## HOUSEHOLD WORDS!

On the other hand, Mr. Laird and his party declared that the use of the word "subject" would insult the people of the United States (and who know what dire consequences would follow) and pressed the motion to a vote. To his everlasting credit the Lord of Alberton was absent; and so the motion passed in the negative, the vote being 5 to 2. The question about the use of the word "enigrant" was debated with great warmth; and it is said that, after a long wrangle, it was also decided by a vote; and again the Lord of Alberton was absent! But by the time the discussion ended, the word was correctly placed in the Address.

## HOUSEHOLD WORDS!

On the other hand, Mr. Laird and his party declared that the use of the word "subject" would insult the people of the United States (and who know what dire consequences would follow) and pressed the motion to a vote. To his everlasting credit the Lord of Alberton was absent; and so the motion passed in the negative, the vote being 5 to 2. The question about the use of the word "enigrant" was debated with great warmth; and it is said that, after a long wrangle, it was also decided by a vote; and again the Lord of Alberton was absent!
