Sandy's Salvation.

"An hoo's the guid wife, Sandy?" said one farmer to another as they met in the market place and exchanged snuff-boxes. "Did ye no hear that she's dead and buried?" said Sandy solemnly. "Dear me!" exclaimed his friend sympathetically. "Surely it must have been very sudden." "Aye, it was sudden," returned Sandy. "Ye see, when she turned ill we hadna time to send for the doctor, so I gied her a bit pouther that I had lying in my drawer for a year or twa, and that I had got frae the doctor myself, but hadna ta'en. What the pouther was I dinna verra weel ken, but she died soon after. It's a sair loss to me, I can assure ye, but it's something to be thankful for I didna tak' the pouther myself." - Spare Moments.

Up a Tree.

Woman - Come down out of that tree, you rascal! I'll tell your father that you are stealing my apples. Boy - All right, tell him now, for he's up here in the tree with me. - Comic Cuts.

Diplomacy.

"I have come," said the young man, "to ask for your daughter's hand." The proud banker gazed over his glasses at the fellow and demanded: "Well, have you any means of supporting her?" "Alas, I am poor, but hear my story." "Go on."

"When I spoke to Claudia about coming to see you, she told me it was useless - that her mother was the man of the house, and that I had better go to her. But I said: 'No. Your father may permit your mother to think that she is the man of the house, just to humor her, but I have seen enough of him to know that when a matter of importance comes up his strong will must always assert itself. His strength of character may not be brought out by little things, still' -"

"My boy," interrupted the old gentleman, patting him upon the shoulder, "I have known all along that you were not one of those ordinary duds who are incapable of understanding what is going on in the world around them. Take her, and may you always be happy." - Chicago Record.

Even at Last.

"I notice," remarked the literary editor, casually turning over the leaves of the book the struggling author had brought in, "you have given your hero six fingers on his right hand, and there is nothing in the story, so far as I can see, to explain why. May I ask what the extra finger is for?" "To snap at the critics!" vociferated the struggling author, with a gleam of vengeance in his eye. The worm had turned. - Chicago Tribune.

During the Yellow Fever Scare.

There was an alarm of fire the other night. A clerk of one of the local hotels, being told the fire was in the immediate neighborhood, pushed the button for the porter. "I wish you would wake up the guests, Joe." "Yes, sah. I would like to, sah, but he ain't dun gone to bed." - New Orleans Times-Democrat.

The Whole Thing.

Haydn, who was a famous glutton, once landed in Dover with an empty stomach and ordered dinner for four at a tavern. When it was ready to be served, the waiter inquired about the company. "Gompany!" said the composer. "I am the gompany." - Argonaut.

Thoroughly Grateful

Mr. Stephen Belisle Gladly Tells How He Was Cured.

After Other Remedies Failed to Help Him. Dr. Williams' Pink Pills Made Him a Healthy Man.

From the Montreal Herald.

Down on William street the bulk of the butter and cheese trade is done and it is there that the Montreal cold storage and freezing company's mammoth building is located. In the summer time, when extensive shipments are being made, the big block is a veritable beehive. Several well known exporting firms have their warehouses in this building and one of them is Wm. T. Ware & Co. Their head warehouse man is Mr. Stephen Belisle who, as his name indicates, is a French Canadian and in the prime of life. If ever there was a grateful man on the face of the earth to-day that man is Stephen Belisle. After suffering indescribable agonies for several months he is now the picture of health and feels that it is his duty to tell the world how he was restored to health and happiness. Mr. Belisle explained his troubles, now fortunately a thing of the past, to a reporter of the Herald recently. My work called me to all parts of the warehouse," said he, "and sometimes I went into the freezing room without my coat or cap on and then back to the other parts of the warehouse to the warmer atmosphere. About a year ago I became very ill with a complication of diseases. I was suffering with indigestion, biliousness and resulting nervousness disorders such as sick headache and loss of appetite. I began doctoring, but I seemed to grow worse every day, I slept very little, and as time went on I was not able to do any work, and even the exertion of moving about would tire me out. I had a very poor appetite and what food I ate did not agree with me. I also suffered from a severe pain in the back and side. During that time I had tried many medicines but they gave me no relief. I had become so weak and my system so run down that life was a burden to me. I was advised to try Dr. Williams' Pink Pills, which I did with extremely beneficial results. I commenced taking the pills about Christmas time and now I am feeling so good that I thought it my duty to write the proprietors of Dr. Williams' Pink Pills and let them know how extremely grateful I am for the cure their medicine has effected in me. I had taken only six boxes when my condition of health was a paradise to what it had been for some months previous. Mr. Belisle is a quiet unassuming man and evidently not given to over enthusiasm, but there was no mistaking his earnestness when recounting his experiences to the reporter. He will always be a firm believer in Dr. Williams' Pink Pills, Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, Dr. Williams' Pink Pills for Pale People.

Has Strongly Influenced the Commons

It is a fact worthy of record that at least fifty members of the House of Commons are able personally to bear united and convincing testimony to the good effects of Dr. Agnew's Catarrhal Powder in case of cold in the head or catarrh in its several different shapes. These columns have recorded the testimony of members representing constituencies in every corner of the Dominion. At this writing we have before us the words of Mr. Arthur A. Bruneau, M. P., of Richlieu, Que., and Hugo H. Ross, M. P., of Dundas, who join with their other members in telling what this remedy has done for them in cases of catarrhal trouble. At the present time, when so many are suffering from influenza in the head it is a friend indeed. Sold by Dr. S. W. Dodd and Geo. E. Hughes.
