

THE DAILY EXAMINER.

SEPTEMBER 24, 1890.

Notes and Comments.

The Toronto Globe reports that the total admission receipts for the ten days of the Toronto Industrial Exhibition amount to \$69,323, or \$10,627 more than last year.

Halifax is suffering from a visitation of diphtheria, and her newspapers are discussing the matter of her sewers.

The Scientific American says of the new Sault Ste. Marie canal. "The enlargement of this canal in 1881, cost the federal government three million of dollars, and the second enlargement will cost the government five millions more."

A remarkable illustration of the law of heredity in crime has been found at Indianapolis, where a chart was recently exhibited which showed, through an exact genealogical tree that every crime of consequence committed in that city is to be traced to a single family connection.

Sydney Webster, the United States lawyer, who has recently figured prominently in press discussions of the Behring Sea dispute, pays high tribute to the Canadian ministers who have advocated our side of the controversy.

We hope and expect that there will be a large influx of visitors to Charlottetown in the coming exhibition week. It is, therefore, pleasing to learn that provision is being made for their comfort and accommodation while here.

Montreal Gazette: "When an interchange of commodities occurs, the trade is more economically and advantageously conducted than when sales on one side are not offset by sales on the other."

Unfairly Treated. SIR.—In your issue of 23rd inst., you refer to the very satisfactory races at Summerside on the 20th inst., and compliment the management thereon.

PERSONAL. The Courier Francais says President Carnot is expected to visit Queen Victoria at Windsor next spring.

ISRAEL AND GLADSTONE.—It was arranged that the stallions Israel and Gladstone should trot a mile race at New Glasgow on Friday last, for \$100 a side.

King's County Exhibition.

OPENING ADDRESS BY HON. D. GORDON.

A Highly Creditable Exhibit. Large Attendance.

(By Telephone to The Examiner).

The first annual Exhibition, under the auspices of the King's County Exhibition Association, was held at Georgetown today. It was very successful.

Shortly after one o'clock Hon. D. Gordon opened the Exhibition. He began by expressing regret that His Honor the Lieutenant Governor was unable to be present.

The drill shed display of fruit is much larger than that of former years, and the quality is excellent. There are sixty-seven entries and nineteen different varieties of apples, exclusive of crab apples, besides a large quantity of small fruits.

The exhibit of roots and vegetables is large and good, beets, mangolds, squashes, etc. being splendid specimens.

Mr. W. P. Lewis, marble-worker, of Cardigan, exhibited a beautiful specimen of his handiwork, in the shape of a marble slab, upon which the Lord's prayer was handsomely engraved.

LETTERS TO THE EDITOR. A Suggestion. SIR.—It is probable that there will be a large number of strangers in the city next week.

During Exhibition Week we shall give extra value in all kinds of FAMILY GROCERIES. Our stock is large and select, and our prices low.

Call on us for Fruits, Pears, Apples, Grapes, Bananas, Oranges, Lemons, etc.
