plated ware, Clocks and Plated Jewelry, which will be opened to-day. [Oct 2, li pat]

THE GOOD TIME COMING.—The Montreal Witness, Independent Reform, says:—In financial circles a general topic of conversation is the reported improvement in business and the brighter prospects for the future. In business circles decided improvement in trade is reported by many merchants and commercial travellers.

THE PRINCESS LOUISE GOING TO ENGLAND.—The Quebec Chronicle of yesterday says:—"We learn that H. R. H. the Princess Louise will take her departure for England on Saturday, the 18th prox. Special arrangements will be made for her accommodation on board the ss "Sarmatian," in which vessel berths have already been secured. It will be remembered that it was in this fine steamer the Governor General and Her Royal Highness made their first voyage to Canada." No reason is given for this step.

#### False Impression.

It is generally supposed by physicians and the people generally that Dyspepsia can not invariably be cured, but we are pleased to say that GREEN'S AUGUST FLOWER has never, to our knowledge, failed to cure Dyspepsia and Liver Complaint in all its forms, such as Sour Stomach, Costiveness, Sick Headache, palpitation of the heart, Indigestion, bad taste in the mouth, &c. Out of the 50,000 dozen bottles sold last year, not a single failure was reported, but thousands of complimentary letters from Druggists of wonderful cures. Three doses will relieve any case. Try it. Sample Bottles 10 cents. Regular size 75 cents. For sale by all Druggists.
