REAL ESTATE.—The Walsh property on Grafton Street, near the Prince of Wales College, consisting of three dwellings and a town lot, was sold at auction by William Dodd, today, and purchased by Mr. A. A. McLean, for \$1770.

LARGELY ATTENDED.—The lecture of Charles Watts, at Summerside, last evening, was largely attended, about 500 being present. At the conclusion of the lecture a friendly debate was engaged in by Mr. Watts, Rev. J. A. Cahill, and Dr. McIntyre.

THEY WENT SHOOTING.—A couple of young gentlemen went to Gallas Point yesterday to shoot seals. They report the animals quite numerous at that place. The tides, however, which they brought back did not correspond with the number of skins they captured.

TENNIS.—The ladies' and gentlemen's Tennis tournament, for the prizes presented by Mr. and Mrs. Sluggett, which was postponed to-day, will take place to-morrow (Wednesday) afternoon at 4 o'clock sharp. Players not on the ground at that hour will be ruled out.

IN THE TRENCH.—A fat pig fell into the waterworks trench on the Malpeque Road yesterday. The animal fitted the trench very tightly, and it took several men to pull him out, which was done with much grunting and many plaintive squeaks on the part of the porker.

DRAWNED HERSELF.—On Wednesday last, Mrs. John Cann, of Cheegoggin, near Yarmouth, during a fit of despondency, went to a large pond or lake near her husband's house, took off her shoes and walking out into the water, was drowned. The deceased was about 53 years of age.

STIPENDIARY MAGISTRATE'S COURT.—John Macdonald, drunk, \$1 or 4 days; James S. Walsh, do., do; John Macdonald, do., \$2 or 8 days; Leo LeBlanc, do. (\$1 or 4 days; Chas. Langier, do., do; Joseph Curbiak, do., do; Duncan McGregor, do., do; John King, disorderly about the streets, remanded till to-morrow. Four Scott Act cases adjourned till Tuesday next.

SEVERELY INJURED.—We regret to learn that Mr. W. N. Tanton, watchmaker and jeweler, of this city, while visiting his wife's father at Southport, yesterday, accidentally cut the back of his hand, a little below the wrist, with a hatchet, severing the principal arteries. On his arrival in town Mr. Tanton had the wound dressed, and is now doing as well as can be expected.

A BRACE OF ACCIDENTS.—Yesterday afternoon Mr. John Holman's horse ran away on Bayfield street, and Mr. Holman, who was alone in the carriage at the time, was thrown out and injured about the head and neck. Later on in the evening, Mr. Peter Macdonald, who belongs to the Western part of the Island, was driving homewards when his horse took fright and ran away, throwing him to the ground and cutting him severely about the head.

A NARROW ESCAPE.—On Saturday afternoon three young men engaged one of Slackford & Hayden's sail-boats to go to Ponnal. When they got a short distance outside the harbor the boat upset and all were thrown into the water. All three gasped the boat, and held on to the shore to their assistance. One of their number, a young man named Murray, narrowly escaped being drowned.

THUNDER AND LIGHTNING.—A very severe thunder storm visited Moncton shortly after noon on Friday. Houses and trees were struck on Steadman street, shattering over 50 panes of glass in surrounding houses and splitting trees. Several minor accidents are reported of persons having been dazed by lightning, but no one seriously injured. The electric fluid struck the telephone wires causing bells in houses to ring. The storm only lasted a short time.

I. O. O. F.—The following elective officers of St. Lawrence Lodge, No. 8, were installed into their respective chairs by District Deputy Grand Master Theo. L. Chappelle:— N. G.—J. S. Nelson. V. G.—Pope Clarke. R. S.—John F. Wheat. P. S.—Charles Lawson. Treasurer—David R. McLennan. The subordinate officers will be appointed and installed at the next regular session.

PLANKWAY EXTENSION.—It is pleasing to note that a new plankway is being placed on the west sidewalk of Lower Great George Street. We hope that it will be extended over the space in front of the Bishop's Palace. This space is very muddy in the spring and fall, and citizens as they plodded over it, have often wondered why it was so long left without a plankway. We feel confident that Mr. Smith will have pleasure in superintending the work, as soon as the necessary order from the Street Committee is received by him.

TO-MORROW.—Do not forget the mammoth excursion and tea to Cape Traverse to-morrow. Every arrangement has been made for the comfort and pleasure of those who attend. The trains have been arranged to run right through to Cape Traverse, without delay, returning at a cool and seasonable hour in the evening, thus giving ample time to "do" the tea, participate in the amusements, enjoy the sail, and stroll around the shores. Three revolving stools, a shooting gallery, three dancing booths, quots, and other amusements, will be provided, while music will be furnished by two Highland pipers, and several of the best violinists in the province. The tea tables of which there will be twelve, and the refreshment saloons, will be well supplied with the delicacies of the season, and will be presided over by experienced attendants.

Dominion Day Demonstrations.

THE HOLIDAY GENERALLY OBSERVED.

HALIFAX, July 2. Dominion Day was quietly observed in this city. The banks and public offices were closed, the citadel was gaily decorated with flags, and salutes were fired at noon.

At Windsor, Digby, Pictou, Truro, Parrsboro and other towns the day was celebrated with great eclat and elaborate programme of sports.

FREDERICTON, July 2. To-day dawned beautifully fine and the citizens with the numerous visitors who had arrived on Saturday and Sunday, were astir early to witness the celebration events. The programme from beginning to end was faithfully carried out, and the firemen feel justly proud that their efforts so enthusiastically backed by the citizens to make the day a memorable one, were fully rewarded. The visitors numbered nearly 4,000, but all were taken care of by the numerous hotels, boarding houses and lunch rooms. There was excellent order throughout. The first feature of the celebration was the polymorphian procession. The display was very fine and there were some excellent and original representations. The firemen's races were called at 2 p. m. on Queen Street.

In the horse race, Houlton took first prize, \$100; Fredericton second, \$50. Time, 1m. 21s. The 100 yards race, free to all, had six entries. There was a lively tussle for first place. Cliff, of St. Mary's, won the prize, \$10, time 11s., with Scott, of St. John, a close second. In the half mile race for amateurs, Charles O'Reilly, of St. John, captured the prize, a handsome silver ice picher. There were only two entries for the hook and ladder race, Houlton and Fredericton. Houlton captured first prize, \$50, time 2.30, Fredericton's being 2.38—the distance was 200 yards. This evening the firemen had a torchlight procession. There was quite a general illumination, and the day's celebration closed with a splendid display of fireworks on Parliament Square.

TORONTO, July 2. Dominion Day was celebrated throughout Ontario in right royal style. Fortunately few accidents occurred to mar the pleasure of the day.

Stanley's Fate. LONDON, July 2. The steamer Volta has arrived at Liverpool, with Congo despatches to May 27th, which give further details concerning the camp on the Aruwhimi. The camp was suffering from lack of food and maladies arising from the surrounding swamps. A reconnoitering party, which advanced along Stanley's route, passed quantities of human bones, apparently the remains of victims fallen in fights between Stanley's followers and the natives. No relief was received by the camp from Col. Tib. Major Bartlett, believing Stanley to be not more than 500 miles beyond the camp in the direction of Khartoum, was preparing to strike his tents, push on and join him.

Diocesan Synod. HALIFAX, July 2. The Diocesan Synod to-day discussed propositions looking to the consolidation of Kings College with Dalhousie of Halifax. The resolution was strongly supported by Bishop Courtney, W. C. Silver, Archdeacon Gilpin, Hon. A. G. Jones and Rev. Dr. Hole, and will doubtless be carried when the vote is taken to-morrow.

A committee of five was appointed to act with Bishop Courtney and the executive committee in removing rectors from parishes when two-thirds of the parishioners petition therefor.

Berlin News. BERLIN, July 2. The Rheinische Westphalische Zeitung (free Conservative) asserts it was the Emperor's will that England should not be mentioned in the speech from the throne, and adds "something more will be heard of English interference with German affairs."

Ontario News. TORONTO, July 2. The Victoria Rifles, of Montreal, left for home to-night after meeting with a most hospitable and enthusiastic reception. They were entertained to their hearts' content.

Weather Bulletin. TORONTO, July 3—10 a. m. Light to moderate winds; fine weather, with a little higher temperature.

Dominion Day.

DOMINION DAY was quietly observed yesterday. The weather was beautiful. Most of the stores and public offices were closed during the day. There was cricket and lawn tennis at the Park in the afternoon, but the games did not have the effect of attracting a great many people to that locality.

The tea at Hunter River was largely attended and very successful. Seven carloads of people left town for there yesterday morning. The other teas were also well attended and successful.

Upwards of two hundred people went to Pictou in the Princess of Wales. The majority of them attended the Bazaar and games in aid of the Stella Maria Convent, which they report passed off successfully. The steamer returned about eleven o'clock last night, all the excursionists being well pleased with the trip.

The excursion to Brule in the Heather Belle was not so largely attended as expected—only about fifty persons taking advantage of the trip, which was a very pleasant one.

There was more than the usual number of private picnics and fishing parties, and as a result some tall stories are in circulation to-day.
