MUSICAL EXCURSION—to-night. A. O. H.—Regular meeting to-night. FOR POTATO BUGS.—Paris Green at Dodd's Medical Hall. 3i cod pat—jy31. JUST RECEIVED.—Light summer corsets, summer undervests, etc.—Beer Bros. CRICKET MATCH.—Right vs. Left at Victoria Park to-morrow. Game commences at 3 o'clock. AT NEW GLASGOW.—The Japanese Village will open in New Glasgow, N. S., for a short season on Monday. EPWORTH LEAGUE.—The social department will meet this evening at 7.30. The visiting committee are especially requested to be present. BARGAINS.—Popular novels at half price at the Diamond Bookstore. Everybody should take advantage of the cheap sale—unheard of prices. AN ATTRACTION.—The Crescent Football Club will play a scratch match of football at St. James Church picnic. Go and see the game. The band will be in attendance. WHERE TO GET TICKETS.—Tickets for the musical excursion will be on sale at the boat to-night, at 7.30. Secure them early, as only a limited number are to be sold. THE RIFLE.—The sixth and second last of the series of league matches will be shot to-morrow afternoon, beginning at 12.30 o'clock. All the teams are requested to be on hand sharp on time. PROMENADE CONCERT.—The Citizens Band promenade concert in the Gardens last evening was well attended, notwithstanding the heavy rainfall early in the evening. The Band played from 8.30 until 9.30. MACKEREL FISHING.—The mackerel fishing at Miminigash and vicinity is up to the present no better than it has been for the past three years, and fishermen are despairing of making a successful season this year. CONCERT POSTPONED.—The promenade concert to have been given by the Artillery Band in the Public Gardens this evening, is postponed until Wednesday evening, owing the musical excursion in the Princess of Wales. FOOTBALL.—A full attendance of members of the Crescent Football Club is requested at the Park this evening, for the purpose of making arrangements for the match at St. James' Church picnic, on Monday next. MAKE A NOTE OF THIS.—The Committee entrusted with the management of the musical excursion are determined to make it one of the most attractive and best conducted events of the kind held this season. None but strictly temperate drinks will be allowed on board, and the best of order will be maintained. FOR HALIFAX.—The steamer Princess Beatrice sailed for Halifax at 4 o'clock, yesterday afternoon, with a cargo of lobsters, pork, potatoes, etc., and the following passengers: W. Grammas, Mr Morgan, Rev John Rose, Mrs D McMillan, Mrs M McGrath, Mrs Frail and Mr James M. Sutherland. DESTROYED BY FIRE.—We regret to learn that the barn of Mr. Lemuel Dalton, Roseville, Lot 4, was destroyed by fire on Wednesday last. The fire is supposed to have originated from bush fires. The loss is the greater on account of the barn being new, having been completed only a few months ago. Mr. Dalton has the sympathy of the community in his loss. SOURIS TEA.—The big Tea at Souris yesterday was one of the greatest successes of the season. The attendance was large, and the weather, with the exception of a slight shower in the afternoon, was all that could be desired. The tea and refreshment tables were well stocked. The special train from the city returned shortly after eleven last night, and the excursionists report having an exceedingly pleasant time. DON'T FORGET IT.—The musical excursion by moonlight in the steamer Princess of Wales this evening will be well worth attending. There will be lots of dance music for those who delight in "tripping the light fantastic toe," and for those who do not dance as well as for those who do. Mr. Galbraith has prepared a very choice programme. Refreshments will be provided on board. The steamer will leave the wharf at 8.15. HE WASN'T FEELING WELL.—Arthur Upham, of New London, Ct., and Bob Fitzsimmons, the New Zealander, fought four rounds at New Orleans, La., last Monday night before the Audubon Athletic Association for a \$1200 purse. The big, awkward, loose-jointed, long-armed Australian was not feeling well, but, after his right and left had played upon Upham's neck, jaw and stomach a little, Upham was at his mercy. The fight could have been finished in the second round, but Fitzsimmons took matters easy. FOR BOSTON.—The steamer Worcester sailed for Boston last afternoon, with a general cargo and the following passengers: Charlotte Ann Byers, Sarah Byers, James Byers, Nellie Byers, Rosie Byers, Henry Byers, Mrs McKinnon, James Murray, Geo Murray, Lily Ryan, Charlotte Ryan, Geo Minchis, Annie Nicholson, Christina Nicholson, Eliza Strang, Chas Kingman, Elias Jenkins, Edward McLean, Daniel McLean, Winnie Dooley and Nellie Hurst. DON'T DELAY.—As the Japanese Village only remains here a few days longer, it would be well for those who have not yet called at the Rink to do so at once. Besides seeing the Japs at work, witnessing the Shaffers in their specialties and laughing at the Punch and Judy show, all will have an opportunity of guessing for the gold watch. The guessing will close on Saturday evening, when the prize will be awarded. Go to-night and try your luck. LAWN TENNIS.—The annual tournament of the Maritime Provinces Lawn Tennis Association, to be held at Truro on the 5th, 6th and 7th of August, promises to be a great success. The following clubs have already promised to have representatives present: St. John, Fredericton, Charlottetown, Pictou, New Glasgow, Antigonish, Wanderers, 76th Duke of Wellington and Garrison, Halifax, Windsor, Kentville and Truro. Fully 150 players and visiting friends are expected. There will be a reception the first night, a garden party at St. Adam Archibald's on the second night, and a grand ball on the third night at their premises.

SHIPPING DISASTER.

Great Suffering at Sea

QUEBEC, July 31. The bark Askoy, Capt. Holverson, from Hamburg, which arrived here, has on board Capt. Anderson, the mate and four of the crew of the Norwegian bark Speranza. On the Grand Banks of Newfoundland, the Speranza ran into an ice berg. The crew took to the boats, the captain and first mate, with four of the crew, taking the largest boat. The second mate took command of the smaller boat, with three of the crew. The smaller boat has not been seen since the day after the collision, three weeks ago, and they are all thought to be lost. The captain's boat had very little provisions in it. On the sixth day starvation stared them in the face. On the eighth day the last drop of water gave out. On the afternoon of the ninth day the Askoy hove in sight and picked up the unfortunate men. A boy in the captain's boat had his feet badly frozen, and the seaman were all more or less exhausted by the privation and the intense cold.

DIPHTHERIA EPIDEMIC.

The Fatal Disease Spreading Rapidly.

TORONTO, July 31. A despatch to the Empire from Bonne Bay, Nfld., describes a violent outbreak of diphtheria at Red Bay, a fishing settlement on the Labrador coast. The disease was spreading rapidly. There is no doctor along the entire coast. The poor ignorant people have no disinfectants or medicine, and are ignorant of the use of them. Over twenty deaths are already reported.

Aid Wanted.

LINCOLN, Neb., July 31. The following address has been issued by the officers of the Irish National League of America:—

"Since the publication of Mr. Parnell's letter relative to the Convention, advices have been received from the Irish leaders deploring the urgent necessity for the immediate transmission of all available funds in America to the Home organization. In view of this severe crisis and in order that no true friend of Ireland can be excusable for neglect in rendering such assistance as his means will afford, all branches of the league, affiliated organizations and individuals sympathizing are hereby authorized to forward their funds direct to the office of the League in Dublin. The address of the treasurer of the League in Ireland is Dr. Joseph E. Kenny, M. P., 43 Upper O'Connell Street, Dublin."

News From Halifax.

HALIFAX, July 31. Miss Maggie Duffus, daughter of the late James B. Duffus, was married to-day in St. Mark's Church to Lieut. Wood, of the West Riding Regiment. News has just been received of the death, at Denver, Col., of W. R. McCully, Stipendiary of Amherst.

TORONTO, August 1.—10 a. m. Winds mostly westerly, fair with local showers or thunderstorms; not much change in temperature.

STRANGE ADDRESS.—A letter passed through the city post office lately addressed as follows:—

Prance Edored Islan, Bay day ford lote toif.

This letter was probably intended for Bideford, Lot 12. We omit the name of the person to whom it was addressed.

GIRLS' SCHOOL.—The success of the Church of England School for Girls, at Windsor, is now assured, and the work begun somewhat tardily, it is true, is likely to be done well. The school will provide a first-class education. It is pleasing to know that the venerable Metropolitan of Canada looks with interest on the enterprise, and notwithstanding very numerous calls, finds means to become a shareholder. His lordship is eighty-five years old, and yet expresses his best wishes for the success of this new Church School for Girls, and liberally subscribes for forty shares.
