LIBERAL-CONSERVATIVE CONFERENCE.

(Continued from page 4)

Moved by Mr. James E. Birch, M. L. A., seconded by Mr. A. C. Shaw,—

Resolved, That the conduct of the present Government in regard to the question of prohibition of the liquor traffic has been characterized by the grossest deceit and trickery, and calls for the condemnation of all citizens who regard sincerity and candour as essentials in honorable public life.

Moved by Dr. Jenkins, seconded by Mr. Leonard Morris,—

Resolved, That we deplore and condemn the maladministration of the affairs of the Yukon district, and enter a solemn protest against the conduct of the Government of Sir Wilfrid Laurier in refusing to allow an independent and impartial investigation into the serious charges of official corruption preferred in the House of Commons on the parliamentary responsibility of Sir Charles H. Tupper, a public man of undoubted standing.

Moved by W. McNeil Simpson, seconded by Mr. H. J. Pineo, M. L. A.,—

Resolved, That the electoral districts of New London, Tignish, Belfast and Murray Harbor are entitled to the thanks of this convention, on behalf of the taxpayers of this province, for having at the recent partial elections so decisively expressed condemnation of the Farquharson Government and the enormous public debt created by them through their extravagant and inefficient management of public affairs.

Moved by the Hon. A. J. McDonald, M. L. A., seconded by Mr. Ernest Harris,—

Resolved, that the open and almost universal disregard of pre-election promises by the members of the present administration is calculated to lower the respect in which public life has been held in Canada.

Moved by Mr. A. A. McLean, M. L. A., seconded by Peter Scott,—

Resolved, That this conference disapproves of the great and unnecessary delay which has taken place in proceeding with the construction of the Belfast and Murray Harbor Branch railway and Hillsborough bridge, Acts authorizing the construction thereof having passed the Parliament of Canada and the Legislature of the Province.

Resolved, That this conference endorses and still adheres to the policy of the Conservative party as announced in Parliament in the session of 1896 respecting the construction of railway branches in this Province.

Resolved, That this conference condemns the action of the Local and Dominion Governments in withholding from the people the terms of the agreement entered into between the said governments respecting the construction of the Hillsboro River railway and traffic bridge.

Moved by Edward Hackett, Esq., seconded by Daniel McIntyre,—

Resolved, That we cordially endorse the straightforward and patriotic course pursued by the Hon. Daniel Gordon and his colleagues in the Local Legislature, and pledge ourselves to support them in their efforts to establish honest and economical administration in our provincial affairs.

Moved by T. A. McLean, Esq., seconded by Mr. Hamilton Coffin,—

Resolved, That this conference regrets that the Dominion Government has laid up the steamer "Stanley," which in the opinion of this convention should now be employed in giving greater facilities for communication from Charlottetown and other ports in this province to the mainland.

Moved by James Paton, seconded by Abraham Brown,—

Resolved, That this conference desires to bring to the attention of the Government the great hardship and loss experienced by the people of this province by reason of the neglect of the Government in not providing for the granting of through freight privileges on goods shipped during the winter season from this Province by the Government road and steamer.

Moved by S. W. Crabbe seconded by Allan J. Macdonald,—

Resolved, That the traffic and passenger rates on P. E. Island Railway, considering the facilities and accomodation given as compared with those given by other Government roads, are excessive.

Moved by Joseph F. Arsenault, M. L. A., seconded by Mr. Delaney,—

Resolved, That this conference expresses the hope that the team service substituted for railway mail service last winter between Cape Tormentine and the I. C. R., will be discarded during this season, and that a special train service be established between Cape Tormentine and Sackville in order to give proper despatch to the conveyance of mails and passengers.

Moved by Mr. W. E. Dawson and seconded by Mr. W. F. H. Carvell,—

Resolved, That this conference hereby expresses its deep regret as well as sense of public loss occasioned by the death of Malcolm McLeod, Esq., Q C., who was an ornament to the legal profession, a public-spirited citizen and a steadfast and influential supporter of the Liberal Conservative party in all, measures initiated by it for the premotion of the best interests of his native Province and the Dominion of Canada.

Moved by Mr. A. C. Shaw, seconded by Mr. S. W. Crabbe,—

Resolved, That the interests and the isolated position of the province of P. E. Island, require direct communication with the Mother Country, to carry away our meats, poultry and all kinds of products; and,

Therefore, Our senators and members of the House of Commons be instructed to urge on the Government at Ottawa to grant a subsidy to any company which may provide a steamer for that purpose.

All these resolutions were adopted.

MR. BARTLETT'S LECTURE.

There was a very good audience in St. James' Hall last evening to hear Mr. A. A Bartlett's lecture on "Marie Atoinette," and every one was delighted with the manner in which the subject was presented. The lecturer held the undivided attention of his hearers for almost two hours, as he told in chaste language of the life of the unfortunate Queen of France, of the trials through which she passed and her execution at the early age of thirty-nine.

Mr. Bartlett's discourse evidenced a thorough acquaintance with the period under review; and the excellent views so well placed upon the canvas by Mr. Morrison materially assisted in the presentation. The lecture on "Marie Antoinette" is decidedly the best with which Mr. Bartlett has yet favored a Charlottetown audience, and it is hoped that he will see his way clear to repeat it for the benefit of those who were unable to be present last evening.

Before the lecture began Mr. Bartlett read interesting letters received by him from Rev. T. F. Fullerton and Major Weeks, which were well received.

The national anthem closed the proceedings.
