

The Young Men of the Liberal-Conservative Party are particularly requested to attend the meeting of the Junior Club this evening at eight o'clock sharp, in order to make arrangements for their representation at the Convention on Tuesday next. See the Secretary's advertisement.

Local and Other Items.

HON. PETER GAVIN is in the city. THE market to day was small. Prices unchanged. SIR LEONARD TILLEY is now in St. John, and Sir Charles Tupper is in Amherst. AN excellent lot of ware, in milk dishes, etc., at the Pottery, cheap. [m26 10t eod] THE Moncton Times says, the Wood Boom in Westmoreland County, is the greatest boom on record.

A MAN named Joseph Bell, of St. Stephen, N. B., was killed at Carleton, on the 24th inst., by falling from a train while in motion.

THE brig, "Princes Chaleur," was lost in the ice on the 11th inst. She was on passage from Barbadoes to Montreal. The crew were saved.

JOHN MONTGOMERY a brakeman of Conductor Thompson's train had one of his hands very badly smashed while coupling cars at Hunter River on Tuesday last.

SAVINGS BANKS.—The establishment in this Province of four additional Savings Banks is another boon which the present Government have conferred.

THE steamer "Prince Edward" arrived from Pictou last evening, and is now loading out at the Railway Wharf. She will sail for Europe on or about Wednesday next.

MR. HORACE HAZARD has imported direct from India some very superior tea. This is the first direct importation ever made to this city, and is, we learn, quite satisfactory to Mr. Hazard.

MR. L. MORRIS and Capt. Jas. Walsh, jr., of Summerside, have recently purchased the schooner "Kate" from parties in Charlottetown, to be used for carrying coal during summer.

TO CORRESPONDENTS.—"Elector," Murray Harbor District, received, will appear to-morrow or Monday. Correspondents will please make their favors as short as possible. Short and sharp—that's the word.

THE Percheron Stallion "Havre" arrived from Pictou last evening, and was exhibited at the market to-day by Mr. P. S. Brown. The horse attracted a great deal of attention, and won golden opinions from many of our farmers for his style, size and speed.

THE drama of the "Two Orphans" was produced by "Our Folks" Company, at the Academy of Music, last evening. All the characters were well sustained, and the play was rendered to the satisfaction of all present. To-night the "Colleen Bawn," etc., will be reproduced.

WE should have stated yesterday that the unseemliness of Mr. L. E. Davies being at once legal adviser to Mr. Morris and the Sheriff, in the scrutiny now going on, was too apparent; and that even before the insertion of the EXAMINER paragraph on Monday, a change had, unknown to us, been made.

THE invoice of the stock-in-trade of boots and shoes, lately owned by E. W. Smith, of this city, amounting to \$5,346.70, was sold yesterday by A. McNeill, Auctioneer, and purchased by E. Jacques & Co., Quebec. The whole of the same stock will now be resold, by auction, in large lots, and offers a rare chance to the trade. Notice of sale day, etc., will appear in a few days. Printed stock list is being prepared, and will be mailed to merchants in town and country.—A. McNeill, Auctioneer.

THE American schooner "Island Queen," Captain Kemble, from the western Banks of Newfoundland, also arrived at Halifax on the 23rd inst., after an attempt to enter Canoe, whither she is making to effect repairs, having had her mainboom and foresail carried away in a gale. She reports that when off the coast the ice was visible as far west as Liscomb and extended north as far as the eye could reach. On the 21st inst., she spoke the brig, "New Era," of P. E. I., from Liverpool, bound to P. E. I., which had been five days in the ice.

MR. JAMES D. MACDONALD, formerly of this city, but now of New York, has been elected President of the "Sania Ines Agricultural Company," of New York. The Company, according to the prospectus we have received, was incorporated for the purpose of buying land in Lower California and cultivating the same. It has already selected three tracts of land lying in a valley facing the Gulf of California, and the work of sugar cultivation will shortly be commenced. The enterprise, we are informed, is of great merit, and will, no doubt, succeed. We wish Mr. MacDonald and his Company success.

MR. P. D. EYRE, Kansas City, Mo., one of the proprietors of the Commercial Indicator, says he knows the St. Jacobs Oil to be a most valuable remedy for rheumatism. SEED POTATOES.

WE have received per ship "Roseneath," from Glasgow, Scotland, 560 bushels "Regents," an early potato, similar to our "Early Rose," but dryer and much better flavored. A certain party in Dartmouth planted a half bushel of this kind last year and got a yield of thirty bushels of choice potatoes. 183 bushels "Victorious," an excellent potato for family use during the winter and spring. 189 bushels "Champions," good for family use or for stock. The above mentioned potatoes are recognized by all who know to be the best varieties of potatoes grown in Scotland and Ireland, and we feel confident in saying, from all that we could learn from their past history, while there last winter, as well as from using them, that parties planting them here will realize most handsome profits from their investment, on account of the extra yield they will get, the price they will command, and the fact that they will not rot or blight. Those potatoes have been in the ship for forty days and come out perfectly sound and in splendid growing condition, which of itself should be a sufficient guarantee of their keeping qualities. Every farmer should plant some of them. Price at store or put free on cars, \$2.25 per bushel. A. GUNN & CO., 253 and 255 Barrington Street, Halifax, May 5, 1882. [ma 13 2t] pd
