Important Discovery.

TORONTO, Feb. 20.—Among the surprising strides made by medical science in the last decade perhaps none is of more importance to humanity than the discovery of a cure for Bright's Disease of the Kidneys. That this remedy completely masters this terrible disease as well as all the other diseases which the kidneys are subject to is now an established fact. Every day brings news of the most surprising cures resulting from its use. The case of Mrs. Brown, of Toronto, who, when about to enter the Home for Incurables, given up by the hospital authorities as well as by fifteen prominent medical men, also that of Sam Murray, of Gravenhurst, who was given up by four doctors and who was paid his life disability claims by the Grand Trunk Ry., has attracted widespread attention. Both were completely cured by Dodd's Kidney Pills.

"It is strange," said one young woman to another, "that so many foreigners should be anxious to sell themselves to American heiresses."

"Yes. They are a good deal like novels."

"Why?"

"The sale depends largely on the title."—Washington Post.

That Pale Face.

For Nervous Prostration and Anaemia there is no medicine that will so promptly and infallibly restore vigor and strength as Scott's Emulsion.

"Could you make it convenient to lend me $100, Jack?"

"I don't know. If I were to lend it to you I would be a man of some distinction."

"How is that?"

"One out of a hundred."—Yarmouth Item.

"What makes you think that?" asked his wife.

"Well, I have just been reading a lot of stories about American women, and there was wasn't one of them who had a thing to wear."—Brooklyn Eagle.

The Children's Enemy.

Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip disease, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

If Afflicted, Try It. It Will Cure You.

Malcolm McLean, of Kensington, P.E.I., writes the following:

For five years I suffered from severe Chronic Bronchitis, for which the doctors and numerous patent medicines failed to give relief. My physicians and friends advised a change of climate as my only hope. HAWKER'S BALSAM OF TOLU AND WILD CHERRY was recommended to me, and I am happy to say that I was entirely cured before I had used two large bottles. I consider it to be truly a wonderful medicine, and cheerfully recommend it to all so afflicted.
