Bringing You Up to Date  
On What's New And  
Interesting at Holman's  
By G. H. M.

Yes, Step into Easter and right through the Spring Season in a pair of the delightfully new, smartly designed PUMPS made expressly for Holman's Shoe Department in Summerside. You'll be enchanted with the array of fashion-right colors that include black, navy, brown, taffytone, red and fascinating avacado green... styled for perfect fit of smooth suede, calf, kip or gleaming patent leather. The soles are of light flexible leather or composition and the heel heights are varied from junior to tall spike. You may prefer classic Pumps with low cut vamps, then again, you may want a pair of really dress-up steppers and we have those for you too! Really, there are so many, many lovely styles that you may choose as a very special complement for your Spring costumes. Comfortable size fittings range from 5 to 8 1/2 in AA and B widths and the prices are 6.95 and 7.95. Cock an eye toward fashion and come see the Spring Shoes MADE EXPRESSLY FOR HOLMAN'S in the Shoe Department of the Summerside Store.
