

**Premier Matheson  
Invited To Address  
Cape Breton Scots**

At the recent annual meeting of Caledonian Society of Cape Breton, held in Sydney, the following officers were elected for the year 1955-1956:

Other members of the executive are Hugh L. MacLeod, J. H. MacNeil, Alex R. MacDonald, Mrs. C. I. N. MacLeod, Miss Annie Martin, Mrs. Hugh Gillis.

During the course of the meeting it was announced by the Secy-Treas., that Premier A. W. Matheson, P. E. I., has accepted an invitation to be the guest speaker at the next St. Andrew's Day Banquet sponsored by the Society.

**Strange But True**  
By F. H. MacArthur

What you don't believe in ghost? Well, Ken Hastings, Merit Boise Idaho prison does and to prove it he has asked authorities to hang him to free him of his awful enemy who sits in his cell every night grinning like a madman.

Hastings has confessed to the murder of his ghost (Baker) while the two were staging a hold-up.

Prison officials have refused to comment on the case. His clergyman says Hastings is sane.

"An attic is a place where you keep the things you will never want until you throw them away. A thief with a conscience made a second trip to the home of Evelyn Spencer, Hamilton, Ontario, to return a wedding ring he'd stolen earlier in the evening. His regrets, however, did not extend to \$20 in cash and a \$150 diamond ring he had also lifted from the home.

Pears were prescribed by doctors in medieval times for persons suffering from bad tempers, chills and lumbago.

Most animals have nightmares, and elephants often trumpet and bellow in their sleep.

Strange as it may sound, the left hind leg of a porker is more tender than the right. Why? Because the hog's right hind leg muscles get more exercise; he does all his scratching with his right foot.

Next time you order ham from your butcher say "from the left hind leg, please."

**Acropolis Has  
Trial Run**

NEWMARKET, England (AP)—Acropolis, favorite for the Derby May 25, had a trial run for the big race Wednesday—all on his own.

Only two colts entered the 1 1/4-

mile Newmarket Trial Stakes—Acropolis and Rowland Ward. Acropolis shot to the front after a furlong. Then Rowland Ward had the jitters and ran off the track.

Acropolis raced on alone to win in two minutes, 4 1/2 seconds. Jockey Billy Rickaby managed to coax Rowland ward to finish the course but only after the colt had swerved twice more off the track.
