

### CIL Expansion Said Planned

MONTREAL (CP)—Canadian industries Limited announced today the sale of a \$30,000,000 bond issue to raise funds for general corporate purposes including the construction of new or extended production facilities.

The debentures, bearing interest at 3 1/2 per cent for a term of 20 years, were purchased by 13 financial institutions, principally insurance and trust companies, CIL said.

Consolidated sales of CIL and its subsidiary companies for the first nine months of 1964 amounted to \$162,740,000 with net income for the period equivalent to 85 cents a common share, a statement to shareholders said. The statement was issued in connection with the announcement of debenture issues.

### Protest Sparks Sale Of Cards

PACIFIC GROVE, Calif. (AP)—Sales of Christmas cards by the United Nations Children's Fund (UNICEF) are reported booming after a John Birch Society protest resulted in their removal from sale in two banks and a department store.

The banks continued to bar sale of the cards but the store gave permission to UNICEF volunteers to resume sales Wednesday.

The bank said its policy favors sales to bank lobbies. Mrs. H. Paul Riebe, director of the card sale, said UNICEF and calendar sales are heavy because of protests against the objection by the extremist Birch societies.

The cards were withdrawn from sale Tuesday at the Pacific Grove and Carmel branches of the Bank of America and Holman's Department Store in Pacific Grove after the protest was delivered by local Birch leader Dan King. He objected that money from sales of the cards and calendars goes, in part, to Communist countries.
