You Can Pin Your Faith

To any representation we make. The Watches we sell are the best money can buy. And the plain truth is strong enough to sell them in these days of sham and misrepresentation, take time to think before buying a watch. We have some exceptionally good movements in plain nickle and silver cases. They make good, sensible, everyday watches. If a single one proves less trustworthy than we promise we'll take it back willingly.

DOMINION DAY. — Tomorrow being Dominion Day and a public holiday THE EXAMINER will not be issued.

ATTRACTIONS.—The A. O. H. and Crescents sports tomorrow will be the stellar attractions. Big programmes have been arranged for each.

AN OVERCOAT has been left with the caretaker of Prince of Wales College, which the owner may have by proving property and paying for this advt. tf

WELL WORTH HAVING.—Mr. Horace Hazzard has issued a very neatly printed hanger containing railway and steamboat time tables. Incidentally the people are advised as to the placing of their insurance.

BRICK OF GOLD. — One of the finest bricks of gold ever taken in the provinces from a small amount of quartz, was cleaned up last month at T. U. Baker's Gold River mine. From 16½ tons of quartz 157½ ounces, valued at over $3,000, was secured.—Halifax Herald.

LOTS OF MORMONS.—According to the McLeod, N. W. T. Gazette since May 1st a very large number of Mormons from Utah have arrived at Cardston, and are settling between there and Lethbridge. It is estimated that with those who are now known to be en route, the number of arrivals since the above date will reach 500, and it is expected that by September the total number of Mormons in the colony will reach 2,000.

WARNING TO SCORCHERS.—Nearly two years ago Mr. C. E Day, proprietor of the Grand Central Hotel, Parrsboro, while riding a bicycle near the railway station in that town, collided with Mrs. George DeWitt. The lady has since suffered from the effects of the accident, and entered an action against Mr. Day in the Supreme Court for $2,000 damages. The case has just been tried at Kentville before Judge Ritchie and a jury, and a verdict given in favor of the plaintiff for $700 and costs.

TWO GREAT CANALS—Probably the largest canal in the world—a distinction of some note in these days of wonderful engineering feats—is the Chenab irrigation canal in the North-west Province of India. Its breadth is 200 feet, with a main channel some 450 miles long, while the principal branches have an aggregate length of 2000 miles, and the village branches will extend, when completed, some 4000 additional. But, apart from irrigation, the largest canal in the world is that which extends from the frontier of China to St. Petersburg, and is 4472 miles in length. The Bengal canal, connecting with the river Ganges, is 900 miles long, and in all India there are 14,000 miles of canals, irrigating 8,000,000.

FIFTY YEARS AGO.

Oh! I was born some years ago,
When George the Third was King:
And yet it seems but yesterday,
For time is on the wing.

Chorus,—

Oh, I be one of the olden time,—
Don't say I am too slow,
But give to me those good old days
Of fifty years ago.

I bear the name of Benjamin,
But some they call me Ben,
And through this world I've roved along
For three-score years and ten.
The world is always on the move
(At least they tell me so);
Are people any better now
Than fifty years ago?

Chorus.

Then boys were boys, and men were men;
They went to bed at ten,
They did not put on airs at all,
Nor act the ways of men.
But now they'll call for bitter beer,
And in your face they'll blow
The smoke from Cuba's penny-fo;
But I should like to know
What would our parents say to this
About fifty years ago?

Chorus.

At midnight, too, you'll hear young men
With husky voices sing,
Saying "Champagne Charlie is my name";
You know it's no such thing.
To hear them praise those sparkling wines
It makes a man severe,
When he knows they could not raise the price
Of half a pint of beer.

Chorus.

Housekeeping.

If a woman is in good health there is no more beautiful employment than housework. Generally speaking, there is no happier woman in the world. But how different when every breath is pain, every step torture! This state of health, in nine cases out of ten comes from derangements of the delicate, feminine organs of generation. The family doctor inquires first concerning these. He most usually insists upon an "examination." From this the modest woman naturally shrinks. She is right. Except in very unusual cases of "female weakness" examinations are unnecessary. Dr. Pierce's Favorite Prescription is a simple, natural remedy for these ills. It cures safely, *permanently*.
