

POPPY SALES BRISK IN CITY

Poppy sales were brisk at the Royal Canadian Legion poppy stand at the corner of Queen Street and Grafton Street as the annual poppy sale campaign opened, Thursday.

Evidence Of 10 Witnesses Heard At Negligence Trial

GEORGETOWN — Yesterday the complete evidence of 10 crown witnesses and the direct evidence of one other was heard in Supreme Court before Mr. Justice R.R. Bell, in the case of Percy Daniel Dunphy of Souris. Dunphy is charged with causing the death of J. George Anthony Longgiphe of Souris Line Road by criminal negligence by operating a motor vehicle while his ability was impaired by alcohol and by not having the motor vehicle under the proper control.

The crown was represented by Deputy Attorney General J. Arthur McGuigan, Q.C., and the accused by Melvin J. MacQuaid, Q.C.

In all, 15 witnesses for the crown have been heard since the case came before the petit jury Wednesday.

Witnesses yesterday included James Anthony Longgiphe, father of the deceased; James Francis Longgiphe, brother of the deceased, both of Souris Line Road; Dr. Edward Kasser, Souris, who treated both injured and deceased; Weston Blair, coroner; Joseph Pierce, Souris; Theresa MacGuigan, RN, nurse of Montreal; Shirley Battersby, Souris; Constance Rook, Souris; and Col. Colin Ronald Craig, Dinn of Souris RCMP gave his direct evidence yesterday and his cross-examination will come before the court this morning.

Evidence so far shows Dunphy and Longgiphe left Longgiphe's home in Souris Line Road some time after 10 p.m. June 7 and that the car in which they were travelling, operated by Dunphy, left the highway about one mile from the Longgiphe home at the intersection of the Souris Line Road and the St. Catharines Road.

DID NOT SMELL ALCOHOL. Evidence was given by several witnesses to the effect that Dunphy was to a degree intoxicated, but Dr. Kasser stated that he did not smell alcohol off Dunphy when he was treating him following the accident.

FIREMEN Save Youth From Blaze

MONTAQUE — Quick action by the Montague Fire Brigade yesterday afternoon positively saved the life of Merrill Dewar, teenage son of Mr. and Mrs. Claude Dewar, Montague.

The fire occurred while Mrs. Dewar was shopping. She had been gone only a short time when the fire department was called.

The boy had reached the pantry where the firemen found him apparently suffocating from the effects of smoke. They took him from the burning building and administered artificial respiration until rushed him to the Kings County Memorial Hospital where it is reported that he is recovering.

The home was completely gutted. Cause of the fire is unknown. It is reported that the home was not well insured.

Apartment Building Hits \$50,000 in City

During the last of September and the first of October, the City of Charlottetown issued building permits valued at \$50,000 for the construction of 53 apartment units.

J. Alfred Hennessey and W.G. Baird were issued a permit to build an apartment building on the site formerly occupied by the rectory of the Holy Redeemer Church.

Valued at approximately \$19,000 the 16-unit building is being constructed by Williams, Murphy and MacLeod.

A \$200,000, 28-unit apartment building is being built by Stewart Ross, Fredericton, N.B., for River View Homes, King Street, across from Rochford Square. Albert Roper is building a 14-unit apartment at 21 Water Street valued at \$60,000. He is doing construction himself.

Dr. Bolger Is Guest Speaker At Notre Dame H-S Session

P.E.I.'s entry into Confederation was the topic chosen by Rev. Francis Bolger, S. Dunstons University for his address to members of the N. of E. Notre Dame Home and School Association at their first meeting in the 1964-65 school term, on Nov. 4.

The well-attended meeting, which was chaired by President Connie LeClair, got underway with the Home and School Prayer.

Mr. Hagen, the provincial president of the Home and School Association, spoke on the education program being geared to meet future automation and the importance of parents being well informed. Mr. Hagen paid tribute to the late Mgr. Roy McGilivray, the president of the Notre Dame Home and School Association.

A minute's silence was observed in his honor. Sister St. Rita, principal of Notre Dame, officially welcomed the many parents present and informed them of the personal efforts of the Home and School Association.

His Nova National Roman Catholic Ribbons. Ahead of them was E. H. Himmelman's bull he imported from England two years ago. Himmelman also bred Romeo.

Pulton Sanderson and Sons, already in the news with the grand championship steer of the year, had a junior champion ribbon with Thornbury Laura Crever, a junior yearling heifer.

The Sandersons also won with a junior heifer calf. The Matheson herd produced a first-prize summer yearling heifer, a couple of seconds, a couple of thirds among other ribbons in the first day of competition.

ONE ANIMAL, ONE WIN — Claret Reserve, Hunter River RR set only one animal to the fair but the summer yearling bull topped his class.

George Goodine and Sons had the reserve. Norman Spence, Newport, Station, N.S. had the reserve junior champion.

Otto B. Newson, Cornwall had a third prize junior calf, in addition to the first prize senior yearling bull and the first prize senior heifer calf. His bull had been junior champion at three shows on the island this year, including Charlottetown.

The MacRae herd won first place in junior heifer calves, and junior yearling heifers, among other prizes. They also scored wins in the junior get of sire and junior heifer classes.

The herd of Keith Boswell and Son got close to the top several times, they were second and fourth in junior male calves for their best showing of the day.

The Palmers were the only Islanders who won a junior bull calf in the show and the top yearling heifer, and the top senior yearling heifer, along with other string placings for a really good afternoon.

It was their class-leading junior yearling heifer that took the Junior Guernsey championship for them. Reserve was Roland Parker of Newport, N.S.

The senior female classes are being shown today and this will complete the cattle show at this second Atlantic Winter Fair.

ADB Officials Expected Today — Atlantic Development Board officials are expected in the province today to meet with officials of the local branch of the department of public works, Industry and Natural Resources Minister Leo Rossiter expects to meet the Board representatives to discuss progress of island projects assisted by the board.

Three Injured In Accident At North River — Three persons were taken to hospital last night following a two-car collision at the corner of the Wilshire Road at the Trans-Canada Highway at North River. None were believed seriously injured. A small European car driven by Ivan Taylor of Cornwall accompanied by Mrs. Taylor was proceeding west towards Borden on the Trans-Canada when they collided with a car driven by H.L. Palmer of Charlottetown who was proceeding south on the Wilshire Road. The accident occurred about 5:45 p.m. The side of the Taylor car was badly damaged. Mr. and Mrs. Taylor were both taken to hospital but Taylor was released. Mrs. Taylor was admitted with a shoulder injury. A passenger in the Palmer vehicle, Blanchard Mahon of Charlottetown, was taken to hospital but later released.

Montague Elementary School Forms Student Police Force

MONTAQUE — Montague elementary school is in the process of forming a student police force. These young police will supervise at the cross walks during the busy period to enable other students to cross safely.

Robert Mills, physical education instructor at the school and Ed. Downe, town policeman, are giving instructions to those who will be involved. Their police will take over next Monday.

The streets of Montague are considered to be well marked and police have expressed the opinion that many drivers do not drive the students an even break on crossings and the school management has agreed that this is a good way to educate the children in the use of crosswalks.

It will be the job of the police to see that the operators of motor vehicles obey the young policemen who will be easily identified and if they neglect to do so charges will be laid, it was said.

Shipping Picks Up In City Port

Shipping activity in Charlottetown is brisk these days as the fall shipping season brings potato, oil and cargo ships to port, preparatory to winter.

In port is the Majlister from South America, loading a cargo of 5,000 crates of seed potatoes and 17,000 one hundred pound bags of table stock potatoes for Puerto Rico. P.E.I. Produce is loading the bags and H.B. Willis, the crates.

The Irving Oil tanker, Irving Stream is in port unloading and the Irving tanker Irving Brouk has been here and gone.

A Texaco tanker was in earlier this week but has also departed. Several more potato boats are expected this fall before the ice sets in.

WINS MEDALS

The U.S. has won 1,078 medals in the 14 summer Olympic Games, more than any other nation since their inception in modern times in 1896.

With other string placings for a really good afternoon. It was their class-leading junior yearling heifer that took the Junior Guernsey championship for them. Reserve was Roland Parker of Newport, N.S.

The senior female classes are being shown today and this will complete the cattle show at this second Atlantic Winter Fair.
