# Tortured by Itching

Women are almost driven insane.

Instant Relief in Dr. A. W. Chase's Ointment

One of the most distressing symptoms imaginable is the almost unbearable itching which is an accompaniment of Leucorrhoea or whites. The nerves are irritated by the poisonous discharge, and the result is an itching which is only rendered more excruciating by rubbing or scratching. Especially at night, when the body is warm, the patient is tormented beyond the powers of human endurance. Sleep or rest is out of the question. Nervousness, irritability and despondency are a natural result. In these offices there are on the file thousands of letters from grateful women who have found in Dr. Chase's Ointment a quick and certain cure for this itching to which women are subject. During the expectant period many women suffer similar agony from itching of the parts, or itching piles, which are absolutely cured by Dr. Chase's Ointment. The first application of this great discovery of Dr. A. W. Chase will afford prompt relief. At all dealers, or Edmanson, Bates & Co., Toronto.

### Davin's Description.

Mr. Davin thus described the Ottawa Government in his speech on the budget:

"Talk about redeeming their promises; why, sir, this government is like a cougasted pawn-shop, with its plethora of unredeemed pledges.

"What has this Government done? They have introduced Walpolism into this country for the first time; they have introduced the spoils system; there was a hanging committee wherever there was a Liberal organization.

"They have introduced systematic nepotism. Indeed, never in the history of politics has there been such a first-class asset as relationship to the Young Napoleon.

"Collectively, the Government is going at a gallop in the way it should not go, and no member of the Government is more guilty than the head of it, because he condones and winks at it all.

"The time is at hand when this Government, false, rotten and unsubstantial, that now sits like a nightmare on the bosom of the people of Canada will awake and the horrible mockery disappear."

# No Rest for Him

He Dreaded When Night Came on—A Well-Known Toronto Citizen Tells of His Years of Suffering from Asthma—Was Cured by Clarke's Kola Compound.

Mr. J. Foston, driver for Mr. J. Walsh, soda water manufacturer, Toronto, writes: "I have been a great sufferer from that dread disease asthma for eight years, finally the disease becoming so severe that I could no rest at night. I dreaded when night came on, for there was no rest for me. I suffered only what an asthmatic can realize. I tried many remedies; at last the stuff I smoked lost its effect. I consulted my family doctor, and after a few weeks' treatment said he could do nothing for me. I thought it funny that the science of medicine had done nothing for the poor asthmatic. A neighbour, who had been cured by Clarke's Kola Compound, advised me to try it. I procured a bottle, which helped me some. I took in all five bottles, and it has worked wonders in my case, and have not since lost a night's sleep or a day's work. It is truly a wonderful remedy, and I can cheerfully recommend it to any sufferer from asthma." Clarke's Kola Compound is sold by all druggists or by the Griffiths and Macpherson Co., Limited, 121 Church street, Toronto.
