Croken-Hamhill Wedding

—A very pretty autumn wedding took place at St. Malachias' Church, Kinkora, on Sept. 12th, when Margaret Elaine Hammill was united in marriage to Pius Joseph Croken. The ceremony and Nuptial Mass was performed by Rev. Harold Croken, Cardigan, cousin of the groom, assisted by Rev. Preston Hammill, brother of the bride.

The bride was given in marriage by her father. Her wedding gown was of ivory satin with finger-tip veil, held in place by a beaded coronet, and she carried a bouquet of Better Time roses. Her jewellery consisted of a brilliant necklace with matching earrings, the gift of the groom.

The bridesmaid was Miss Joan McCarville, cousin of the bride, and she chose for her gown Nile green lace over taffeta with matching turban and mitts. The groomsmen were Mr. Louis Croken, brother of the groom. The bride's mother was dressed in a royal blue taffeta with rose accessories and wore a corsage of pink roses, while the groom's mother wore navy print with navy accessories and a corsage of yellow mums.

The ushers were Robert Croken, brother of the groom, and Elmer Hammill, brother of the bride. The music was capably rendered by Sister Mary Peter while Mr. Sabinus McKenna, uncle of the bride, sang appropriate hymns.

Following the marriage, a reception was held at Birch Hill Tourist Home and dinner was

served to sixty guests. The wedding table was decorated with the bride's and groom's cakes and centered with cut flowers. The toast to the bride and groom was proposed by Rev. Francis McQuaid of Kinkora and fittingly responded to by the groom. Fitting speeches for the occasion were made by Rev. Harold Croken, Rev. W. E. Monaghan, Rev. Eugene Murray, Rev. Preston Hammill and several other speakers.

After the reception the guests left for the home of the bride where a few social hours were enjoyed by all before the departure of the happy couple on a motor trip to various parts of the Maritimes. For travelling the bride wore a wine gabardine suit with black accessories. On their return, the bride and groom will reside in Emerald where the groom is a prosperous farmer.

Previous to her marriage, the bride attended a shower at the home of her grandmother, Mrs. Patrick Hammill, where she received many beautiful gifts and a considerable sum of money.

SUMMERFIELD C. W. L.

—The September meeting of the Summerfield Sub-Division of the Catholic Women's League was held at the home of the secretary, Mrs. Thomas Sullivan, on Sunday evening, Sept. 9th with an attendance of twenty members and two visitors.

The meeting opened with the recitation of the League Prayer by Rev. Director Fr. Murray and the president occupied the chair. The minutes of the previous meeting were read by the secre-

tary and approved as read. The president gave a very interesting and detailed report of the Diocesan Convention the theme of which was, "Peace in the World" through family prayer. The treasurer gave her report and it was moved and seconded that all outstanding accounts be paid.

A letter received from the Diocesan president requesting articles for the bazaar in aid of the Charlottetown Hospital was read and after some discussion it was decided to have Fr. Murray re-read the letter to the congregation on Sept. 16th and all donations are to be left at the Parochial house. Three "Thank you" cards for Messages of sympathy sent were also received.

Ways and means of raising funds were discussed and it was decided to have a card party in Emerald hall, arrangements to be made at the October meeting. It was decided that henceforth after the business meeting is completed, several of the C. W. L. by-laws would be discussed each evening for the benefit of the members.

As there was no further business Mrs. Caul Hughes invited the members to her home for the October meeting.

The meeting was then brought to a close by the recitation of the Act of Consecration to the Blessed Virgin and a dainty lunch was served by the hostess.

SCOTTISH DISH

Cookie-leekie soup, a famous dish in Scotland and the north of England, is made from a fowl boiled with leeks.

LOST
\$ 6,000,000,000 YEARLY

Estimated on the basis of 2% wastage of iron and steel due to rust.

You pay a share of this tremendous loss, if you fail to protect iron and steel surfaces from the metal-consuming "fire" of rust. Yet, rust CAN be stopped by sealing the surface so that no oxygen can reach and oxidize it. RUST-OLEUM combats rust as effectively as water quenches fire.

For less than 1-cent per square foot you can add years of life to metal roofs, gutters, smokestacks, fire escapes, railings and fences. RUST-OLEUM will positively stop and prevent rust on all types of metal surfaces.

Call for a descriptive circular that gives full information—no obligation, of course. Try RUST-OLEUM now!

EASY TO USE... LASTING PROTECTION

- No expensive preparation is required. Simply wipe brush surface to remove scale, paint blisters, dirt, etc.
- It is not necessary to remove every appearance of rust.
- RUST-OLEUM penetrates surface rust and incorporates it within the protective film—a water and air-proof rust-inhibiting coating that does not crack, blister or peel.
- Excellent coverage—less than 1-cent per square foot.
- Available in a full selection of colors.

Apply by Brush, Dip or Spray!
