President's Report

The following report was given by the president, Mrs. Henderson: "Today it is a pleasure and a great privilege to welcome you to this 34th annual meeting of the Provincial Auxiliary of the Prince Edward Island Protestant Orphanage."

The purpose of the founders of the Orphanage was to provide a real home, love and care for orphaned and helpless children and to teach and train them in Christian surroundings. This year trustees have earnestly endeavored to do down through the years, at all times striving to deserve the full confidence of all our people.

For many years we have been able to note steps of progress and improvement in our work and we are happy to report that the past year has been an exceptional one in every department. Miss M. McLean, who for two years did fine work as Matron, resigned in June last and we were most fortunate in securing as her successor Mrs. A. Wright. Today the home is so lovely and the children so healthy and happy that it brings to all of us a sense of the complete assurance that this work is of tremendous importance.

The sympathy for helpless children has not diminished throughout the ages and we are blessed with the support of such a large number of willing workers that the combined effort has enabled us to report success each year. Now for the 26th consecutive year we close our books with a surplus and with grateful hearts.

The total receipts for the year were \$33,362.78, the highest in our history. Of this amount \$10,584.94 was received from estates and placed in the endowment fund. All amounts received from estates are carefully invested in trust bonds and the interest only used for current expenses. Without this interest it would be extremely difficult to carry on and this fact grows fund is the safe-guard of the future. The grand total in bonds and estates is now \$156,500.00.

Again the Auxiliary surpassed any previous year with total net receipts \$13,109.87. This is truly a magnificent amount and is over one thousand dollars higher than in any previous year. In addition our members sent to the home many boxes of valuable clothing and gifts of all kinds.

May I refer briefly to the work carried on by other ladies organizations especially the Queen Mary Needlework Guild, the P. O. B. A. and the order of the Eastern Star, the Charities Club and the Auxiliary of the P. C. A. E. Summerside. Their contributions of cash, clothing, home furnishings, and other gifts are of invaluable assistance. In the annual report you will find listed the names of many other societies and friends who have contributed most generously.

Today we mourn the loss of two former matrons, beloved workers, Mrs. H. J. Calbeck, Parkdale, Mrs. Mr. Edmund Wickerson, Cornwall; Mrs. John Jewell, Senior, North River; Mrs. Charles MacArthur, and her son, F. H. MacArthur of Cornwall.

Drew Opposed To Centralization Of Government

QUEBEC, (CP) — George Drew, Progressive Conservative leader, said Thursday night his party "is determined to resist every attempt to further centralize power in Ottawa."

Mr. Drew said his party is opposed to centralization because "it threatens the rights and authority of provincial governments as well as the financial independence of municipal councils."

Speaking in French at an election rally in this stronghold of provincial rights, the Progressive Conservative leader promised "to restore to the provinces and municipalities full autonomy in their own affairs, and to respect the spirit and the letter of the British North America Act."

The speech, delivered in the working class St. Sauveur district of Quebec, has recommended to a network of Quebec radio stations.

Mr. Drew repeated the 16-point election program he announced in Guelph, Ont., last Friday.

Can Be Saved (Continued from page 1)

Increased production is the only thing that may save them. The UMW executive, mean while, noting the economic state of the industry, has recommended to its membership a two-year contract at the same salary scale.

The union earlier asked a daily increase of \$3.28 and other concessions but a conciliation board suggested both sides waive demands because of the industry's economic troubles.

The union has about 10,000 members, most of them employed in Dosco pits and making a basic daily pay of \$9.74.

To Build (Continued from page 1)

The committee under whose direction the building is being erected is composed of Rev. J. H. Bishop, Rev. Alasdair Johnston, Messrs. G. M. Grant, Secretary of the Congregation, Gordon Ross and Norman Campbell.

Since the sale of the former place of worship of the Church of Scotland on Elm Avenue several years ago, services have been conducted in the Orange Lodge room on Richmond Street.

W. B. Scott, Grandview, Mrs. Jabez Lea, Victoria and Mrs. D. H. MacPherson, Bellevue. The recollection of their noble deeds will ever remain fresh in our memories and to the bereaved we extend heartfelt sympathy.

New forward glance, what of the future and how will we meet it? I do not think we need fear. Again we will be given hills to climb and again we will be given the strength to climb them. May we go forward with courage true, to express to you my personal thanks for your co-operation, your outstanding achievements, your wonderful letters and your never-failing kindness.

First settlers in Pictou County, Nova Scotia, came from Philadelphia in 1767, followed by Scottish Highlanders in 1773.

Special Meeting Benevolent Irish Society Last Night

A special meeting of the members of the Benevolent Irish Society was held last night with President John W. Hogan acting as chairman. A large number of members were present at this meeting.

After a full report of the finances of the Society, the chairman President J. W. Hogan, welcomed back to Charlottetown one of its native sons in the person of J. Austin Trainor, who had just returned from Toronto, Ont.

The chairman of the committee in charge of the McNulty Family presentation, Bro. Wilfred Smith, reported that all arrangements are proceeding well or the big show which will be staged at the Community Center on July 3 and 4. It was reported that the tickets for this show are now on sale at the music counter at R. T. Holman Limited until Saturday night and the sale will continue from Cantwell's Pharmacy all during next week. All members present agreed to take a number of tickets to sell for the McNulty Show. It was reported that the ticket sale in general is going well and a sell out for both shows is now considered almost a certainty.

It was agreed to have the Society's annual banquet on Thursday, July 2nd, and Bro. Vincent King was appointed to look after all arrangements.

An expression of sympathy to Bro. Hugh Trainor was tendered by the Society in the very great loss which he has sustained.

After a further discussion on the business of the Society, the meeting adjourned.

Potato Marketing Suits Pending

The contentious issue of the P. E. I. Potato Marketing Board which has seen its cases fought through Provincial courts and the Supreme Court of Canada is still very much to the fore with a large number of cases scheduled to come before the courts here.

Mr. Murdoch Dawson, Albany, announced yesterday that within the course of the next 10 days his solicitor, acting on instructions from Mr. Dawson, will issue in the Supreme Court a writ for \$23,000 against the Board. It is for alleged financial loss in not being able to market his potatoes due to rulings laid down by this body.

Meanwhile in the County Court in Queen's County a suit has been commenced by the Board against Mr. Austin Scales, Free-town, to collect the amount of a producer's license which is \$75.00.

The Board has also laid information against twenty five other potato growers in Prince County for selling potatoes grown by them or on their behalf without having obtained a producer's license from the Board. The information was laid this week before Magistrate R. S. Hinton, Q. C., Summerside, and the cases are expected to begin as soon as the Court can deal with them.
