

### Apple Day Sale In City Very Successful

Uniformed Scouts and Cubs from city troops and packs roamed the streets with gaily coloured baskets filled with Island apples Saturday. It was "Scout Apple Day" and returns indicate it was one of the most successful yet held. Total receipts received in Charlottetown amounted to about \$1200. Net proceeds following payment for apples and other expenses were not officially known. It is expected, however, when complete provincial returns are made, the sum realized should be well in line with previous years.

### IN MEMORIAM

In loving memory of a dear son, husband and father, William Donald Cooke, York, who passed away Nov. 2nd, 1951.  
More and more each day we miss you.  
Though our thoughts are not revealed,  
Little do they know the sorrow,  
That's within our hearts concealed.  
Though his smile is gone forever,  
And his hand we cannot touch,  
We shall never lose sweet memories  
Of the one we loved so much.  
Lovingly remembered by Father, wife and family.

### IN MEMORIAM

In loving memory of our daughter, Mary Ethel.  
The days slip past, we ponder  
And we yearn  
To see her loving smile,  
We yet shall learn  
That God's true wisdom never  
Makes mistakes,  
The physical in all that love  
Forsakes,  
She leaves a vacancy we cannot  
Fill  
So mystical yet real, like a sunset  
Over a hill  
Whose dying colors blend in  
A beauty rare  
So blended in our hearts, her  
Love we share.  
Lovingly remembered by her  
Father and Mother, Mr. and Mrs.  
John Black, Bay Fortune.

### Start Reindeer Project In North Scotland

By DEREK JAMESON  
EDINBURGH, Nov. 2 (Reuters)—Reindeer have returned to the barren highlands of Northern Scotland for the first time in 750 years under a government-sponsored experiment aimed at easing Britain's food shortage. Taking a lesson from the Lapps of Scandinavia and Finland, experts on the Reindeer Council of Britain look forward to the day when thousands of herds in Scotland provide Britain with milk, food, hides and other products. The government-backed council released eight Swedish reindeer-cousins of the North American caribou—in Sutherland, a remote northwest county of Scotland, last April. Three died, but the other five are reported to be well acclimatized to the Scottish climate. Ten other reindeer arrived last week-end and are in quarantine waiting to go to the council's special reserves in Sutherland, a sparsely settled land of hilly moors and bogs. It is the nearest thing to home that Britain can provide for the tundra-loving reindeer. The small, shaggy animals last inhabited Northern Scotland in strength in the 11th and 12th centuries when the Norsemen plundered the Northern Highlands and settled there for 100 years. Though the three-year experiment has hardly begun, Sir Frederick Whyte, chairman of the Reindeer Council, said that progress was "promising". As self-supporting animals, they can exist where cattle and sheep would die. Reindeer moss, their staple diet, abounds in the area. Reindeer multiply rapidly and if the 15 settle down happily to their new surroundings Whyte has great hopes that at the end of three years there will be a sizeable herd.

### Air Cadet League Officer On Tour

OTTAWA, Nov. 1—George A. D. Will of Belfort, Sask., vice-president of the Air Cadet League of Canada, left here today on a tour of the four Atlantic provinces in the interests of the Royal Canadian Air Cadets. During the coming week Mr. Will is slated to attend Air Cadet League gatherings in Nova Scotia, Newfoundland, Prince Edward Island and New Brunswick during which he will address representatives of every Air Cadet Squadron in those areas. The annual meeting of the Prince Edward Island Provincial Committee, Air Cadet League of Canada, will be held on Friday afternoon, November 7th at the Charlottetown Hotel, with Provincial Chairman, W. S. Chandler in the chair. Representatives of the Island's two Air Cadet squadrons will be in attendance. At each provincial meeting the vice-president will interpret national policies of the League and will outline plans for stepping up the Air Cadet training program in 1953. Among the matters to be considered is a boost in Air Cadet strength to 20,000 by year's end and continuation of such special projects as flying training, international exchange visits, summer camps and technical training courses for Air Cadets. He will also stress the importance of maintaining at full strength the volunteer civilian committees which support each of Canada's 233 squadrons.

### Active Career

A former Group Captain in the wartime RCAF, Mr. Will has been active with the League since 1945 when he retired from the Air Force to return to his large grain growing and cattle raising operation at Melfort. In addition to his former position with the League, he serves as chairman of the Saskatchewan Provincial Committee. He is married and has two daughters. While on tour the League vice-president will be accompanied by Asst. General Manager Arthur Macdonald, and Mr. W. C. M. Black, DFC, Air Cadet Liaison Officer at Air Force Headquarters.

### IN MEMORIAM

MRS. ERNEST McMILLAN

On October 9th, 1952, Marie Chisholm McMILLAN passed to her eternal reward after a brief illness at the Charlottetown Hospital. Her sterling character, fine Christian principles, generous hospitality and friendly and unselfish way of life endeared her to the hearts of all those with whom she came in contact, not only her family, but in her community life. All her life she lived in Vernon River Parish. She was born on April 7, 1894 at Uigg, the daughter of Anselm Chisholm and Elizabeth Carroll. She was predeceased by her only two brothers, Joseph and Michael Chisholm. She is survived by her only sister, Mary Chisholm of Belmont, Mass. Twenty eight years ago she was united by the holy bonds of matrimony to Ernest McMillan of Vernon River, who survives to mourn the loss of his true and faithful wife. A vacancy has been created in the life of her mournful husband and sister that will never be filled. Her parish too has lost a member that for every activity had given generously of her time, efforts and worldly goods. A kindly neighbour and true friend to all in need with a sympathetic understanding of everybody's troubles were attributes she possessed and which made her loved and respected by all. Her passing was deeply mourned by her many friends, relatives and neighbours, a fact which was attested to by the reception of so many Mass Offerings, Spiritual Bouquets, and floral tributes, and by one of the largest attended funerals ever witnessed in Vernon River Parish. On October 13 a Requiem High Mass was celebrated in St. Joachim's Church by Rev. K. C. MacPherson, her oldest surviving relative, following which she was laid to rest in the family plot of the Church Cemetery. May her soul rest in peace.

### Vacant Business Lots Under Survey

Dominion Stores representatives from Toronto, Montreal and Halifax were in Charlottetown on Saturday, looking over sites with the possibility of establishing here. It has been reported for some time that they were interested in the McLaine property, on Grafton Street, but no deal has been negotiated. A survey was also made last week of the property said to have been acquired by T. Eaton Ltd., adjoining their order office on Kent Street. No official information, however, as to the present ownership has been released. This large vacant lot was formerly the site of the Eldon Hotel and extends through to Fitzroy Street.

### IN MEMORIAM

In loving memory of our daughter, Mary Ethel.  
The days slip past, we ponder  
And we yearn  
To see her loving smile,  
We yet shall learn  
That God's true wisdom never  
Makes mistakes,  
The physical in all that love  
Forsakes,  
She leaves a vacancy we cannot  
Fill  
So mystical yet real, like a sunset  
Over a hill  
Whose dying colors blend in  
A beauty rare  
So blended in our hearts, her  
Love we share.  
Lovingly remembered by her  
Father and Mother, Mr. and Mrs.  
John Black, Bay Fortune.
